REMARKS OF MAJORITY LEADER STENEHJEM

Senate Concurrent Resolution 4036 honors those valiant North Dakota soldiers who have given their lives for their country in the past two years. It is right that we do so. Many courageous men and women have answered their country's call to protect the innocent and to preserve our freedom. These brave soldiers, however, followed that call of duty and made the supreme sacrifice with their very lives. We mourn their passing.

By this resolution, we seek to honor these fallen soldiers and to express our deepest sympathies to the relatives of these brave men.

REMARKS OF MINORITY LEADER O'CONNELL

I would just like to echo what Senator Stenehjem said. We cannot thank our soldiers enough. These brave men were called to duty and courageously answered that call.

We need to show how much we appreciate the efforts of our soldiers. I know any memorial we create can never come close to the sacrifices made by these members of the armed forces, but this is a step in the right direction. While our efforts will never match theirs, we can do our best to remember them and what they did for this great country.

This is a token to help illustrate to the friends and families that their memory is alive and well in the hearts of North Dakota's grateful citizens and our thoughts and prayers go out to them.
