"SECTION 6. AMENDMENT. Section 23-01-05.3 of the North Dakota Century Code is amended and reenacted as follows:

23-01-05.3. Immunization data.

1. The state department of health may establish an immunization information system and may require the childhood immunizations specified in subsection 1 of section 23-07-17.1 and other information be reported to the department. The state department of health may only require the reporting of childhood immunizations and other data upon completion of the immunization information reporting system. A health care provider who administers a childhood immunization shall report the patient's identifying information, the immunization that is administered, and other required information to the department. The report must be submitted using electronic media, and must contain the data content and use the format and codes specified by the department.
2. Notwithstanding any other provision of law, a health care provider, elementary or secondary school, early childhood facility, public or private postsecondary educational institution, city or county board of health, district health unit, and the state health officer may exchange immunization data in any manner with one another. Immunization data that may be exchanged under this section is limited to the date and type of immunization administered to a patient and may be exchanged regardless of the date of the immunization.

SECTION 7. A new section to chapter 23-39 of the North Dakota Century Code is created and enacted as follows:

License fees. The fees established by the department must be based on the cost of conducting routine and complaint inspections, enforcement action, and preparing and sending license renewals. License fees collected pursuant to this chapter must be deposited in the department's operating fund in the state treasury and any expenditure from the fund is subject to appropriation by the legislative assembly. The department shall waive all or a portion of the license fee for any tanning facility that is subject to local jurisdiction.

The department shall accept city or county enforcement of this chapter if the department determines the city or county requirements meet or exceed the requirements of this chapter and any rules promulgated under this chapter.

SECTION 8. LEGISLATIVE INTENT - MEDIA CAMPAIGNS. It is the intent of the sixtieth legislative assembly that funding from the community health trust fund not be used for media campaigns to influence public opinion regarding measures on state or local ballots or proposed legislation.

SECTION 9. ONE-TIME FUNDING - EFFECT ON BASE BUDGET - REPORT TO SIXTY-FIRST LEGISLATIVE ASSEMBLY. The total general fund appropriation line item in section 3 of this Act includes \$2,010,135 for the one-time funding items identified in this section. This amount is not a part of the agency's base budget to be used in preparing the 2009-11 executive budget. The state department of health shall report to the appropriations committees of the sixty-first legislative assembly on the use of this one-time funding for the biennium beginning July 1, 2007, and ending June 30, 2009.

Amends North Dakota Century Code Section 23-01-05.3 to provide that the State Department of Health may establish an immunization information system and may require childhood immunizations be reported to the department. This amendment incorporates the provisions of 2007 House Bill No. 1084.

Adds a section identifying one-time funding for the State Department of Health and provides that the one-time funding is not to be included in the base budget of the State Department of Health for preparing the 2009-11 executive budget. In addition, the section provides for a report to the Appropriations Committees of the 61st Legislative Assembly on the use of one-time funding.

Creates a new section to North Dakota Century Code Chapter 23-39 to provide for fees collected by the State Department of Health for regulating tanning facilities to be deposited in the department's operating fund for associated costs. House Bill No. 1154 (2007) provides for the department to regulate tanning facilities.

Adds a section of legislative intent that funding from the community health trust fund not be used for media campaigns to influence public opinion regarding measures on state or local ballots or proposed legislation.

REPORT OF STANDING COMMITTEE

HB 1006: Appropriations Committee (Rep. Svedjan, Chairman) recommends **AMENDMENTS AS FOLLOWS** and when so amended, recommends **DO PASS** (23 YEAS, 1 NAY, 0 ABSENT AND NOT VOTING). HB 1006 was placed on the Sixth order on the calendar.

"SECTION 4. TRANSFER. During the biennium beginning July 1, 2007, and ending June 30, 2009, the director of the office of management and budget shall transfer \$900,000 from the general fund to the rural airport economic development fund.

SECTION 5. APPROPRIATION. There is appropriated out of any moneys in the rural airport economic development fund in the state treasury, not otherwise appropriated, the sum of \$900,000, or so much of the sum as may be necessary, to the aeronautics commission for the purpose of the rural airport economic development fund, for the biennium beginning July 1, 2007, and ending June 30, 2009.

SECTION 6. A new section to chapter 2-05 of the North Dakota Century Code is created and enacted as follows:

Rural airport economic development fund.

1. The rural airport economic development fund is a special fund in the state treasury. Any earnings of the fund must be deposited in the fund. Subject to legislative appropriation, the aeronautics commission may provide grants from the fund to a public airport owned or operated by a public entity or to an airport operated by an airport authority in this state for the purpose of providing financial assistance for:
 - a. Purchase, development, and operation of automated weather reporting facilities, computers and terminals to obtain weather information relating to flight plans, and other equipment to enhance flight operational safety.
 - b. Obstruction removal within the runway protection zone of an airport to facilitate the new global positioning satellite all-weather instrument approach technology required to meet federal standards.
 - c. Construction or rehabilitation of runways, taxiways, and apron areas, including the extension of runways that do not meet the federal guidelines for this construction or rehabilitation but have a demonstrated state or local need.
 - d. Development of airport infrastructure and buildings that do not meet federal guidelines for this development but have a demonstrated state or local need.
2. To qualify for a grant under this section, an airport must provide matching funds of not less than ten percent and not more than fifty percent. The aeronautics commission shall set the match requirement in accordance with guidelines established by the commission."

15-69-02. (Effective through July 31, 2011) Centers of excellence.

1. The board shall establish a centers of excellence program relating to economic development. The program must distinguish among center designations for awards designated to address commercialization, workforce, and infrastructure needs. Through the program the commission shall make funding award recommendations for commission-approved applications to the board, the foundation, and the budget section of the legislative council. A center must be an institution of higher education under the control of the board or a nonprofit university-related or college-related foundation of an institution of higher education under the control of the board. In order to be considered for center designation, the institution of higher education or nonprofit foundation must be working in partnership with the private sector. In addition to any center designated under this chapter, the North Dakota state university center for technology enterprise and the university of North Dakota center for innovation are centers.
2. A commission funding award recommendation must be for a specified amount. Designation of a center occurs upon board, foundation, and budget section approval of a commission funding award recommendation. In considering whether to designate a center, the board, foundation, and budget section may not modify the commission recommendation. The budget section may not make a determination of whether to approve or reject a commission funding award recommendation until the emergency commission reviews the commission recommendation and makes a recommendation to the budget section.
3. A center that receives funds distributed under this chapter is not qualified to receive subsequent designations as a center until the biennium following the center's most recent designation.
4. The board rules adopted under subsection 9 of section 15-10-17, relating to ownership of intellectual property, inventions, and discoveries, must address activities and issues unique to centers.
5. Unless otherwise provided through the appropriation process, the commission's funding awards to address workforce needs may not exceed ten percent and the commission's funding awards to address infrastructure needs may not exceed ten percent of the funds appropriated for funding centers during the biennium."
