¹ Additional general fund support is added to replace a portion of the anticipated reduction in federal funds available for drug enforcement activities of the Bureau of Criminal Investigation and the crime lab. Sections are added to the bill providing:

- If federal funds are received for these drug enforcement purposes, the Attorney General may seek Emergency Commission approval to receive and spend the federal funds but may not spend this funding from the general fund.
- Legislative intent that the Attorney General prioritize its 2005-07 biennium funding to continue, to the extent possible, the drug enforcement activities which were previously paid for from federal Byrne grant funds.

² Funding added in the executive budget of \$157,957 from the general fund for an additional Bureau of Criminal Investigation agent and \$106,467 for an additional lab forensic scientist is reallocated to provide for the anticipated reduction in federal funds available for drug enforcement activities of the Bureau of Criminal Investigation and the crime lab. The 2 FTE positions added in the executive budget for these new positions are removed.

³ Funding from Racing Commission special funds included in the executive budget for the Racing Commission executive director's salary and fringe benefits is reduced to provide for the current estimate of the amount needed for the director's salary and fringe benefits for the 2005-07 biennium.

⁴ The operating expenses line item is increased by \$25,320 from the general fund for costs of processing DNA samples of sexual offenders required by House Bill No. 1061.

A new section is added to the bill allowing the Attorney General to retain the June 30, 2005, balance in the Attorney General refund fund estimated to be \$213,697, rather than transferring the balance to the general fund as required by North Dakota Century Code Section 54-12-18. As this amount was not reflected in the 2005-07 executive revenue forecast, there will be no general fund budget status impact.

A new section is added directing the Attorney General to work with federal prosecutors to determine whether the state of North Dakota should be included as a plaintiff in federal Medicare and Medicaid fraud cases.
