

North Dakota Higher Education Seminar

Presentation by William E. Kirwan
USM Chancellor
September 26, 2007

1

The Context for "Effectiveness & Efficiency"

In 2003-2004, USM facing unprecedented challenges:

- Quality rising
 - 80 top 25 programs
- State Aid declining
 - \$120 million cut
- Enrollment surging
 - 30% growth projected anticipated
- Demands increasing
 - "Knowledge Economy"

2

Structure for "Effectiveness & Efficiency"

- Board goals
 - Optimize use of available resources
 - Protect quality
 - Expand capacity
- Board Workgroup
- Chancellor's Council
- Faculty and Staff Councils

3

E & E Phase I "Academic Action Items"

Action items developed to build capacity

- Faculty Workload
 - 10% increase in teaching loads across the USM
- Time to Degree
 - Degree programs limited to 120 credits
- On-line and out-of-classroom learning
 - 12 credits completed outside traditional classroom experience
- Enrollment management
 - Maximize utilization of "comprehensive" institutions

4

E & E Phase I “Administrative Action Items”

Action items developed to reduce costs and fund quality

- Support and Administration:
 - Centralization of “shared services” such as Audit, Construction Management, Real Estate Development, and other functions
- Procurement
 - Leverage the USM’s buying power for “strategic sourcing” to drive down prices
- Enrollment Management Services
 - Streamline student services functions to eliminate unnecessary duplication
- Review Organizational Structure of Special Purpose Institutions

5

E&E Phase I Impact

- Systemic reengineering of administrative processes:
 - Cost-containment, cost-avoidance, strategic reallocation, and alternative-revenue generation
 - Mitigated tuition increases for '05 academic year
 - FLAT tuition for '06, '07, '08 academic years
 - \$60 million in cost savings directly attributable to Phase I E&E initiatives in FY '05 through FY'08
- Systemic reengineering of academic processes:
 - Accommodated 25 percent of projected enrollment growth over three years; state paid its share of cost for remaining growth

6

E & E Phase II Academic Initiatives

- Transforming the Academic Model
 - Condensed and Combined Degree Programs
 - Three-year intensive programs and combined bachelor's/master's degrees
 - On-Line Education Strategies
 - University of Maryland University College
 - World leader in online education with 144,000 enrollments
 - Drawing upon UMUC's online expertise to benefit the entire system
 - Design fast-track programming options by offering 4-6 week courses on-line during the fall and spring semesters
 - Offer intensive workshop classes blended with online instruction
 - Expand course offerings and entire degree programs

7

E & E Phase II Academic Initiatives

- Transforming the Academic Model (cont'd)
 - Course Redesign / Curriculum Transformation
 - Based upon the NCAT model, reduce cost structure for large enrollment courses while maintaining quality
 - Competency Test Assessment Program
 - Student learning outcomes assessment
 - Trimester
 - "Pilot" a trimester model that would permit optimal facility use and accommodate increased enrollment
 - Expand Regional Education Centers

8

E & E Phase II Academic Initiatives

- Enrollment Strategies
 - Applicant Referral System
 - Two-year/Four-year Dual Admission
 - Guaranteed Spring Admission/Fall Credit Alternatives
 - Early College Access
 - AP Common Minimum Standards
 - Articulated Partnership Agreements (H.S./University)
 - Renewed commitment to Need-Based Financial Aid

9

E & E Phase II Administrative Initiatives

- Transforming the Administrative Model
 - Shared Services
 - Review transaction processing cycles (billing, collections, accounts payable, disbursements, management functions)
 - Financial Best Practices
 - E-billing
 - Procurement
 - Aggregate procurements
 - Develop procurement web site
 - Energy
 - Implement short and long term conservation measures and develop capacity for leveraging costs.
 - Development and Implementation of On-Line Integration Software

10

Overall E&E Summary

- Continuous system-wide reengineering
 - To accommodate rapid enrollment growth
 - To mitigate tuition increases and enhance financial aid
 - Especially need-based aid
 - To protect and enhance quality
- Ensuring accountability through established, easily accessible “dashboard” indicators
 - Transparent data points on student learning and success
 - Time to degree, graduation rates, transfer rates, etc.
- E&E Phases I and II enable USM to expand capacity, promote affordability and enhance quality

11

Accountability

- E&E is a vital “first step”
- Also an obligation to provided accountability and transparency
 - Relatively standardized data points
 - costs, degree offerings, graduation rates, etc.
 - core learning outcomes
- AASCU and NASULGC developing Voluntary System of Accountability

Student Characteristics (Fall 2006) [More](#)

TOTAL NUMBER OF STUDENTS 50,402
Student Level and Enrollment Status

UNDERGRADUATE PROFILE

Total	32,113
Gender	
Women	17,158 53%
Men	14,955 47%
Race/Ethnicity	
African American / Black	1,453 5%
American Indian / Alaskan Native	234 1%
Asian / Pacific Islander	3,048 9%
Hispanic	652 2%
International	589 2%
White	24,616 77%
Race/Ethnicity Unknown	1,442 4%
Geographic Distribution	
<Institution's state>	22,950 71%
Other US	8,575 27%
Other Countries	588 2%
Age	
Average Age	21
Percent of Undergraduates Age 25 or Older	11%

Undergraduate Success & Progress Rate [More](#)

A 85% four-year success and progress rate means that 85% of students starting in Fall 2000 either graduated or are still enrolled at a higher education institution four years later.

Counts for the Fall 2000 entering class shown in the graph above.
• 4895 First-Time, Full-Time Students
• 2500 Full-Time Transfer Students

Financial Aid Awarded to Undergraduates

Overall Financial Aid
• 83% of Fall 2005 full-time undergraduates received financial aid of some type (including loans). Their average financial aid award for the year was \$12,152.

Family Income-Based Aid
• 70% of Fall 2005 full-time undergraduates received family income-based grants or scholarships. Their average award for the year was \$7,595.

Loans
• 62% of Fall 2005 full-time undergraduates received loans (not including parent loans). Their average loan amount for the year was \$5,922.

NOTE: Students may receive aid from more than one source.

Test(s) Required for Admission:
98% of admitted students have test scores in the following ranges. 25% have scores above and 25% have scores below.

Minimum 50% of Score Range	AU-T	AU-T
Combined Score	23-28	1120-1300
Math	23-28	500-600
English	21-28	
Critical Reading		540-670

Percent in top 25% of High School Graduating Class: 77%
Percent in top 25% of High School Graduating Class: 49%
Average High School GPA (4-point scale): 3.69

Degrees and Areas of Study [More](#)

Degrees Awarded at AU in 2005-06	
Bachelor's	6,319
Master's	2,362
Doctoral	751
Professional (e.g., Law, Medicine)	765
Total	10,817

Areas of Study at AU with Largest Number of Undergraduate Degrees Awarded	
Social sciences	13%
Business/marketing	12%
Engineering	9%
Psychology	7%
Biological/sciences	7%
All other degree areas	52%
Total	100%

23

"Accountability University"

Carnegie Classification of Institutional Characteristics

Basic Type

Research University with very high research activity

Size and Setting

Large four-year, primarily nonresidential

Enrollment Profile

Majority undergraduate

Undergraduate Profile

Full-time four-year, more selective, higher transfer-in

Undergraduate Instructional Program

Balanced arts & sciences/professions, high graduate coexistence

Graduate Instructional Program

Comprehensive doctoral with medical/veterinary

“Accountability University” Future Plans of Degree Recipients

25

“Accountability University” Student Engagement, Experience and Perceptions

Group Learning Experiences

xx% of seniors participated with other students and faculty members outside of class.
xx% of seniors worked on class assignments and projects with other students.
xx% of seniors managed or provided leadership for a club or organization.

Active Learning Experiences

% of seniors spend at least 6 hours per week outside of class on academic activities.
xx% of seniors worked with a faculty member on a research project.
xx% of seniors worked on an off-campus committee, organization, or project.
xx% of seniors applied material learned in class to other areas such as jobs or internships.

Experiences with Diverse Groups of People and Ideas

xx% of seniors had discussions with students from a different country than their own.
xx% of seniors had discussions with students whose philosophy of life and personal values were very different from their own.
xx% of seniors had discussions with students whose race or ethnic background was different than their own.

Student Satisfaction

xx% of seniors would attend the same university again if they started over.
xx% of seniors found campus staff to be helpful, considerate or flexible.

Institutional Commitment to Student Learning and Success

xx% of seniors discussed career plans with a faculty member.
xx% of seniors discussed academic programs and requirements with a faculty member.
xx% of seniors used a learning lab or center to improve skills.
xx% of seniors talked with a faculty or staff member about personal concerns.
xx% of seniors report working harder than they thought they could to meet an instructor's standards or expectations.

Student Interaction with Campus Faculty and Staff

xx% of seniors worked harder after receiving feedback from an instructor.
xx% of seniors participated in discussions with other students and faculty members outside of class.
xx% of seniors discussed ideas for class assignments, term papers, or projects, with a faculty member.

26

"Accountability University" Student Learning Outcomes

Average Institutional Scores

	Freshman Score	Senior Score
Critical Thinking	44	65
Writing Essay	38	57

27

The E&E / VSA Nexus

- E&E enables higher education systems and institutions to meet **THEIR** obligation as responsible fiscal stewards
 - Furthering the goals of access
 - affordability
 - and excellence
- VSA provides parents and students with the information **THEY** need to make the best possible decisions

28
