Turtle Mountain Tribal Court No: JV-05-

Dear Ms. Davis:

Our office has received notice of the child support hearing that has been set for July 31, 2009. This letter is to inform the court that there will be no appearance from the Devils Lake Child Support Enforcement Unit on that date. At present, we have not been granted the authority to appear back in your Tribal Court, and we have no counsel on staff who is currently licensed to appear in your forum.

We truly wish that our circumstances were different, and we regret sending this letter. We do, however, respectfully request that a copy of the order, that results from the July 31st hearing, be sent to our office so that we may keep our files updated until such a time that we can again appear in your court.

Sincerely,

Steven J. Simonson
Special Assistant Attorney General
Child Support Enforcement
