Dr. Wayne G. Sanstead
State Superintendent

Chairperson Kelsch and Members of the Committee, I am Kenneth Steiner with the Department of Public Instruction: School Finance and Organization Division. I am here to present information related to Senate Bill 2200: Section 50 - DEFERRED MAINTENANCE AND PHYSICAL PLANT IMPROVEMENT GRANTS. Members should note this funding was contingent based on the State's general fund balance as of April 30, 2008.

The numbers below are all the applications received on or before April 18, 2008. Our office has worked with a number of the districts listed below to fine tune their applications to qualify for this funding. Award notices will be sent out in the first two weeks of May followed by payments where appropriate. The final five sheets are the calculations used to determine the amount each district will receive based on the language of the bill.

If members have any questions, I would be happy to respond to those now.
