2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

HB 1004 Section 9 includes a standing and continuing appropriation for group purchasing for items or services with local public health units. The Health Department currently has the ability to obtain certain drugs and vaccine via federal contract pricing not available to the locals. The Department would make the purchase on their behalf and then offset the expense with the revenue collected from them. The other sections of the bill have been addressed in our 2003-05 budget.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
