Jim: That is correct, Mr. Chairman.

Rep. Froseth: For clarification, candidates for school districts and city offices must file the statement of interest now, this just puts the language in the proper section of the law.

Jim: That is correct.

Chairman Haas: Brought into by the Secretary of the State. Which I understand to simplify things for people who look up sections of the century code and find it references another section of the century code, this simplifies it by putting more of the requirements of filing for a candidate in the section that pertains to that particular office. Puts the reference right in the statute. Is there any further discussion.

Rep. Meier: I move a DO PASS

Chairman Haas: Rep. Meier moves a DO PASS, is there a second, seconded by Rep. Galvin, is there any further discussion on the bill, if not we will have the clerk take the roll.

RE: HB 1429 – City and School Board Candidates Statement of Interests

When filing as a candidate for office, every candidate is required to file a Statement of Interest.

This bill inserts this requirement into the applicable sections of the Century Code pertaining to school district and city elections.

By doing so, candidates for these positions will be made aware of the filing requirement within their respective chapters, 15.1-09 and 40-21, rather than potentially missing the same filing requirement that exists for all candidates in 16.1-09-02.

Section 1: On page 1, lines 8 and 9, the change establishes that a candidate for a school board position must file a statement of interest and file it with the school district's business manager.

Section 2: On page 1, lines 23 through page 2, line 1, the text being eliminated is redundant with the previous text on page 1, lines 19 through 23, and as clarified on page 2, line 2.

Section 3: On page 2, lines 19 and 20, this change establishes that a candidate for a city elective office must file a statement of interest and file it with the city auditor.
