Minutes: which commends Maury Wills on his major league baseball career and urging the Committee on Baseball Veterans of the Baseball Hall of Fame to elect Maury Wills to the Baseball Hall of Fame

Senator Layton Freborg, Chairman called the meeting to order on SCR 4015,

Testimony in support of the Bill:

Senator Flakoll introduced the resolution. Maury Wills revolutionized the game of baseball, and was a coach for the F-M Redhawks baseball team. He helped earn 3 World Series victories for the Dodgers. He's been a great ambassador for baseball and for the state of ND.

Senator Lee- Earlier in the session, we had an endorsement for another famous ND baseball player, are we pitting one against another?

Senator Flakoll- I don't believe we are. They are both unique and stand on their own merits.

Senator Erbele- Has Wills been before the Hall of Fame Committee before?

Senator Flakoll- Yes, he first became eligible after 1978. There are a lot of politics in baseball.

Minutes:

Chairman Kelsch opened the hearing of SCR 4015.

Rep. Hawken introduced the bill. You are probably, unless you are a Red Hawk fan, wondering why this is here. Maury Wills was a Dodger and did major wonderful things while he was a baseball player and they are listed here. The reason this is before the ND Legislature is this gentleman has volunteered a tremendous amount of his time over the last seven years with the Fargo-Moorhead Red Hawks, working with our youth, serving as color analyst, and he is very colorful. We even now have a Maury Wills little museum at the Red Hawks stadium. He has become an integral part of the Fargo-Moorhead community and has given a great deal to the community through his love of baseball sharing that with us. You may remember that Senator Flakoll's job was as manager of the Red Hawks. He got to know Maury very well. This is one of those resolutions that unfortunately needs to add another component to say there are other people who think this man should be in the Hall of Fame. Rep. Sitte says her husband says

Roger Marris needs to go first and I certainly don't disagree with that but this would be support for another very deserving veteran. This is definitely for the Veteran's Committee because he is too old to be classified by the Sportswriter's Club. That is the reason this is before you and I ask for your support for this fine man.

Rep. Hunsakor: Do you have any idea why Maury Wills has not already made it or what his status is?

Rep. Hawken: I have absolutely no idea. The same things applies to Roger. We think they should be there. Why aren't they? I'm not sure whether the voting was different. I don't know how that all works but when you read about what he did when he was an active ball player you wouldn't question why he was there. Maybe there are just too many others that were equally as good. I just know our community has benefited greatly from this unique character and that is the reason this is before you.

Rep. Hanson: Did we do a resolution for Roger Marris?

Rep. Hawken: We did. It was very soon after the start of session and that was one of Senator Flakoll's question too. Why did we wait so long? Perhaps we needed to do Roger first to give him extra time.

There was no more testimony. Chairman Kelsch closed the hearing.

Rep. Herbel: If we were to pass something like this does it mean then that next session somebody is going introduce something to get Rep. Hanson in the Baseball Hall of Fame because he was a star too.

Chairman Kelsch: To be honest with you I don't think that would be a bad idea. We put him into that hall of fame or you put him into Education's Hall of Fame. I'm not sure but it should be one or the other.

Chairman Kelsch: What are the wishes of the Committee?

Rep. Solberg: I move a Do Pass.

Rep. Norland: I second.

 **Subject:** SCR 4015 

Chairman Freborg,

Maury Wills has been instrumental in the development of the F-M RedHawks by promoting both the team and also Newman Outdoor Field. The Maury Wills Museum, located at this facility, is an outstanding addition to the stadium and has been viewed by many attendees of the baseball games.

The City of Fargo is proud to support this resolution to properly recognize Maury Wills for his accomplishments in major league baseball. We ask your committee to recommend its passage to the full Senate. Thank you for your positive consideration.

Have a great day!
Bruce Furness
