WORKFORCE SAFETY & INSURANCE  
2009 LEGISLATION  
SUMMARY OF ACTUARIAL INFORMATION

BILL NO: Engrossed SB 2431

BILL DESCRIPTION: Independent Medical Examinations (IMEs)

SUMMARY OF ACTUARIAL INFORMATION: Workforce Safety & Insurance, together with its actuary, Glenn Evans of Pacific Actuarial Consultants, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed legislation requires WSI to make a reasonable effort to designate a doctor either licensed in the employee's state of residence or, if designating an out of state doctor, within 275 miles in which the injured worker resides to conduct independent medical examinations.

FISCAL IMPACT: Not quantifiable. Independent Medical Examinations (IMEs) are requested sparingly and in only a limited number of cases. To the extent the proposed IME doctor selection process results in lengthened claim processing timeframes, it may result in increased costs associated with these claims. Given the relatively few cases where IMEs are utilized, we would not anticipate the proposal having a material impact on statewide premium rate and reserve levels.
