REMARKS OF MAJORITY LEADER BERG

Hard work built America, but citizens like Martin Luther King Jr. made it a better place. He peacefully demanded the rights that were endowed by the creator, and denied to him by man. His is the story of the birth of our nation, both battled men for God given rights. His life represents what is best in America.

Freedom comes at a price and it carries inherent risk. Dr. King knew the risk he was taking when he stood up to speak or sat down to protest. Yet he did, and we are a better country because he did. Unfortunately a system like ours, which produces a Lincoln or a King, can also produce a Booth or a Ray. His death represents the worst in America.

Martin Luther King understood and so often eloquently spoke of the possibilities of America, and his dream of a better world. My favorite part of his famous speech: "I have a dream that my children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character."

America is, as he was, a work in progress, with success, failure and imperfection. He would tell us never to give up, to keep moving forward with the idea of freedom. His dream represents what is possible in America.

REMARKS OF MINORITY LEADER BOUCHER

I would like to concur with the comments made by my colleague, the Majority Leader, Rep. Berg.

Dr. Martin Luther King is indeed a great American and a great citizen of the world. His efforts to promote justice and equality are examples of all mankind.

It is only fitting that a day has been set aside in honor of the great American. It is unfortunate that his life was cut short and he could not still be with us today to continue his great agenda forward.

As we pay respect to him today, I ask that we remember his famous "I have a dream" speech. Martin Luther King had a dream that someday children of color will sit at the same table with other children as equals and with mutual respect for one another.

I ask that we too in this chamber as Democrats and Republicans can sit at the same table with each other as equals and with respect for each other, so that we too can do what's best for North Dakota and our Country.

MOTION

REP. MONSON MOVED that the remarks of Rep. Berg and Rep. Boucher be printed in the Journal, which motion prevailed.

ANNOUNCEMENT

CHIEF CLERK REICH ANNOUNCED the appointments to the Memorial Committee: Rep. Herbel, Co-Chairman; Rep. Hawken, Co-Chairperson; Rep. Vigasaa; Rep. Aarsvold; and Rep. Metcalf.

POINT OF PERSONAL PRIVILEGE

REP. KINGSBURY: Mr. Speaker: I rise on a point of personal privilege.

It was 50 years ago, at the start of the '56-'57 season, that the Alsen Broncos began a run that would include two straight 34-0 seasons, back to back Class C State Championships and a winning streak that would reach '79 before it was over.

I'm standing beside Rep. Herbel, a starter on the two State Championship teams. Quoting his brother Ray "We never went into a game where we thought we would lose." That's the Herbel spirit.

In March, the 50 Year Anniversary will be recognized during the Class B boys State Tournament in Bismarck.

This story of the Amazing Alsen run appeared in the Grand Forks Herald, written by Greg De Villers.

REQUEST

REP. KINGSBURY REQUESTED that her remarks be printed in the Journal, which request was granted.
