Senator Rich Wardner indicated he had introduced the bill on behalf of the Secretary of State and he introduced the Secretary of State.

Al Jaeger, Secretary of State, testified on **SB 2353**. He indicated this bill came to appropriations because of some budgeting. He discussed the changes in the bill; Section 1, line 24 has some clarifying language, Section 3 allows to proceed with revoking notary commission, and the notary fee increase.

Questions were raised about the separate bookkeeping of the notary fees, the process of becoming a notary, notary charge back fees.

Leon Mulberg, notary, Dickinson testified **against SB 2353**. He indicated he had not heard about this bill, he does not charge for his notary services, but there are expenses of being a

notary. Also, he indicated no notification had gone out to notaries to let them know about the bill. He also indicated if the bill is not killed, he would suggest reducing the fees to -0- for becoming a notary. If the senate appropriations committee chooses to keep the bill and raise fees, he would suggest changing the duration of the commission to 12 years.

Questions were raised about the fees a notary charges, whether he thought notaries would give up their commission rather than pay additional fees.

Chairman Holmberg closed the hearing on SB 2353.

 SB 2353

1A. State fiscal effect: *Identify the state fiscal effect and the fiscal effect on agency appropriations compared to funding levels and appropriations anticipated under current law.*

2. Narrative: *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

As of January 2005, the agency had 11,600 notaries listed in its database. Under current law, the fee to become a notary for a period of six years is \$25. However, the agency has greater annual expense than the annual average revenue of \$4.17 it currently receives for a six-year notary commission. The increase to \$36, or \$6.00 in annual revenue, will more adequately cover the expense of maintaining the records and providing the necessary services to notaries without other taxpayers subsidizing those services.

The fee was \$20 from 1983 to 1993, at which time it was raised to \$25. Therefore, it has not been adjusted significantly for 23 years.

3. State fiscal effect detail: *For information shown under state fiscal effect in 1A, please:*

A. Revenues: *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The fee increase to \$36 for six years, or \$6 per year, compares to the average annual fee received in South Dakota, which is \$4.17 (same as North Dakota's is now), Montana and Kansas at \$6.25 annually, Wyoming and Nebraska at \$7.50 annually, Iowa at \$10 annually, and Minnesota at \$28 annually. The increase will still be lower than that in these six midwestern and plains states.

B. Expenditures: *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

The expenses are currently absorbed in the agency's budget.

C. Appropriations: *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

The needed appropriation is included in the agency's current and projected operating budget for the 2005/2007

biennium.

Minutes: SB Regulation of notaries public.

Chairman Haas: We will open the hearing on SB 2353 and ask the clerk to read the title, please, thank you.

Al Jaeger-Secretary of State-Testimony Attached

Chairman Haas: Have you had occasion when you would have wanted the provision of section 2 and three and they weren't available to you?

Al: Yes, but we have managed to work it. We have had the help of the Attorney Generals office.

Chairman Haas: This would have been helpful.

Al: Yes, section 2 and three are very helpful to us.

Rep. Froseth: I think there is some confusion that the fee was going up five dollars a year.

Where does it state in hear.

Al: To be a notary it is to be one fee for six years, right now it is 25 dollars one time and you get commission for six years.

Rep. Meier: How many notaries do we currently have in the state?

Al: A little over 11,000, almost 12,000.

Rep. Klemin: Is thirty dollars enough? Before Secretary Jaeger came along there was no information and the web site that he has put together is very informative. I really appreciate the information and the newsletter puts out.

Rep. Potter: How much are they bonded for.

Al: They are bonded for 7500 hundred dollars, they take an oath of office.

Rep. Froseth: The fiscal notes don't add up? I think we need a new fiscal note.

Al: I was the one that did the calculating and if it doesn't match, I can go back and recalculate.

Chairman Haas: I am not sure where the committee will end up, when the fiscal note is redone, but the fiscal note is going to depend on any fee change we put in there, so perhaps you could do one for thirty, thirty-six and one for forty. That will give us some room to deliberate. Any further questions for Secretary Jaeger. Thank you Secretary Jaeger. If not we will close the hearing on SB 2353.

Minutes: SB Regulation of notaries public.

Chairman Haas: We will look at 2353. We had asked Secretary Jaeger for a little more information on the fiscal note and he prepared this piece of paper that is specific to North Dakota, but are debate was on 25 versus the 30 dollars for six year notary public license. Any discussion?

Rep. Klemin: What was it going to take to cover the cost. He said 30 dollars was short and 35 dollars would cover the costs.

Rep. Kasper: I wonder if we would be to get from the Secretary's office a copy of the turn back dollars he has given back to the general fund over the last two or three biennium's, because I think he has been appropriated dollars in each biennium and I think he has given money back each biennium and I think he has given back money and I would like to know what that is, because he has excess money the way it is, why would we want to increase fees on people.

Rep. Grande: I think thirty-six dollars, which comes out to be six dollars per year, just to be covering the costs of what it takes to keep the notary republics informed and to up date the records

Chairman Haas: Based on what he told us when he was here testifying and the values of the newsletters that he sends out. Is that amendment.

Rep. Grande: Yes Mr. Chairman, it is page 1, line 9, from 30 to 36 dollars.

Chairman Haas: Is there a second, seconded by Rep. Sitte. Is there any discussion. If not we will take voice vote on the motion on the amendment, to insert between in dollars 36, all in favor say I, oppose say no. Motion carried. We have the amended bill before us, what are your wishes?

Rep. Meier: I move a DO PASS as AMENDED.

Chairman Haas: Rep. Meier moves a DO PASS AS AMENDED, is there a second, seconded by Rep. Amerman. Is there any further debate on the motion? If not we will take a roll call vote on DO PASS as AMENDED on SB 2353.

TO: Senator Holmberg, Chairman,
and Members of the Senate Appropriations Committee

FR: Al Jaeger, Secretary of State

RE: SB 2353 – Notary Publics

The Secretary of State's office currently has approximately 11,600 notaries listed in its database. Each notary is issued a commission for six years and is considered an officer of the state.

Section 1: On page 1, line 9, the fee to become a notary is increased from \$25 to \$50. This fee has remained virtually unchanged for 23 years. In 1983, the fee was \$20 and it was increased to \$25 in 1993.

The reason for the increase is because it currently costs the agency more than \$4.17 it now annually receives (\$25 divided by 6 years) for issuing a six-year notary commission. The new fee will cover the increased expense of maintaining the records and will allow the agency to expand services and education for notaries.

Section 2: On page 1, line 24 and on line 1 page 2, the change makes it clear that it is an infraction whenever a person acts as a notary without a commission regardless whether it has been revoked or the notary is otherwise disqualified.

Section 3: On page 2, lines 26 through 29, allows the Secretary of State to proceed with a revocation of the notary's commission if he or she is convicted of a criminal offense, which has a direct bearing on the notary's ability to serve as a notary.
