<sup>1</sup> Total general fund appropriation - The total general fund appropriation is the amount originally appropriated by the Legislative Assembly not adjusted for any subsequent deficiency appropriations, budget allotments, or other adjustments. The appropriations for the 1985-87, 1987-89, and 1989-91 bienniums were adjusted due to executive budget allotments and tax referrals.

<sup>2</sup> Foundation aid - The appropriations for foundation aid include per student payments, transportation aid, and teacher compensation payments.

<sup>3</sup> Department of Human Services - The appropriation for the department includes the State Hospital, Developmental Center, and the regional human service centers.

<sup>4</sup> Prior to the 1983-85 biennium, appropriations for entities of the Department of Human Services were not consolidated. The 1981 Legislative Assembly created the consolidated Department of Human Services.

<sup>5</sup> 2007-09 biennium foundation aid - The 2007-09 biennium consolidated funding for the foundation aid program, including per student payments, teacher compensation payments, special education average daily membership payments, revenue supplemental payments, and tuition apportionment payments, into a new state school aid funding formula.

<sup>6</sup> Includes \$295 million of funding designated for property tax relief.
