Not more than one name may be written or printed on any sticker. The provisions of this title do not prevent any elector from writing on the paper ballot, or in the case of direct-recording electronic voting system devices, entering by touchscreen or other data entry device, the name of any person for whom the elector desires to vote, and such vote must be counted according to the provisions for the counting of write-in votes found in section 16.1-12-02.2.~~

SECTION 12. AMENDMENT. Subsection 1 of section 16.1-12-02.2 of the North Dakota Century Code is amended and reenacted as follows:

 - c. Statement concerning the candidates.
 - d. Name written or printed by the voter for an office that did not also include the darkening of the oval next to the write-in line, except that a write-in candidate for a nonfederal office may make a timely written demand to a county canvassing board to identify and preserve any write-in vote cast for the office sought by the write-in candidate for canvass by the board. The candidate shall deliver the demand to the county auditor and a copy to the clerk of district court no later than thirty-six hours before the time the county canvassing board is scheduled to meet. A demand only may be made if the unofficial election results maintained by the county auditor demonstrate that the write-in candidate's known vote total is within the pertinent percentage limits provided in subsection 1 or 2 of section 16.1-16-01 and a statement to that effect is included in the demand. After delivery of the ballots as provided by section 16.1-15-08, the canvassing board shall review the ballots to identify any ballot that contains a write-in vote. The county canvassing board shall tally and canvass any write-in vote in the same manner as lawful or qualifying write-in votes if the canvassing board is able to clearly ascertain the intent of the voter from examining the ballot because the write-in candidate's name has been written on the ballot opposite the office to be voted for or because of any other cogent evidence of intent.
 - e. Write-in votes which constitute five percent or less of the votes cast by the voters for the candidate receiving the most votes for that office, except in the case of a primary election where enough votes were cast as write-in votes to qualify a name for the general election ballot. This percentage is to be calculated based on the total number of write-in votes tabulated by the voting equipment in the precincts of the county in which that office was on the ballot.

- f. Write-in votes that do not need to be individually canvassed based on the requirements of this subsection must be listed on the county canvass report as "scattered write-ins".

1. ~~The paper ballot is considered stamped if it is either stamped with a stamp and an inepad or has the stamped information preprinted on the paper ballot, as provided in section 16.1-06-18.~~
2. At primary elections, the inspector or judge shall also inform each elector that if the elector splits the party ballot or votes for candidates of more than one party the elector's party ballot will be rejected.

Before delivering any paper ballot to an elector, the inspector or judge shall stamp once in the rectangle provided on the ballot, if required under subsection 1, the designation "official ballot" and the other words provided for in section 16.1-06-18, and also shall initial the ballot. Failure to stamp and initial a paper ballot in the proper place does not invalidate the ballot, but a complete failure to stamp and initial a paper ballot does invalidate the ballot.

SECTION 15. AMENDMENT. Section 16.1-13-23 of the North Dakota Century Code is amended and reenacted as follows:

16.1-13-23. Preparation of ballot by elector —Folding - Depositing - Second-chance voting. Upon receipt of a ballot within the provided secrecy sleeve, the elector, forthwith and without leaving the polling place, shall retire alone to one of the voting booths or compartments to prepare the elector's ballot by ~~placing a crossmark (X) or other mark which clearly shows the intention of the elector within the square~~ darkening the oval opposite the name of each person for whom the elector wishes to vote. In the case of a ballot containing a constitutional amendment, an initiated or referred measure, or any other question to be submitted to a vote of the people, the elector shall ~~place the crossmark (X) or other mark within the square~~ darken the oval opposite the word or words expressing the elector's wish. After preparing the ballot, the elector shall ~~fold it so the face of~~ place the ballot back in the provided secrecy sleeve so it is concealed and so the endorsement of the inspector or election judge stamped thereon may be seen. The elector then shall ~~hand the ballot to the judge, who, without opening the same or permitting it to be opened or examined except to ascertain whether it is a single ballot and whether it has been stamped and initialed, shall deposit it the ballot in the optical scanning device and wait to determine if the ballot is deposited into the ballot box or if the optical scanning device has indicated a possibility for a second-chance voting condition. In precincts which use an electronic counting device, the ballot need not be folded before handing the ballot to the judge. If a second-chance voting condition is indicated, a voter may spoil and receive up to two additional ballots. The voter's third ballot must be cast as is even if errors exist causing certain votes not to be counted.~~

SECTION 16. AMENDMENT. Section 16.1-13-25 of the North Dakota Century Code is amended and reenacted as follows:

16.1-13-25. Elector may write or paste name on ballot - Counting. The provisions of this title do not prevent any elector from writing or pasting on the paper ballot, or in the case of direct-recording electronic voting system devices, entering by touchscreen or other data entry device, the name of any person for whom the elector desires to vote, and such vote must be counted ~~the same as if printed on the ballot and marked by the elector~~ according to the provisions for the counting of write-in votes found in section 16.1-12-02.2.

SECTION 17. AMENDMENT. Section 16.1-15-08 of the North Dakota Century Code is amended and reenacted as follows:

16.1-15-08. Wrapping and returning of ballots to clerk of the district court. After having prepared the reports and poll lists provided for in section 16.1-15-06 for delivery to the county auditor, the election board shall cause the ballots of each kind cast at the election to be placed in a suitable wrapper to form a complete wrapper for the ballots. The ballots and wrappers must then be tightly secured at the outer end to completely envelop and hold the ballots together. Ballots that are void must be secured in a separate wrapper and must be marked "void". Ballots that are spoiled must be separately secured and marked "spoiled". In sealing ballots, the various classes of ballots must be kept separate. Each wrapper must be endorsed with the name or number of the precinct and the date on which the election was held. The wrappers must be sealed securely in a manner prescribed by the secretary of state so the wrappers cannot be opened without an obvious and permanent breaking of the seal. The ballots, together with those found void or spoiled, and the opened envelopes from voted absentee ballots and the unopened envelopes of absentee ballots rejected as defective, must be returned in person to the clerk of the district court. At the meeting of the county canvassing board, the clerk of the district court shall deliver each ballot that may contain a write-in vote referenced in a demand made under subsection 1 of section 16.1-12-02.2. Ballots used with any electronic voting system or counted by an electronic counting machine must be sealed and returned as provided in this section.
