Engrossed SB 2350 with House Amendments will prevent taxation of a leasehold interest in state-owned land and improvements located on that land, if the structure, fixture, or improvement is used primarily for athletic and educational purposes at any state institution of higher education. It will not allow political subdivisions to levy additional dollars based on the value of the leased land and privately owned improvements. The land and improvements will not be included in the base that determines how many dollars a political subdivision may levy, because it is not included in the definition of "property exempt by local discretion or charitable status."

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
