Minutes: 14 members present.

Chairman DeKrey: We will open the hearing on HB 1089.

Keith Lauer, Gaming Division, Office of AG: (see written testimony).

Representative Zaiser: Should the fees be increased even more.

Keith Lauer: We checked with the Charitable Gaming Association annual convention and they felt this is reasonable. All we want to do is replace special funds that will be depleted this biennium. We just want to offset these costs. We already have the appropriation for that. Some of that appropriation special funds is for inspection of Native American casinos, we have a little bit of added cushion in there in case we have to do some major investigations. We do have special fund authority already in our budget, so there isn't a problem there with the cap there, I don't think there will be a problem.

Representative Zaiser: You feel comfortable that will offset the additional costs that are occurring in the gaming industry.

Keith Lauer: Yes.

Representative Meyer: Just for clarification, these small towns that have Calcutta, do they have to pay a \$200 fee, or is it if they have a series of 10, would it be just one \$200 fee or would it be a \$1,000 for them.

Keith Lauer: Yes they would in case of a Calcutta because it is a stamped game. There are local permits and charity local permits, which do not require the state license. But those are unstamped products, the stamped products are Calcutta's and pull tabs, and so other game types like sports pools, bingo, raffles can be done under a local permit, provided that the prizes don't exceed \$12,000/yr. So small organizations that do those types of activities, do not have to pay this fee.

Chairman DeKrey: Thank you for appearing. Any further testimony in support of HB 1089, further testimony in opposition to HB 1089. We will close the hearing.

(Reopened in the same morning session, side B)

Chairman DeKrey: I will entertain a motion on HB 1089.

Representative Boehning: I move a Do Pass motion.

Representative Zaiser: I second the motion.

Chairman DeKrey: Further discussion. The clerk will call the roll on HB 1089.

Minutes:

Chairman Carlisle called the General Discussion to order.

He confirmed with members that the following bills are about ready to be sent to the Full

Committee: HB 1005, HB 1006 (with regard to the budget. The amendment will be considered in Full Committee), HB 1007, and HB 1011.

(Meter #20.7)

Re: **HB 1089**, a bill for an Act to amend and reenact subsection 2 of section 53-06.1-03 of the North Dakota Century Code, relating to games of chance license fees.

The bill has been approved by the Judiciary Committee, 14-0, and has been referred to House Appropriations, Government Operation Division because of the fiscal note. **Chairman Carlisle**

1089

said the \$68,000 in question is already included in the operating expenses of the Attorney

General's budget. **Chairman Carlisle** said he would carry the bill to Full Committee.

There was a question as to why two fiscal notes were attached to the bill, one dated 12/22 and the

other dated 1/12. **Chairman Carlisle** called **Kathy Rowe, Director of the Finance &**

Administration Division and asked if she would come to the House Conference Room and

explain. When she arrived, she explained what happened with the first fiscal note was that the

\$204,000 that goes into the general fund for this fee was reflected, and it was already included in

the executive recommendation. The Dept. revised it to just include the \$68,000, which is the fee

increase. She confirmed that the operating expenses for HB 1089 are already in the A.G.'s

budget.

Chairman Carlisle asked for a Motion for "Do Pass" for HB 1089. **Rep. Timm** so moved and

Rep. Thoreson seconded the motion.

(Meter #27.8)

Re: HB 1018

Committee members discussed the Ebert Ranch. **Rep. Kempenich** explained that the ranch is approximately 5,600 acres and the asking price is \$600 per deeded acre, which seems a bit high.

There are unresolved easement questions. There is discussion to have the Park Service run the ranch and they'd need 2 FTE's to do this. (Meter #35.6) There is discussion as to whether the

State should buy it or the Federal Government. The Eberts have been charging bow hunters to use the land. The Game & Fish Department has \$400,000 to pick up the grassland portion.

Minutes:

Rep. Ken Svedjan, Chairman opened the hearing on HB1089.

Rep. Ron Carlisle distributed handout #16-6 (attached) explaining that the bill came from the Judiciary committee who gave it a unanimous do pass. The money in question is \$68 thousand in revenues that is no longer there and the money to cover this is now in the Attorney General's budget.

Rep. Ken Svedjan, Chairman asked for a clarification of the 2 fiscal notes on this bill. The only difference between the two was the additional funds beyond the \$68,000.00.

Ms Kathy Roll from the Attorney General's office answered that the first fiscal note included the amount that is currently being deposited in the general fund and is included in the executive recommendation. It was removed because since it is listed in the executive recommendation it wouldn't be proper to show this as a fiscal note.

Rep. Ken Svedjan, Chairman noted that the committee has made no amendment to this bill and that the committee is satisfied that the Attorney General's budget will cover these expenses.

Rep. Ron Carlisle moved a do pass on HB1089.

Rep. Joe Kroeber seconded.

Rep. Jeff Delzer asked if there was any discussion about what this says to the small gaming sites out there or any discussion about changing the percentages for them or the amount that goes to charities or whatnot, or was this just considered to be right off the top?

Rep. Ron Carlisle answered our understanding was that enhanced training was one of the components to this but we didn't look at changing the percentages.

Rep. Ken Svedjan, Chairman called for further discussion. Seeing none, he called for a roll call vote on the Do Pass motion. Motion carried with a vote of 17 yeas, 2 nays, and 4 absent. Representative Galvin will carry the bill to the House Floor.

Rep. Ken Svedjan, Chairman closed the discussion on HB1089. (meter Tape #2, side A, #17.5)

The increase will be deposited into the Attorney general's operating fund which would offset depleted special funds to cover operating expenses.

Questions asked included what percentage of expenses the \$50 would pay, how much money is currently available for operating expenses, concerns that gaming submits the fees and gets nothing in return, the charges at the county city level, concerns about funding the attorney general's operating expenses, fees small gaming outfits pay.

John Emter, concerned citizen, testified in support of HB 1089. He indicated this bill ultimately creates jobs.

2005 TESTIMONY

HB 1089

TESTIMONY ON HOUSE BILL NO. 1089

By Keith Lauer, Gaming Division, Office of Attorney General

House Judiciary Committee
January 10, 2005

*same to senate
approves!*

My name is Keith Lauer. I am Director of the Gaming Division of the Attorney General's Office. I am testifying on behalf of the Attorney General's Office in support of House Bill No. 1089, and will describe the provisions of this bill.

1. This bill increases the annual gaming license fee for each city or county from \$150 to \$200. The most recent change in the gaming organization license fee was in August 1989, when an increase from \$100 to \$150 was approved (16 years ago).
2. The \$50 increase per year must be deposited into the Attorney General's operating fund and is estimated to increase revenue in the amount of \$68,000 (1,361 gaming licenses issued during the 2001-03) for the biennium.
3. The increased revenue would be used to offset depleted special funds used in the current biennium in order to continue offering the gaming organizations a toll-free telephone number to our division, on-site and regional training to gaming organization employees and board members, and on-site inspections during audits and investigations.
4. Although our division continually looks for ways to cut operating expenses increases in the risk management premium, telephone costs, postage, and other necessary office expenses continue to increase.

I would be happy to answer any questions.

Subject: 2005 House Bill No. 1089
Date: January 25, 2005

The \$68,000 in revenues generated by House Bill No. 1089 is budgeted in the Gaming Division of the Office of Attorney General. The other funds that were funding a portion of the Gaming Division's operations are no longer available. The other funds consisted of an accumulation of recordkeeping and internal control manual revenues that will be completely used during the 2003-05 biennium.
