12 deducted in computing taxable income.
- 13 (c) Depreciation expenses from farming activities which have been
14 deducted in computing taxable income.
- 15 (4) When exemption is claimed under this subdivision for a residence, the
16 assessor may require that the occupant of the residence who it is
17 claimed is a farmer provide to the assessor for the year or years
18 specified by the assessor a written statement in which it is stated that
19 fifty percent or more of the net income of that occupant, and spouse if
20 married and both spouses occupy the residence, was, or was not, net
21 income from farming activities.
- 22 (5) In addition to any of the provisions of this subsection or any other
23 provision of law, a residence situated on agricultural land is not exempt
24 for the year if it is occupied by an individual engaged in farming who
25 had nonfarm income, including that of a spouse if married, of more than

2 occupied by that farmer is entitled to the exemption under this section
3 for that residence if the farmer and the residence would qualify for
4 exemption under this section except for the use of the residence as a
5 bed and breakfast facility.

6 **SECTION 2. EFFECTIVE DATE.** This Act is effective for taxable years beginning after
7 December 31, 2004.
