Dear Mr. Nelson:

I have received your invitation to the Legislative Management's Tribal and State Relations Committee Meeting on July 27. I will be in Washington DC at an AASA Governing Board Meeting at that time so I am unable to attend the meeting and, due to vacations and other activities Minot Public Schools will not have a representative that will be able to attend.

When my data person is back to work from the summer break, I will ask him to dig out the data on students that move back and forth between Minot and nearby Indian reservations. When I get this data I will send it to you and Representative Merle Boucher.

I apologize for not being able to attend. I will provide this data to you as soon as possible.

Sincerely,

David Looyesen, ED.D.
Superintendent

Cc: Representative Merle Boucher
