

Introduced by

1 A BILL for an Act to create and enact a new chapter to title 43 of the North Dakota Century
2 Code, relating to the licensing of professional employer organizations; and to provide a penalty.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new chapter to title 43 of the North Dakota Century Code is created and
5 enacted as follows:

6 **Definitions.** As used in this chapter:

- 7 1. "Administrative fee" means the fee charged to a client by a professional employer
8 organization for professional employer services. The term does not include any
9 amount of a fee which is for wages and salaries, benefits, workers' compensation
10 coverage, payroll taxes, withholding, or other assessment paid by the professional
11 employer organization to or on behalf of a covered employee under a professional
12 employer agreement.
- 13 2. "Client" means any person that enters a professional employer agreement with a
14 professional employer organization.
- 15 3. "Coemployer" means either a professional employer organization or a client.
- 16 4. "Coemployment relationship" means a relationship that is intended to be an
17 ongoing relationship rather than a temporary or project-specific relationship,
18 wherein the rights, duties, and obligations of an employer which arise out of an
19 employment relationship have been allocated between coemployers under a
20 professional employer agreement and this chapter.
- 21 5. "Covered employee" means an individual having a coemployment relationship with
22 a professional employer organization and a client, who has received written notice
23 of coemployment with the professional employer organization, and whose
24 coemployment relationship is under a professional employer agreement subject to

1 this chapter. An individual who is an officer, director, shareholder, partner, or
2 manager of the client is a "covered employee" to the extent the professional
3 employer organization and the client have expressly agreed in the professional
4 employer agreement that the individual is a covered employee and if the individual
5 meets the criteria of this subsection and acts as an operational manager or
6 performs day-to-day operational services for the client.

7 6. "Licensee" means a professional employer organization licensed under this
8 chapter.

9 7. "Professional employer agreement" means a written contract between a client and
10 a professional employer organization which provides for the coemployment of a
11 covered employee, for the allocation of employer rights and obligations between
12 the client and the professional employer organization with respect to a covered
13 employee, and the assumption of the responsibilities required by this chapter.

14 8. "Professional employer organization" means a person engaged in the business of
15 providing professional employer services. The term does not include an
16 arrangement through which a person that does not have as its principal business
17 activity the practice of entering a professional employer arrangement and does not
18 hold itself out as a professional employer organization and that shares an
19 employee with a commonly owned company within the meaning of section 414(b)
20 and (c) of the Internal Revenue Code of 1986; an independent contractor
21 arrangement through which a person assumes responsibility for a product
22 produced or a service performed by the person or the person's agents and retains
23 and exercises primary direction and control over the work performed by an
24 individual whose services are supplied under the arrangement; or the provision of
25 temporary help services.

26 9. "Professional employer services" means the entering of a coemployment
27 relationship under this chapter under which at least a majority of the employees
28 providing services to a client are covered employees.

29 10. "Temporary help services" means services consisting of a person recruiting and
30 hiring its own employees; finding another organization that needs the services of
31 those employees; assigning those employees to perform work at or services for the

1 other organization to support or supplement the other organization's workforce, to
2 provide assistance in special work situations, such as an employee absence, skill
3 shortage, or seasonal workload or to perform a special assignment or project; and
4 customarily attempting to reassign the employees to another organization when the
5 employers finish each assignment.

6 **Rights, duties, and obligations unaffected.**

- 7 1. Neither this chapter nor a professional employer agreement may affect, modify, or
8 amend a collective bargaining agreement or any right or obligation of a client,
9 professional employer organization, or covered employee under federal law.
- 10 2. Neither this chapter nor a professional employer agreement may:
- 11 a. Diminish, abolish, or remove any right of a covered employee to a client or
12 obligation of the client to a covered employee existing before the effective
13 date of the professional employer agreement.
- 14 b. Affect, modify, or amend any contractual relationship or restrictive covenant
15 between a covered employee and a client in effect at the time a professional
16 employer agreement becomes effective or prohibit or amend a contractual
17 relationship or restrictive covenant that is entered subsequently between a
18 client and a covered employee.
- 19 3. A professional employer organization is not responsible and may not incur any
20 liability in connection with or arising out of any contractual relationship or restrictive
21 covenant unless the professional employer organization has specifically agreed
22 otherwise in writing.
- 23 4. A covered employee who is required under law to be licensed, registered, or
24 certified is deemed solely an employee of the client for purposes of the license,
25 registration, or certification requirement.
- 26 5. Unless otherwise provided by this chapter, a professional employer organization is
27 not deemed to engage in any occupation, trade, profession, or other activity that is
28 subject to licensing, registration, or certification requirements or is otherwise
29 regulated solely by entering and maintaining a coemployment relationship with a
30 covered employee who is subject to the requirement.

- 1 6. A client has the sole right of direction and control of the professional or licensed
2 activities of a covered employee and of the client's business. The covered
3 employee and client remain subject to regulation by the entity responsible for
4 licensing, registration, or certification of the covered employee or client.
- 5 7. For purposes of determination of a tax credit or other economic incentive based on
6 employment, a covered employee is deemed an employee solely of the client. A
7 client is entitled to the benefit of any tax credit, economic incentive, or other benefit
8 arising as the result of the employment of a covered employee of the client. If the
9 grant or amount of the incentive is based on the number of employees, each client
10 must be treated as employing only those covered employees coemployed by the
11 client. A covered employee working for another client of the professional employer
12 organization may not be counted. Each professional employer organization shall
13 provide, upon request by a client or an agency or department of the state,
14 employment information reasonably required for administration of the tax credit or
15 economic incentive and which is necessary to support any request, claim,
16 application, or other action by a client seeking the tax credit or economic incentive.
- 17 8. With respect to a bid, contract, purchase order, or agreement entered with the
18 state or a political subdivision, a client company's status or certification by any
19 agency of this state as a small, minority-owned, disadvantaged, or woman-owned
20 business enterprise or as a historically underutilized business is not affected
21 because the client company has entered an agreement with a professional
22 employer organization or uses the services of a professional employer
23 organization.

24 **Licensing requirements.**

- 25 1. After the effective date of this Act, a person may not provide, advertise, or
26 otherwise hold itself out as providing professional employer services, unless the
27 person is licensed under this chapter. A person engaged in the business of
28 providing professional employer services shall obtain a license regardless of its
29 use of the term or conducting business as a "professional employer organization",
30 "staff leasing company", "registered staff leasing company", "employee leasing
31 company", "administrative employer", or any other name.

2. Each applicant for licensure shall provide the secretary of state with the following information:

- a. The name of the professional employer organization and any name under which the professional employer organization intends to conduct business in this state.
- b. The designation of organization of the applicant whether domestic or foreign; a corporation, limited liability company, general partnership, limited partnership, limited liability partnership, limited liability limited partnership, sole proprietor, or any other person subject to a governing statute; and the jurisdiction of origin of the organization.
- c. The address of the principal place of business of the professional employer organization and the address of each office it maintains in this state.
- d. The professional employer organization's taxpayer or employer identification number.
- e. A list by jurisdiction of each name under which the professional employer organization has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, successor business entities.
- f. A statement of ownership, which must include the name, address, and evidence of the business experience of any person that owns or controls twenty-five percent or more of the equity interests of the professional employer organization.
- g. A statement of management, which must include the name, address, and evidence of the business experience of any person who serves as president, chief executive officer, or otherwise has the authority to act as a senior executive officer of the professional employer organization.
- h. A financial statement, audited and verified by an independent certified public accountant licensed to practice in the jurisdiction in which the accountant is located, as of a date not earlier than one hundred eighty days before the date submitted to the secretary of state, which is prepared in accordance with generally accepted accounting principles. The financial statement must set

1 forth the financial condition of the professional employer organization over the
2 most recent twelve-month operating period and must clearly define the net
3 worth of the professional employer organization. A professional employer
4 organization that has not had sufficient operating history to have a financial
5 statement based upon at least twelve months of operating history shall meet
6 the financial capacity requirements under this chapter and present a financial
7 statement as provided under this subdivision for the entire period of its
8 operation.

9 3. A license issued under this section is valid for one year.

10 4. Within sixty days before the expiration of a license, the licensee may apply to
11 renew the license by submitting to the secretary of state the information required in
12 subsection 2 along with the required license fee.

13 5. A person applying for licensure or a renewal of licensure shall maintain
14 continuously its organization's applicable records current and in good standing as
15 otherwise required by law.

16 6. The secretary of state shall maintain a list of professional employer organizations
17 licensed under this chapter.

18 **Fees.**

19 1. Upon filing of an application for a license, a professional employer organization
20 shall pay a fee of one thousand dollars.

21 2. Upon filing of an application for renewal of a license, a professional employer
22 organization shall pay a fee of five hundred dollars.

23 3. Any fees collected under this chapter must be deposited in the secretary of state's
24 operating fund.

25 **Financial capability.** A professional employer organization shall maintain either:

26 1. A minimum net worth of one hundred thousand dollars as reflected in the financial
27 statement submitted to the secretary of state with the license application and each
28 annual renewal; or

29 2. A bond with a minimum value of one hundred thousand dollars as reflected in the
30 financial statement submitted to the secretary of state. The bond must be held by
31 the secretary of state and secure payment by the professional employer

organization of any tax, wage, benefit, or other entitlement due to or with respect to a covered employee if the professional employer organization does not make the payment when due. A bond provided under this section may not be included for the purpose of calculation of the minimum net worth required by this section.

General requirements.

1. Except as specifically provided in this chapter or in a professional employer agreement, in each coemployment relationship:
 - a. The client is entitled to exercise all rights and is obligated to perform all duties and responsibilities otherwise applicable to an employer in an employment relationship.
 - b. The professional employer organization is entitled to exercise only those rights and obligated to perform only those duties and responsibilities specifically required by this chapter or set forth in the professional employer agreement. The rights, duties, and obligations of the professional employer organization as coemployer with respect to any covered employee are limited to those arising under the professional employer agreement and this chapter during the term of coemployment by the professional employer organization of the covered employee.
 - c. Unless otherwise expressly agreed by the professional employer organization and the client in a professional employer agreement, the client retains the exclusive right to direct and control any covered employee as is necessary to conduct the client's business, to discharge any of the client's fiduciary responsibilities, or to comply with any licensure requirements applicable to the client or to a covered employee.
2. Except as specifically provided in this chapter, a coemployment relationship between the client and the professional employer organization, and between each coemployer and each covered employee, must be governed by the professional employer agreement. Each professional employer agreement must include:
 - a. The allocation of rights, duties, and obligations.
 - b. A statement providing that the professional employer organization shall pay wages to any covered employee; to withhold, collect, report, and remit

1 payroll-related and unemployment taxes; and, to the extent the professional
2 employer organization has assumed responsibility in the professional
3 employer agreement, to make payments for employee benefits for covered
4 employees. As used in this subdivision, the term "wages" does not include
5 any obligation between a client and a covered employee for payments beyond
6 or in addition to the covered employee's salary, draw, or regular rate of pay,
7 such as a bonus, commission, severance pay, deferred compensation, profit
8 sharing, or vacation, sick, or other paid time off, unless the professional
9 employer organization has expressly agreed to assume liability for the
10 payments in the professional employer agreement.

11 c. A statement providing that the professional employer organization has the
12 right to hire, discipline, and terminate a covered employee as may be
13 necessary to fulfill the professional employer organization's responsibilities
14 under this chapter and the professional employer agreement and that the
15 client has the right to hire, discipline, and terminate a covered employee.

16 d. A statement addressing the responsibility to obtain workers' compensation
17 coverage.

18 3. Under each professional employer agreement entered by a professional employer
19 organization, the professional employer organization shall provide written notice to
20 each covered employee affected by the agreement of the general nature of the
21 coemployment relationship.

22 4. Except to the extent otherwise expressly provided by a professional employer
23 agreement:

24 a. A client is solely responsible for the quality, adequacy, or safety of the goods
25 or services produced or sold in the client's business.

26 b. A client is solely responsible for directing, supervising, training, and controlling
27 the work of a covered employee with respect to the business activities of the
28 client and solely responsible for any act, error, or omission of a covered
29 employee relating to those activities.

30 c. A client is not liable for any act, error, or omission of a professional employer
31 organization or of any covered employee of the client and a professional

1 employer organization if the covered employee is acting under the express
2 direction and control of the professional employer organization.

3 d. A professional employer organization is not liable for any act, error, or
4 omission of a client or of any covered employee of the client if the covered
5 employee is acting under the express direction and control of the client.

6 e. This subsection does not limit any contractual liability or obligation specifically
7 provided in the written professional employer agreement.

8 f. A covered employee is not, solely as the result of being a covered employee
9 of a professional employer organization, an employee of the professional
10 employer organization for purposes of general liability insurance, fidelity bond,
11 surety bond, employer's liability not covered by workers' compensation, or
12 liquor liability insurance carried by the professional employer organization
13 unless the covered employee is included by specific reference in the
14 professional employer agreement and applicable prearranged employment
15 contract, insurance contract, or bond.

16 5. A professional employer organization is not engaged in the sale of insurance or in
17 acting as a third-party administrator by offering, marketing, selling, administering,
18 or providing professional employer services which include services and employee
19 benefit plans for a covered employee.

20 **Benefit plans.**

21 1. Both a client and a professional employer organization are deemed to be an
22 employer for purposes of sponsoring retirement and welfare benefit plans for a
23 covered employee.

24 2. A fully insured welfare benefit plan offered to the covered employees of a
25 professional employer organization is considered a single employer welfare benefit
26 plan and may not be considered a multiple employer welfare arrangement.

27 3. For purposes of chapter 26.1-36.3, a professional employer organization is
28 considered the employer of all of its covered employees, and all covered
29 employees of any client participating in a health benefit plan sponsored by a single
30 professional employer organization are considered employees of the professional
31 employer organization.

- 1 4. If a professional employer organization offers to its covered employees any health
2 benefit plan that is not fully insured by an authorized insurer, the plan must:
3 a. Utilize an authorized third-party administrator;
4 b. Hold all plan assets, including participant contributions, in a trust account;
5 c. Provide sound reserves for the plan as determined using generally accepted
6 actuarial standards; and
7 d. Provide written notice to each covered employee participating in the benefit
8 plan that the plan is self-insured or is not fully insured.

9 **Disciplinary actions - Complaints - Adjudicative proceedings - Penalties -**
10 **Appeals.**

- 11 1. The secretary of state may:
12 a. Deny an application for a professional employer organization license;
13 b. Suspend a professional employer organization license for a period of not
14 more than sixty months;
15 c. Request the attorney general to bring an action in district court to recover
16 restitution or penalties imposed under this chapter; or
17 d. Not renew or issue a new professional employer organization license until a
18 professional employer organization has paid any civil penalty or restitution
19 imposed under this chapter.
20 2. Any person acting in the capacity of a professional employer organization without a
21 license is guilty of a class A misdemeanor. In addition to the license fee due if the
22 person subsequently applies for a license, the person may be assessed a civil
23 penalty by the secretary of state, following written notice to the person of an intent
24 to assess the penalty, in an amount not to exceed three times the amount of the
25 license fee.
26 3. An individual may file a duly verified complaint with the secretary of state charging
27 that the professional employer organization is guilty of any of the following:
28 a. The conviction of the professional employer organization or a controlling
29 person of the professional employer organization of a crime that relates to the
30 operation of the professional employer organization or which relates to fraud
31 or deceit or the ability of the professional employer organization or the

- 1 controlling person of the professional employer organization to operate the
2 professional employer organization;
- 3 b. An individual knowingly making a material misrepresentation or providing
4 false or fraudulent information to the secretary of state or other governmental
5 agency; or
- 6 c. A willful violation of this chapter.
- 7 4. A complaint must be on a form approved by the secretary of state and must set
8 forth sufficient facts upon which a reasonable individual could conclude that any of
9 the acts or omissions in subsection 3 has been committed.
- 10 5. The secretary of state shall review a complaint filed under this section. If the
11 secretary of state determines a complaint provides sufficient facts upon which a
12 reasonable individual could conclude that one or more of the acts or omissions set
13 forth in subsection 3 has been committed, the secretary of state may initiate an
14 adjudicative proceeding under chapter 28-32. If, after an adjudicative proceeding
15 or as part of an informal disposition under chapter 28-32, the secretary of state
16 determines that the professional employer organization is guilty of an act or
17 omission charged or if the licensee admits guilt to an act or omission charged, the
18 secretary of state may:
- 19 a. Suspend or revoke the professional employer organization license;
20 b. Order an administrative penalty of not more than one thousand dollars for
21 each material violation;
- 22 c. Order restitution in an amount not exceeding five thousand dollars;
23 d. Issue a cease and desist order; or
24 e. Impose a lesser sanction or remedy.
- 25 6. Any act or omission under subsection 3 may also constitute grounds for the
26 attorney general to bring an action under chapter 51-15 and may subject the
27 professional employer organization to all provisions, procedures, remedies, and
28 penalties provided for in chapter 51-15.
- 29 7. A professional employer organization aggrieved by a decision of the secretary of
30 state in denying, revoking, or suspending the professional employer organization

1 license or ordering restitution or penalties may appeal the decision to the district
2 court of Burleigh County.

3 8. A professional employer organization may not obtain a license under any name
4 after the denial of an application for a license or during the period of a revocation or
5 suspension. For the purposes of this subsection, a professional employer
6 organization that has had an application for a license denied or which has had a
7 license revoked or suspended includes any officer, director, agent, member, or
8 employee of the professional employer organization.
