WHEREAS, the Legislative Assembly finds that the state of North Dakota has a compelling and paramount interest in ensuring that all children born in this state are born to parents who want them and are capable of loving and caring for them; and

WHEREAS, the Legislative Assembly finds that the life of all human beings should be treated with dignity and respect; and

WHEREAS, teenage pregnancies and unplanned and unwanted pregnancies impose significant health and psychological risks to pregnant teens and women; and

WHEREAS, Title X, a federally funded, nationwide program, has provided comprehensive family planning services to millions of low-income and moderate-income women continuously since 1971; and

WHEREAS, each year, publicly supported contraceptive services help prevent 1.3 million unintended pregnancies and thereby prevent an estimated 632,000 abortions annually; and

WHEREAS, research indicates that 7 percent of all women in the United States use no contraceptives, and that these women account for approximately one-half of all abortions; and

WHEREAS, family planning providers play a major role in the effort to prevent teen pregnancy in the United States, by providing educational programs about sexuality, pregnancy prevention, and personal responsibility, which efforts have resulted in declining teen pregnancy rates for each of the past 12 years; and

WHEREAS, a majority of Americans, 57 to 59 percent, consistently indicate that they want abortions to remain legal, but an even larger majority, 69 percent, consistently indicate that they oppose late-term abortions; and

WHEREAS, these statistics indicate that the majority of American citizens have a certain ambivalence about abortion, and would likely accept additional regulation of late-term abortions, but that they do not support a human life amendment that would outlaw all abortions;

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:

That the Fifty-ninth Legislative Assembly strongly urges the Congress of the United States to increase funding for Title X family planning programs, to increase funding for teen pregnancy prevention programs, and to enact legislation to expand insurance coverage for prescription birth control; and

BE IT FURTHER RESOLVED, that the Fifty-ninth Legislative Assembly strongly urges the Congress of the United States not to support an amendment to the Constitution of the United States that would have the effect of outlawing all abortions; and

BE IT FURTHER RESOLVED, that the Secretary of State forward copies of this resolution to the Governor of North Dakota, the Chief Justice of the North Dakota Supreme Court, the Speaker of the United States House of Representatives, the President of the United States Senate, and to each member of the North Dakota Congressional Delegation."

2. The office of the legislative council may prescribe a format, style, and arrangement for rules which are to be published in the code, and may refuse to accept the filing of any rule that is not in substantial compliance therewith. In arranging rules for publication, the office of the legislative council may make such corrections in spelling, grammatical construction, format, and punctuation of the rules as deemed proper. The office of the legislative council shall keep and maintain a permanent code of all rules filed, including superseded and repealed rules, which must be open to public inspection during office hours.
3. The office of the legislative council shall compile and publish the North Dakota Administrative Code supplement, ~~in this chapter referred to as the~~

~~code supplement, the month after the month that rules are submitted to the office of the legislative council for publication unless technological problems or lack of funds prevent the publication at that time. Any delayed supplements must be published as soon as the technological problems are resolved or the necessary funds are available according to the schedule of effective dates of rules in section 28-32-15.~~

- a. ~~The code supplement must contain all rules that have been filed with the office of the legislative council or which have become effective since the compilation and publication of the preceding issue of the code supplement. The office of the legislative council, with the consent of the adopting agency, may omit from the code or code supplement any rule the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if the rule in printed or duplicated form is made available on application to the agency, and if the code or code supplement contains a notice stating the general subject matter of the omitted rule and stating how a copy may be obtained.
 5. The code must be arranged, indexed, and printed or duplicated in a manner to permit separate publication of portions thereof relating to individual agencies. An agency may print as many copies of such separate portions of the code as it may require. If the office of the legislative council does not publish the code supplement due to technological problems or lack of funds, the agency whose rules would have been published in the code supplement shall provide a copy of the rules to any person upon request. The agency may charge for the actual cost of providing copies of the rules."

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to create and enact a new chapter to title 51 of the North Dakota Century Code, relating to identity fraud; and to provide a penalty.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new chapter to title 51 of the North Dakota Century Code is created and enacted as follows:

Definitions.

1. "Consumer" means an individual.
2. "Consumer report" has the same meaning as provided in 15 U.S.C. 1681a(d).
3. "Consumer reporting agency" means any person that, for monetary fees or dues or on a cooperative nonprofit basis, regularly engages in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties, and which uses any means or facility of interstate or intrastate commerce for the purpose of preparing or furnishing consumer reports. The term does not include an agency that compiles and maintains files on consumers on a nationwide basis, as described in 15 U.S.C. 1681a(p).
4. "File", when used in connection with information on any consumer, means all of the information on that consumer reported and retained by a consumer reporting agency regardless of how the information is stored.

Initial fraud alerts. Upon the direct request of a consumer or an individual acting on behalf of or as a personal representative of a consumer, who asserts in good faith a suspicion that the consumer has been or is about to become a victim of fraud or related crime, including identity theft, a consumer reporting agency that maintains a file on the consumer and has received appropriate proof of the identity of the requester shall include a fraud alert in the file of that consumer. The consumer reporting agency shall continue that alert along with any credit score generated in using that file, for a period of not less than ninety days beginning on the date of the request, unless the consumer or the consumer's representative requests that the fraud alert be removed before the end of the period and the agency has received appropriate proof of the identity of the requester for that purpose.

Extended fraud alerts. Upon the direct request of a consumer or an individual acting on behalf of or as a personal representative of a consumer, who asserts in good faith a suspicion that the consumer has been or is about to become a victim of fraud or related crime, including identity theft, a consumer reporting agency that maintains a file on the consumer and has received appropriate proof of the identity of the requester shall:

1. Include a fraud alert in the file of that consumer and continue that alert along with any credit score generated in using that file, during the seven-year period beginning on the date of the request, unless the consumer or the consumer's representative requests that the fraud alert be removed before the end of that period and the agency has received appropriate proof of the identity of the requester for that purpose; and
2. During the five-year period beginning on the date of the request, exclude the consumer from any list of consumers prepared by the consumer reporting agency and provided to any third party to offer credit or insurance to the consumer as part of a transaction that was not initiated by the consumer, unless the consumer or the consumer's representative requests that the exclusion be rescinded before the end of that period.

Police reports - Judicial determination of factual innocence.

1. An individual who has learned or reasonably suspects that the individual's personal identifying information has been unlawfully used by another, as described in section 12.1-23-11, may initiate a law enforcement investigation by contacting the local law enforcement agency that has jurisdiction over the individual's residence. The law enforcement agency shall take a report of the matter, provide the individual with a copy of that report, and begin an investigation of the facts. If the suspected crime was committed in a different jurisdiction, the local law enforcement agency may refer the matter to the law enforcement agency where the suspected crime was committed for further investigation of the facts.
2. An individual who reasonably believes that the individual is the victim of identity theft may petition the district court in the county in which the alleged victim resides or in which the identity theft is alleged to have occurred, or the court, on its own motion or upon application of the state's attorney, may move for an expedited judicial determination of the individual's factual innocence, if the perpetrator of the identity theft was arrested, cited, or convicted of a crime under the victim's identity, if a criminal complaint has been filed against the perpetrator in the victim's name, or if the victim's identity has been mistakenly associated with a record of criminal conviction. Any judicial determination of factual innocence made under this section may be heard and determined upon declarations, affidavits, police reports, or other material, relevant, and reliable information submitted by the parties or ordered to be part of the record by the court. If the court determines that the petition or motion is meritorious and that there is no reasonable cause to believe that the victim committed the offense for which the perpetrator of the identity theft was arrested, cited, convicted, or subject to a criminal complaint in the victim's name, or that the victim's identity has been mistakenly associated with a record of criminal conviction, the court shall find the victim factually innocent of that offense. If the victim is found factually innocent, the court shall issue an order certifying that determination.
3. After a court has issued a determination of factual innocence under this section, the court may order the name and associated personal identifying

information contained in court records, files, and indexes accessible by the public deleted, sealed, or labeled to show that the data is impersonated and does not reflect the defendant's identity.

4. A court that has issued a determination of factual innocence under this section may vacate that determination if the petition or any information submitted in support of the petition is found to contain any material misrepresentation or fraud.

Enforcement - Powers - Remedies - Penalties. The attorney general may enforce this chapter. In enforcing this chapter, the attorney general has all the powers provided in this chapter or chapter 51-15 and may seek all remedies in this chapter or chapter 51-15. A violation of this chapter constitutes a violation of chapter 51-15. The remedies, duties, prohibitions, and penalties of this chapter are not exclusive and are in addition to all other causes of action, remedies, and penalties as provided in chapter 51-15 and as otherwise provided by law."
