

Sixty-first  
Legislative Assembly  
of North Dakota

Introduced by

1 A BILL for an Act

2 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

3 5. Any unpaid assessments due pursuant to this chapter ~~may~~ shall be increased by  
4 two percent on the sixteenth day of each month ~~beginning with the day following~~  
5 ~~the date the assessments were due. Any remaining amount due which includes~~  
6 ~~any unpaid charges previously due pursuant to this section may be increased at~~  
7 ~~the same rate on the corresponding day of each month thereafter until paid.~~

**NOTE:** The changes to this subsection reflect the manner in which penalties are imposed by the commission.

8 6. ~~The timeliness of the remittance of an assessment as required by this chapter~~  
9 ~~must be based on the applicable postmark date or the date the assessment is~~  
10 ~~actually received by the commission. The commission may sue for and collect~~  
11 ~~assessments and any penalties on unpaid assessments. For purposes of this~~  
12 ~~section, an assessment is deemed to have been remitted:~~

- 13 a. On the date of its postmarked, if mailed;  
14 b. On the date of its verified shipment, if sent by courier; or  
15 c. On the date of its receipt by the commission if delivered personally or  
16 electronically.

**NOTE:** This section authorizes the commission to sue for and collect assessments and penalties on unpaid assessments. NDCC Section 4-34-05 directs the commission to enforce the chapter and NDCC Section 4-34-06 authorizes the commission to sue and be sued.

17 **SECTION 12. AMENDMENT.** Section 4-34-11 of the North Dakota Century Code is  
18 amended and reenacted as follows:

1           **4-34-11. Refund of assessments.** Any person who has made payment of  
2 assessments under this chapter or who has had payment of assessments made on that  
3 person's behalf may request and receive a refund, unless prohibited by federal law, and  
4 provided that a written request and application for the refund is made within sixty days from the  
5 date the assessments were due. Applications for refunds must be made by the seller  
6 personally in such form as is reasonably required by the commission, and shall provide the  
7 commission with sufficient information to identify assessments.

**NOTE:** It is recommended that the committee determine whether this section should be retained or reworded in light of the existing federal law.

8           **SECTION 13. AMENDMENT.** Section 4-34-12 of the North Dakota Century Code is  
9 amended and reenacted as follows:

10           **4-34-12. Title.** This chapter must be known as the North Dakota Beef Promotion Act.

**NOTE:** Because it is not necessary to provide statutory titles for North Dakota Century Code chapters, it is recommended that this section be repealed.

11           **SECTION 14. AMENDMENT.** Section 4-34-13 of the North Dakota Century Code is  
12 amended and reenacted as follows:

13           **4-34-13. Cattle purchasers - List of sellers to commission - Certain records**

17 ~~names~~ a list of persons from whom ~~the~~ cattle were purchased.  
18           b. Any person who knowingly refuses to furnish the commission with required  
19 information is guilty of a class B misdemeanor.

**NOTE:** It was not clear why the statute would authorize the commission to adopt rules requiring a purchaser to provide a list of buyers as opposed to merely authorizing the commission to obtain such information.

- 20           2. Except as otherwise provided by law, the following records are not subject to  
21 section 44-04-18 and section 6 of article XI of the Constitution of North Dakota:  
22           a. Records furnished to the commission pursuant to subsection 1;  
23           b. Records furnished pursuant to section 4-34-14; and  
24           c. The identity of a person requesting refund of an assessment under section  
25 4-34-11, and the amount of the person's requested refund.

**NOTE:** Because Chapter 44-04 is the principal chapter dealing with open records, it would be preferable to move any exceptions into that chapter. This subsection might need to be amended, depending on the committee's decision regarding refund provisions in NDCC Section 34-11.

- 1           3. This section does not ~~limit the issuance of~~ preclude the commission from:

**NOTE:** Current law provides that the records must be maintained for the period of time that the commission may prescribe by rule but that period must be at least three years. The rewrite proposes that a specific period of time be included in the statute.

11 fund is appropriated to the commission on a continuing basis for carrying out the purposes of
