

**TITLE 59**  
**Trusts, Uses, and Powers**  
**Summary of Bills Enacted by 2007 Legislative Assembly**

This memorandum summarizes 2007 legislation primarily affecting North Dakota Century Code Title 59. Bills primarily affecting other titles also affect this title, and relevant provisions of those bills are summarized in this memorandum.

**House Bill No. 1034** adopts the Uniform Trust Code with specific changes to address provisions of this state's law. In particular, the bill allows for trusts for the care of an animal, addresses spendthrift provisions and the rights of creditors, and effectively eliminates the distinction between discretionary trusts and support trusts.
