#### HISTORY OF LEGISLATIVE COMPENSATION AND EXPENSE REIMBURSEMENT

As originally adopted in 1889, the North Dakota Constitution provided that legislators were entitled to compensation for their service during each legislative session at the rate of \$5 per day and 10 cents per mile of travel. In 1943 the Legislative Assembly passed House Concurrent Resolution X, which would have amended the constitution to provide that in addition to \$5 per day and 10 cents per mile, legislators be paid \$4 per day reimbursement for other expenses. However, this resolution was narrowly rejected by the voters (86,340 to 85,212) and legislative compensation and expense reimbursement remained at the level set in 1889.

Although the rate of legislative compensation was limited by the constitution, the rate of expense reimbursement was not. In 1945 the Legislative Assembly passed legislation, now codified as North Dakota Century Code (NDCC) Section 54-03-20, which provided for expense reimbursement payments to legislators. The level of expense reimbursement was set at \$300 per session. Expense reimbursement was increased to \$600 per session in 1949 and \$1,200 per session in 1957. In 1959 this section was amended to provide that the expense reimbursement was to cover expenses incurred during the session and the interim. In 1965 expense reimbursement was changed to \$1,200 per legislative session and \$35 per month during each legislator's term of office. In 1967 expense reimbursement for each legislator's term of office remained unchanged at \$35 per month, but the expense reimbursement provided during sessions was increased to \$25 per calendar day (a maximum of \$1,500 based on the constitutional limitation then in effect of 60 legislative days, not including organizational session). From 1967 to 1981 legislative session expense reimbursement was increased six times, from \$25 to \$85 per day, and reimbursement for expenses incurred during each legislator's term of office was increased four times, from \$35 to \$180 per month. However, legislative compensation still remained at \$5 per calendar day during legislative sessions, as provided by the constitution.

The 1889 constitutional provision was repealed on June 8, 1982, by voter approval of measure No. 4, which created Article XI, Section 26, of the Constitution of North Dakota, and provides that:

The legislative, executive, and judicial branches are coequal branches of government. Elected members and officials of each branch shall receive as compensation for their services only such amounts as may be specifically set by law. Payment for necessary expenses shall not exceed those allowed for other state employees.

After the adoption of the 1982 constitutional amendment, the subsequent Legislative Assembly (1983) amended NDCC Section 54-03-20 to increase legislative compensation from \$5 to \$40 per day during legislative sessions. Most legislators were also entitled to receive \$50 per day expense reimbursement, a decrease of \$35 from the expense reimbursement rate in effect in 1981. The 1983 combined total of compensation (\$40) and expense reimbursement (\$50) resulted in no overall change from the 1981 combined total of compensation (\$5) and expense reimbursement (\$85). The 1983 Legislative Assembly also added a provision that each legislator was entitled to reimbursement during the legislative session for one round trip per week between the legislator's residence and the Capitol at the rate provided for state employee travel.

The 1985 Legislative Assembly amended NDCC Section 54-03-20 to provide that legislators receive compensation of \$90 per calendar day during the legislative session. In addition, legislative expense reimbursement was changed to a maximum of \$600 per month for lodging or mileage. Section 54-03-20 was also amended to provide that the \$180 per month payment to legislators during their term of office was compensation, not reimbursement for expenses.

The 1997 Legislative Assembly made the following legislative compensation and expense reimbursement changes:

- Daily compensation during legislative sessions was increased from \$90 to \$111.
- Monthly compensation during each legislator's term of office was increased from \$180 to \$250.
- The maximum lodging and mileage expense reimbursement allowed during legislative sessions was increased from \$600 to \$650 per month.

The 2001 Legislative Assembly increased daily compensation during legislative sessions from \$111 to \$125 per day.

The 2003 Legislative Assembly did not make any legislative compensation and expense reimbursement changes; however, the Legislative Assembly considered increasing the maximum lodging expense reimbursement allowed during legislative sessions from \$650 per month to 50 percent of the daily federal per diem lodging rate for the city of Bismarck for 30 days. The increased reimbursement for lodging during any month of a regular session was not to exceed \$100 over the maximum allowed for lodging per month during the last regular session. During the 2003 legislative session, 50 percent of the daily federal per diem lodging rate for North Dakota of \$55 for 30 days would have totaled \$825. Due to the provision that the increased reimbursement for lodging was not to exceed \$100 over the maximum allowed during the last regular session, the maximum lodging reimbursement allowed would have been \$750 per month.

The 2005 Legislative Assembly increased legislators' monthly compensation from \$250 to \$350, effective July 1, 2005, and increased the maximum lodging expense reimbursement allowed during legislative sessions from \$650 to \$900 per month, effective January 1, 2005.

The 2007 Legislative Assembly made the following legislative compensation changes:

- Increased legislators' daily pay during legislative sessions by 4 percent for the first year of the 2007-09 biennium from \$125 to \$130 per day and by 3.85 percent for the second year of the biennium from \$130 to \$135 per day.
- Increased monthly compensation during each legislator's term of office by 4 percent for the first year of the 2007-09 biennium from \$350 to \$364 and by 3.85 percent for the second year of the biennium from \$364 and \$378.

In addition to daily compensation and expense reimbursement during legislative sessions and monthly compensation during their term of office, legislators are entitled to be compensated for time spent in attendance at interim committee meetings. The 1945 Legislative Assembly created the Legislative Research Committee (which eventually became the Legislative Council) to direct legislative studies and research during the interim and provided that members of the committee and its subcommittees were entitled to compensation of \$5 per day for time spent in attendance at interim meetings. The 1949 Legislative Assembly amended what is now codified as NDCC Section 54-35-10 to increase compensation to \$10 per day. The interim compensation rate was increased again in 1967 to \$20, in 1969 to \$30, in 1975 to \$45, in 1979 to \$52, and in 1981 to \$62.50. This amount was not changed again until 1999, when it was increased to \$75 per day. It was increased in 2001 to \$100 per day. The 2007 Legislative Assembly increased the interim compensation rate by 4 percent for the first year of the 2007-09 biennium from \$100 to \$104 per day and 3.85 percent for the second year of the biennium from \$104 to \$108. The 2007 Legislative Assembly also increased the compensation rate to \$135 per day beginning July 1, 2009.

The following table summarizes increases in legislative compensation and expense reimbursement from 1889 to 2008:

Section 54-03-20 was amended in 1959 to provide that the \$1,200 payment was reimbursement for expenses incurred during the interim and during the session.

### **ADDITIONAL COMPENSATION - 1989 TO 2008 CHANGES**

The 1989 Legislative Assembly amended NDCC Section 54-03-10 to provide that additional compensation of \$5 per day, previously provided only to committee chairmen, also be provided to the assistant majority and minority leaders. Pursuant to this section, the Speaker of the House and majority and minority leaders are entitled to additional compensation of \$10 per day.

The 1999 Legislative Assembly amended NDCC Section 54-03-20 to provide that majority and minority leaders of the House and Senate are entitled to receive as compensation, in addition to other compensation and expense reimbursements, the sum of \$250 per month.

The 2001 Legislative Assembly amended NDCC Section 54-03-20 to provide that the chairman of the Legislative Council, if the chairman is not a majority or minority leader, is entitled to receive an additional \$250 per month. The 2001 Legislative Assembly also amended Section 54-03-20 (Senate Bill No. 2048) to provide that each member of the Legislative Assembly attending a meeting of a legislative committee between the organizational session and the regular session, as authorized by legislative rule, is entitled to compensation at the session rate. This statutory change was enacted in response to action taken by the Legislative Management Committee during the 1999-2000 interim. The Legislative Management Committee adopted House and Senate Rules 505, which provide that the Appropriations Committees may meet for not more than five calendar days during the period after the adjournment of the organizational session and before the convening of the regular session, as called by the majority leader of each respective legislative chamber.

<sup>&</sup>lt;sup>2</sup>Section 54-03-20 was amended in 1965 to provide that the \$1,200 payment was reimbursement for expenses incurred during the session only and to provide for payments of \$35 per month during each legislator's term of office for uncompensated expenses.

<sup>&</sup>lt;sup>3</sup>Bismarck legislators received \$90 per day during session as compensation and did not receive any amount for daily expense reimbursement.

<sup>&</sup>lt;sup>4</sup>Section 54-03-20 was amended to provide that legislators receive reimbursement for lodging or mileage at the rates provided for state employees, to a maximum of \$600 per month.

<sup>&</sup>lt;sup>5</sup>House Bill No. 1243 (1985) amended Section 54-03-20 to provide that the monthly amount paid to legislators during the interim was compensation, not reimbursement for expenses.

<sup>&</sup>lt;sup>6</sup>The 2005 Legislative Assembly increased the maximum lodging expense reimbursement allowed during legislative sessions from \$650 to \$900 per month, effective January 1, 2005, and increased legislators' monthly compensation from \$250 to \$350, effective July 1, 2005.

In addition to the compensation for each day attending interim meetings, legislators are entitled to receive up to \$25 per day for expense reimbursement for meals.

The 2005 Legislative Assembly provided for a study of the appropriateness of increasing the daily compensation for chairmen of substantive standing committee divisions established by rule of the House or Senate. The 2005-06 Legislative Management Committee was assigned the responsibility to study this issue. Committee members discussed whether division chairmen had the same workload as full committee chairmen, whether a category in addition to the \$10 and \$5 per day should be created, whether the additional compensation should be raised and thus allow a greater "spread" between the categories, and the impact of providing additional compensation to chairmen of divisions but not to chairmen of informally created subcommittees. The committee made no recommendation as a result of the study.

The 2007 Legislative Assembly amended NDCC Section 54-03-20 to increase the additional monthly compensation for majority and minority leaders of the House and Senate and chairman of the Legislative Council if not a majority or minority leader by 4 percent for the first year of the 2007-09 biennium and 3.85 percent for the second year of the 2007-09 biennium. As a result, leaders' additional monthly compensation increased from \$250 to \$260 effective August 1, 2007, and will increase to \$270 effective July 1, 2008.
