Hearing Date: January 22, 2009

Recorder Job Number: 7550, 7554

Committee Clerk Signature

Minutes:

Chairman Wrangham opened the hearing on HB 1163.

**Lawrance Hopkins: Treasurer's Office:** (testimony #1)

**Rep. Koppelman:** The movement of two weeks must be some deadline or something that happens in July to have made necessary?

**Lawrance Hopkins:** No this is just in conjunction with all the bills that we have now. This bill causes us a little heartache the last five or six years. It just makes our fiscal requirements all go together easier.

**Rep. Koppelman:** there is nothing that says you cannot do your reports earlier.

**Lawrance Hopkins:** When we do one report it makes us also do 10 other reports that same day so it is just a fiscal thing. This is just another step we have to do and this makes it more efficient for us in our reporting. We also have all the county and city reports that we do too. So it has a big affect of the date. We have gotten a deficiency from the auditor so it is just easier.

No opposition.

No Neutral.
