HB_1267 creates and enacts a new section to chapter 50-25.1 of the ND Century Code relating to the duties of the department of human services with respect to child protective services and the training requirements. If passed county social service staff would have to attend a one time initial training session to be in compliance. Costs would consist of travel and per diem expenditures for the Counties. In future bienniums the curriculum would be included in the "Certification of Child Welfare Practitioners" training that is already required.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

No fiscal impact on the Department of Human Services. The department of Human Services would add the additional training curriculum proposed in HB_1267 to the Child Welfare training contract with the University of North Dakota. There would be a fiscal impact on the counties for per diem costs.

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

The University of North Dakota training contract is already included in the 2005-2007 budget request
