9 license. A person who violates this subsection is guilty of a class B misdemeanor.
- 10 2. Application for a dealer's license and renewal license must be made to the director
11 on a form prescribed and furnished by the director. A dealer's license expires on
12 September thirtieth of each odd-numbered year and application for renewal of a
13 dealer's license must be made before the expiration date of the current dealer's
14 license. The application fee is forty dollars and the renewal fee is forty dollars. An
15 applicant must pay an additional nonrefundable inspection fee of one hundred
16 dollars, which must accompany the initial application.
- 17 3. Upon licensure, a snowmobile dealer is entitled to be issued a dealer decal
18 distinctly marked with the dealer's license number. A dealer decal may be used
19 only on snowmobiles owned by the dealership. Additional dealer decals are forty
20 dollars each per license period.

2. A snowmobile dealer shall submit any state fees, taxes, and applications collected on behalf of a customer to the department within thirty days of the date of sale.

The director may waive a violation of this subsection for good cause.

39-24.2-03. Bond and liability insurance required.

1. Before the issuance of a snowmobile dealer's license, the applicant for the license and at all times each dealer shall furnish a surety bond in the amount of ten thousand dollars executed by the applicant or dealer as principal and executed by a surety company licensed and qualified to do business within this state. The bond must be conditioned upon the faithful compliance by the dealer that the dealer will comply with all the laws of this state pertaining to the business of dealing in snowmobiles and indemnifying any person dealing or transacting business with the dealer in connection with any snowmobile from any loss or damage occasioned by the failure of the dealer to comply with the laws of this state. The aggregate liability of the surety to all persons for all losses or damages may not exceed the amount of the bond. Any third party sustaining injury within the terms of the bond may proceed against the principal and the surety without making the state a party to the proceeding.
