Outside monies brought into MDEC REA this year or grants given to MDEC Schools by MDEC grant writing efforts	\$712,839

- MDEC is the 4<sup>th</sup> largest REA in North Dakota. We have over **8500 students** and over **1000 educational professionals** in our REA.
  - We have only one Special Education Service Area – Souris Valley Special Education Unit in our REA.
  - We are a very cohesive group that has a long history of working together.
  - MDEC has worked together with GNWEC and NCEC on many events and grant opportunities. We have shared where it has made sense and where our joint efforts were beneficial to all of us.
  - We are fortunate to have almost 100% attendance of all Administrators and Governing Board Members at all of our Meetings over the last four years. They strongly believe in what MDEC is doing and want to make sure that they have a voice in the future direction of the REA.
