#### FIRST DRAFT:

Prepared by the Legislative Council staff for the Government Performance and Accountability Committee

June 2004

- 1 A BILL for an Act to provide for state government performance and accountability; and to
- 2 amend and reenact sections 54-44.1-06 and 54-44.1-08 of the North Dakota Century Code,
- 3 relating to information included in the executive budget.

### BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

5	SECTION 1. Government performance and accountability committee -
6	Appointment - Additional participation. The legislative council, during each biennium, shall
7	appoint a government performance and accountability committee in the same manner as the
8	council appoints other interim committees. The council shall appoint to the committee up to six
9	members of the house of representatives, no more than four of whom may be from the same
10	political party and up to six members of the senate, no more than four of whom may be from the
11	same political party. The council shall designate the chairman of the committee. The council
12	may invite up to two citizens to participate as nonvoting members of the committee. These
13	members are entitled to compensation under section 54-35-10 for attendance at meetings of
14	the committee. The council may invite the governor, or the governor's designee, and the state
15	auditor, or the state auditor's designee, to participate as nonvoting members of the committee.
16	The chairman may invite up to three additional members of the house of representatives and up
17	to three additional members of the senate to attend meetings of the committee when committee
18	discussion relates to the members' legislative standing committee assignments. These
19	members are nonvoting but are entitled to compensation under section 54-35-10 for attendance
20	at meetings to which they are invited under this section. The committee shall operate in
21	accordance with the statutes and procedures governing the operation of other legislative
22	council interim committees.
23	SECTION 2. Government performance and accountability committee - Powers

and duties. The government performance and accountability committee has continuing

- 1 existence and may meet and conduct its business during the legislative session and in the
- 2 <u>interim between sessions</u>. The committee shall monitor state government performance and
- 3 <u>accountability by reviewing state agency strategic plans and performance measure outcome</u>
- 4 reports. The committee shall report its findings and recommendations, regarding state agency
- 5 performance measurement indicators, along with any necessary legislation, to the legislative
- 6 council.
- 7 SECTION 3. Government performance and accountability system. The office of
- 8 management and budget shall establish and maintain, subject to approval of the government
- 9 performance and accountability committee, a government performance and accountability
- 10 system for executive branch agencies and departments. The system must utilize agency and
- 11 department strategic plans and designated performance measurement indicators that focus on
- 12 results and outcomes to provide agency managers, the governor, the legislative assembly, and
- 13 the public with the information necessary to evaluate and assess agency performance for the
- 14 purpose of ensuring that state government services are effective and state resources are used
- 15 efficiently. Performance measurement indicators include those approved by the legislative
- 16 assembly and other performance measurement indicators, as recommended by the office of
- 17 management and budget and approved by the government performance and accountability
- 18 committee. The measurement indicators must provide an assessment of the performance of
- 19 major agency activities and be comparable, to the extent possible, to other states' performance
- 20 results.

- 21 **SECTION 4. State agency strategic plans.** Each executive branch state agency and
- 22 department shall establish and maintain a five-year strategic plan to guide its operations and
- 23 <u>activities</u>. The strategic plan must include:
  - 1. The mission, goals, and objectives of the agency.
- 25 <u>2. Identification of the groups of people served by the agency and the results of any</u>
- 26 <u>user group, public, or employee survey used to improve services.</u>
- 27 <u>The strategies and activities utilized to meet agency goals and objectives.</u>
- 28 <u>4. An analysis of the use of agency resources to provide agency services.</u>
- 29 <u>5.</u> Estimated future needs and resources that may be necessary to meet those
- 30 needs.
- 31 6. External factors affecting services of the agency.

I	<u>/.</u>	ine	measurement indicators developed under this Act used to evaluate and					
2		asse	ess the agency's performance.

#### 54-44.1-06. (Effective after June 30, 2005) Preparation of the budget data -

- **Contents.** The director of the budget, through the office of the budget, shall prepare budget data which must contain and include the following:
  - Summary statements of the financial condition of the state, accompanied by the detailed schedules of assets and liabilities as the director of the budget determines desirable, which must include the following:
    - a. Summary statements of fund balances and assets showing in detail for each fund the surplus or deficit at the beginning of each of the two fiscal years of the previous biennium and the first fiscal year of the present biennium, the actual revenue for those years, the total appropriations for the previous and present biennium, and the total expenditures for those fiscal years; and
    - b. Similar summary statements of the estimated fund balances and assets for the current fiscal year and each of the fiscal years of the next biennium.

Summary statements may include a comparative consolidated balance sheet showing all the assets and liabilities of the state and the surplus or deficit, as the case may be, at the close of the first fiscal year of the current biennium.

- 2. Statements of actual revenue for the previous biennium, the first year of the present biennium, and the estimated revenue of the current fiscal year and of the next biennium, and a statement of unappropriated surplus expected to have accrued in the state treasury at the beginning of the next fiscal year. The statement of unappropriated surplus for the general fund must reflect any projected deficiency appropriations relating to expenditures from the general fund for the present biennium. The statements of revenue and estimated revenue must be classified by sources and by budget unit collecting them. Existing sources of revenue must be analyzed as to their equity, productivity, and need for revision, and any proposed new sources of revenue must be explained.
- Summary statements of expenditures of the previous biennium and first year of the present biennium, itemized by budget units and classified as prescribed by the director of the budget.
- 4. Detailed comparative statements of expenditures and requests for appropriations by funds, budget units and classification of expenditures, showing the expenditures

for the previous biennium, the first fiscal year of the present biennium, the budget of the current biennium, and the governor's recommendation for appropriations for each budget unit for the next biennium, all distributed according to the prescribed classification of expenditures. Following the lists of actual and proposed expenditures of each budget unit there must be a brief explanation of the functions of the unit and comments on its policies and plans and on any considerable differences among the amounts recommended, with any descriptive, quantitative, comparative, and other data as to work done, unit costs, and like information as may be considered necessary or desirable. For capital outlay expenditures involving construction projects to be completed in two or more fiscal years, there must be shown the total estimated cost of each such project and the amount thereof recommended to be appropriated and expended in each ensuing fiscal year until completion of the project. Capital outlay needs may be projected for at least two years beyond the period covered by the budget.

- 5. A detailed statement showing the estimate of all moneys required to be raised or appropriated for the payment of interest upon the funded debt of the state and its other obligations bearing interest, and the amount of money required to be contributed in the two next ensuing fiscal years to the general sinking funds maintained for the redemption and payment of the debts of the state.
- 6. A summary statement of the unappropriated fund balance estimated to be available at the beginning of the next biennium, and the estimated revenue of the next biennium, as compared with the total recommended amounts of appropriation for all classes of expenditures for the next biennium, and if the total of the recommended expenditures exceeds the total of the estimated resources, recommendations as to how the deficiency is to be met and estimates of any proposed additional revenue.
- 7. For those budget units involved in the government performance and accountability system, statements summarizing each agency's or department's strategic plan for the next biennium with comparisons of actual to anticipated performance for recent years. The statements must identify the relationship of the governor's

- 1 recommendations for appropriations for each budget unit to the anticipated
  2 strategic plan and performance goals of the budget unit.
  - 8. Drafts of a proposed general appropriations act and special appropriations acts embodying the budget data and recommendations of the governor for appropriations for the next biennium and drafts of such revenues and other acts recommended by the governor for putting into effect the proposed financial plan. The recommended general appropriation for each budget unit must be specified in a separate section of the general appropriations act.
  - 8. 9. A list of every individual asset or service, excluding real estate, with a value of at least fifty thousand dollars and every group of assets and services comprising a single system with a combined value of at least fifty thousand dollars acquired through a capital or operating lease arrangement or debt financing arrangement by a state agency or institution. The list must include assets or services acquired in the current biennium and anticipated assets or services to be acquired in the next biennium.
  - 9. 10. Any other information as the director of the budget determines desirable or as is required by law.
  - **SECTION 8. AMENDMENT.** Section 54-44.1-08 of the North Dakota Century Code is amended and reenacted as follows:
  - 54-44.1-08. Budget report Contents When submitted to legislative assembly.

The official budget report must be transmitted by the governor to all holdover legislators and legislators-elect not later than three days after the commencement of the session of the legislative assembly. Such report is not a third-class item under section 46-02-05. The budget director shall provide for the duplication or other satisfactory reproduction or printing of the official budget report, so as to ensure delivery of same as provided in this section. Such reports must contain the budget and revenue proposals recommended by the governor and the information required in subsections 1, 2, 3, 5, and 6, and 7 of section 54-44.1-06 and all other data and information as the governor shall decide. The budget director shall make available any and all information regarding budget data to the governor, the legislative assembly and its designees, legislators, and to the governor-elect as may be requested. The governor may

1 present any additional budget information in any manner to the legislative assembly as the 2 governor may desire. 3 SECTION 9. Government performance and accountability system -4 **Implementation.** The office of management and budget, in developing a government 5 performance and accountability system, shall assist executive branch agencies and 6 departments to develop proposed strategic plans and performance measurement indicators to 7 be presented to the government performance and accountability committee. The office of 8 management and budget shall fully implement the system by July 1, 2011.
