

TAXATION COMMITTEE

(18 members)

2032 § 13 Study the feasibility and desirability of property tax reform and providing property tax relief to taxpayers of the state, with the goal of reduction of each taxpayer's annual property tax bill to an amount that is not more than 1.5 percent of the true and full value of property, and including examination of the proper measure of education funding from local taxation and state resources and the variability of funding resources among taxing districts and examination of improved collection and reporting of property tax information to identify residency of property owners with minimized administrative difficulty

2178 § 3 Study the allocation of oil and gas tax revenues to or for the benefit of political subdivisions with emphasis on determining whether allocations sufficiently address oil and gas development infrastructure impact to political subdivisions

4021 Study the income tax laws, with emphasis on adjustments necessary to minimize or negate the impact to any taxpayer of establishing a single, uniform income tax return for all individuals

4031 Study political subdivisions that receive property tax revenue and any changes that may increase efficiencies and reduce property taxes

Receive report during the 2007-08 interim from each county that has not fully implemented use of soil type and soil classification data from detailed and general soil surveys for property tax assessment purposes regarding the reason for failure to implement use of that information and the anticipated date when the county will have fully implemented use of that information (2007 S.L., ch. 503, § 3)

Chairman: Senator Bob Stenehjem
