

PUBLIC SAFETY AND TRANSPORTATION COMMITTEE

(20 members)

- 1412 § 2 Study the equity of the 911 fee structure, including consideration of fees, taxes, assessments for services, equity of services, and payments among residents within service areas; fee collection methods; and current and future funding of emergency services communications in the state
- 2012 § 25 Study the potential options for highway construction funding - Revised by Legislative Council directive
- 2050 § 5 Study the emergency medical services funding system within the state, including state and local emergency medical services and ambulance service funding and the feasibility and desirability of transitioning to a statewide funding formula
- Receive report from the Emergency Services Communications Coordinating Committee by November 1 of each even-numbered year regarding the use of the assessed communications services fee revenue; and receive recommendations regarding changes to the operating standards for emergency services communications, including training or certification standards for dispatchers (NDCC § 57-40.6-12)
- Receive report from the State Department of Health on the use of funding provided for grants to emergency medical services operations during the 2009-11 biennium (2009 S.L., ch. 32, § 6)
- Receive report from the Department of Transportation regarding any transfer between operating and capital assets line items when it is cost-effective for construction and maintenance of highways (2009 S.L., ch. 40, § 13)
- Receive report from Tax Commissioner regarding information provided annually by counties, cities, and townships on funding and expenditures relating to transportation projects and programs (NDCC § 54-27-26) - Legislative Council directive
- Receive, in addition to Budget Section, report from the Department of Emergency Services regarding emergency snow removal grants distributed to counties, townships, and cities before June 30, 2009 (2009 S.L., ch. 40, § 7) - Legislative Council directive
- Receive, in addition to Budget Section, report from the Department of Emergency Services in the fourth quarter of 2009 and the third quarter of 2010 on emergency disaster relief grants awarded to political subdivisions (2009 S.L., ch. 40, § 8) - Legislative Council directive
- Receive, in addition to Budget Section, periodic reports from the Department of Transportation regarding the use of state, federal, emergency, and other highway funding during the 2009-10 interim (2009 S.L., ch. 40, § 11) - Legislative Council directive

Chairman: Senator David O'Connell
Vice Chairman: Representative James Kerzman
Legislative Council Staff: Brady A. Larson
