## VETO MEASURE

May 9, 2007

The Honorable Jack Dalrymple  
President of the Senate  
Senate Chambers  
State Capitol  
Bismarck, North Dakota 58505

RE: SB 2047

Dear President Dalrymple:

I hereby veto Senate Bill 2047 and return it unsigned.

Senate Bill 2047 provides that new state employees would be automatically enrolled in a self-directed 457 Plan, the public sector equivalent of a 401(k) Plan. Under provisions of the bill, the employee would have 30 days from the beginning of employment to fill out a prescribed form "opting out" of the plan.

Although I approve of measures to encourage employees to save for retirement, I have concerns regarding this bill. The bill authorizes the State to withhold a portion of a new employee's salary without his or her prior consent to do so. It requires the action of the new employee to prevent the involuntary withholding of a portion of their salary. A new employee should be treated the same as an existing employee in determining how he or she wants to plan for retirement.

The State offers retirement plans to help its employees save for their retirement, but it should not withhold their salary without their consent and subject them to a penalty if they request out of the plan after they have been automatically enrolled. Individuals should be free to determine in the first instance how best to establish their savings.

Because SB 2047 withholds employees' compensation without their active consent and treats new employees different than existing employees, I have vetoed the legislation.

Sincerely,

John Hoeven  
Governor
