1 A BILL for an Act to amend and reenact sections 40-47-01.1 and 40-48-18 of the North Dakota
2 Century Code relating to extraterritorial zoning and subdivision regulation; and to provide for an
3 application.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 40-47-01.1 of the North Dakota Century Code is
6 amended and reenacted as follows:

7 **40-47-01.1. (Effective through July 31, 2009) Extraterritorial zoning - Mediation -**
8 **Determination by administrative law judge.**

- 9 1. A city may, by ordinance, extend the application of a city's zoning regulations to
10 any quarter quarter section of unincorporated territory if a majority of the quarter
11 quarter section is located within the following distance of the corporate limits of the
12 city:
- 13 a. One-half mile [.80 kilometer] if the city has a population of fewer than five
14 thousand.
 - 15 b. One mile [1.61 kilometers] if the city has a population of five thousand or
16 more, but fewer than twenty-five thousand.
 - 17 c. Two miles [3.22 kilometers] if the city has a population of twenty-five thousand
18 or more.
- 19 2. Subject to subsections 5 and 6, a city, by ordinance, may extend the application of
20 the city's zoning regulations to two times the distance allowed under
21 subdivisions a, b, and c of subsection 1 if the extension is approved by at least five
22 of six members of a committee established to review the proposed extension. The
23 committee must consist of three members appointed by the governing body of the
24 city and three members appointed, jointly, by the governing bodies of any political

- 1 subdivision that is exercising zoning authority within the territory to be
2 extraterritorially zoned.
- 3 3. If a quarter quarter section line divides a platted lot and the majority of that platted
4 lot lies within the quarter quarter section, a city may apply its extraterritorial zoning
5 authority to the remainder of that platted lot. If the majority of the platted lot lies
6 outside the quarter quarter section, the city may not apply its extraterritorial zoning
7 authority to any of that platted lot.
- 8 4. A city exercising its extraterritorial zoning authority shall hold a zoning transition
9 meeting if the territory to be extraterritorially zoned is currently zoned. The city's
10 zoning or planning commission shall provide at least fourteen days' notice of the
11 meeting to the zoning board or boards of all political subdivisions losing their partial
12 zoning authority. The purpose of the zoning transition meeting is to review existing
13 zoning rules, regulations, and restrictions currently in place in the territory to be
14 extraterritorially zoned and to plan for an orderly transition. The zoning transition
15 meeting must take place before the city's adoption of an ordinance exercising
16 extraterritorial zoning.
- 17 5. If two or more cities have boundaries at a distance where there is an overlap of
18 extraterritorial zoning authority under this section, the governing bodies of the cities
19 may enter into an agreement regarding the extraterritorial zoning authority of each
20 city. The agreement must be for a specific term and is binding upon the cities
21 unless the governing bodies of the cities agree to amend or rescind the agreement
22 or unless determined otherwise by an administrative law judge in accordance with
23 this chapter. If a dispute arises concerning the extraterritorial zoning authority of a
24 city and the governing bodies of the cities involved fail to resolve the dispute, the
25 dispute must be submitted to a committee for mediation. The committee must be
26 comprised of one member appointed by the governor, one member of the
27 governing body of each city, and one member of the planning commission of each
28 city who resides outside the corporate city limits. The governor's appointee shall
29 arrange and preside over the meeting and act as mediator at the meeting. A
30 meeting may be continued until the dispute has been resolved or until the mediator
31 determines that continued mediation is no longer worthwhile.

- 1 6. If the mediation committee is unable to resolve the dispute to the satisfaction of the
2 governing bodies of all the cities involved, the governing body of any of the cities
3 may petition the office of administrative hearings to appoint an administrative law
4 judge to determine the extraterritorial zoning authority of the cities in the disputed
5 area. A hearing may not be held until after at least two weeks written notice has
6 been given to the governing bodies of the cities involved in the dispute. At the
7 hearing, the governor's appointee who mediated the meetings under subsection 4
8 shall provide information to the administrative law judge on the dispute between
9 the cities involved and any proposed resolutions or recommendations made by a
10 majority of the committee members. Any resident of, or person owning property in,
11 a city involved in the dispute or the unincorporated territory that is the subject of the
12 proposed extraterritorial zoning, a representative of such a resident or property
13 owner, and any representative of a city involved, may appear at the hearing and
14 present evidence on any matter to be determined by the administrative law judge.
15 A decision by the administrative law judge is binding upon all the cities involved in
16 the dispute and remains effective until the governing bodies of the cities agree to a
17 change in the zoning authority of the cities. The governing body of a city may
18 request a review of a decision of an administrative law judge due to changed
19 circumstances at any time ten years after the decision has become final. An
20 administrative law judge shall consider the following factors in making a decision
21 under this subsection:
- 22 a. The proportional extraterritorial zoning authority of the cities involved in the
23 dispute;
 - 24 b. The proximity of the land in dispute to the corporate limits of each city
25 involved;
 - 26 c. The proximity of the land in dispute to developed property in the cities
27 involved;
 - 28 d. Whether any of the cities has exercised extraterritorial zoning authority over
29 the disputed land;
 - 30 e. Whether natural boundaries such as rivers, lakes, highways, or other physical
31 characteristics affecting the land are present;

- 1 f. The growth pattern of the cities involved in the dispute; and
2 g. Any other factor determined to be relevant by the administrative law judge.
- 3 7. For purposes of this section, the population of a city must be determined by the last
4 official regular or special federal census. If a city has incorporated after a census,
5 the population of the city must be determined by a census taken in accordance
6 with chapter 40-22.
- 7 8. When a portion of the city is attached to the bulk of the city by a strip of land less
8 than one hundred feet [30.48 meters] wide, that portion and strip of land must be
9 disregarded when determining the extraterritorial zoning limits of the city. This
10 subsection does not affect the ability of a city to zone land within its city limits.
- 11 9. For the purposes of this section, a quarter quarter section shall be determined in
12 the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase
13 "quarter quarter section" refers to the equivalent government lot.

14 **(Effective after July 31, 2009) Extraterritorial zoning - Mediation - Determination by**
15 **administrative law judge.**

- 16 1. A city may, by ordinance, extend the application of a city's zoning regulations to
17 any quarter quarter section of unincorporated territory if a majority of the quarter
18 quarter section is located within the following distance of the corporate limits of the
19 city:
- 20 a. One mile [1.61 kilometers] if the city has a population of less than five
21 thousand and the quarter quarter section is within the city's twenty year
22 projected growth plan.
- 23 b. Two miles [3.22 kilometers] if the city has a population of five thousand or
24 more, but less than twenty-five thousand and the quarter quarter section is
25 within the city's twenty year projected growth plan.
- 26 c. Four miles [6.44 kilometers] if the city has a population of twenty-five
27 thousand or more and the quarter quarter section is within the city's twenty
28 year projected growth plan.
- 29 2. A projected growth plan must be a border of reasonable growth of the zoning
30 districts of a city to include present growth and expectations of future growth based
31 primarily on past growth. A projected growth plan may adjust the border on a

- 1 yearly basis. The board of county commissioners for an area within the projected
2 growth plan of a city must approve or reject that city's initial plan. In addition, the
3 board of county commissioners may review and approve or reject the plan every
4 five years to determine if the assumptions used as a basis of plan become
5 unreasonable due to a significant change in circumstance. The board of county
6 commissioners must approve or reject the plan within sixty days of a request of a
7 city and if the board does neither the projection is deemed approved. If the plan is
8 rejected, the board of county commissioners shall state on the record the reasons
9 for rejection. The city may appeal the rejection of the plan to district court.
- 10 3. A city that exercises its authority under subsection 1 in an area outside the ten year
11 projected growth plan has joint jurisdiction with the entity that would otherwise have
12 jurisdiction tot he effect that any change in the initial designation of a zoning district
13 or the initial regulations in a district must be approved by both governing bodies. If
14 the governing bodies are unable to agree, either governing body may petition the
15 office of administrative hearings to appoint and administrative law judge.
- 16 4. A zoning or subdivision decision requested by a property owner and made as to
17 that owner's property in the extraterritorial area is to be made by the city.
18 However, if the decision is to change a zoning classification or for a conditional use
19 permit and if the decisions is against the owner, the decision of the city must be
20 approved or rejected by the governing body of the entity that would otherwise have
21 jurisdiction within sixty days and if the other body does neither the decision is
22 deemed approved. If the decision of the city is rejected by the other governing
23 body, that body shall state on the record the reasons for rejection. Within thirty
24 days of the denial, the city may petition the office of administrative hearing to
25 appoint an administrative law judge for the dispute between the city and the other
26 governing body.
- 27 5. The party petitioning for an administrative law judge is responsible for the costs of
28 the administrative law judge. A hearing may not be held until after at least two
29 weeks' written notice has been given to the parties involved in the dispute. Each
30 party and any person affected by the designation, regulation, or decision may
31 appear at the hearing and present evidence on any matter to be determined by the

- 1 administrative law judge. The decision by the administrative law judge is binding
2 on all jurisdictions involved in the dispute and any appeal must be made within
3 thirty days of the decision. In making a decision under this section, the
4 administrative law judge shall consider the following factors:
- 5 a. Whether the proposed regulation is consistent with a projected growth plan.
6 b. Whether the proposed change is substantially related to planning practices
7 consistent with the city's comprehensive plan.
8 c. The impact of the proposed change on the present and planned uses of the
9 area under review.
10 d. The impact of the proposed change on the health and safety of the residents
11 of the area.
12 e. The effect of the change on the ability of the effected jurisdiction to adequately
13 staff and fairly enforce the change.
14 f. The economic, physical, and social relationship of the inhabitants,
15 businesses, and industries in the area affected by the change and the affects
16 of the change on other political subdivisions.
17 g. The economic impact of the proposed change on the property owners in the
18 area of the proposed change and the economic impact on the city of a
19 decision to deny the change.
20 h. Any other factor determined to be relevant by the administrative law judge.
- 21 6. The zoning regulations or subdivision regulation of the extraterritorial area
22 assumed by the city are enforced solely by the city.
- 23 7. If a quarter quarter section line divides a platted lot and the majority of that platted
24 lot lies within the quarter quarter section, a city may apply its extraterritorial zoning
25 authority to the remainder of that platted lot. If the majority of the platted lot lies
26 outside the quarter quarter section, the city may not apply its extraterritorial zoning
27 authority to any of that platted lot.
- 28 ~~3.~~ 8. A city exercising its extraterritorial zoning authority shall hold a zoning transition
29 meeting if the territory to be extraterritorially zoned is currently zoned. The city's
30 zoning or planning commission shall provide at least fourteen days' notice of the
31 meeting to the zoning board or boards of all political subdivisions losing their partial

1 zoning authority. The purpose of the zoning transition meeting is to review existing
2 zoning rules, regulations, and restrictions currently in place in the territory to be
3 extraterritorially zoned and to plan for an orderly transition. The zoning transition
4 meeting must take place before the city's adoption of an ordinance exercising
5 extraterritorial zoning.

7 extraterritorial zoning authority under this section, the governing bodies of the cities
8 may enter into an agreement regarding the extraterritorial zoning authority of each
9 city. The agreement must be for a specific term and is binding upon the cities
10 unless the governing bodies of the cities agree to amend or rescind the agreement
11 or unless determined otherwise by an administrative law judge in accordance with
12 this chapter. If a dispute arises concerning the extraterritorial zoning authority of a
13 city and the governing bodies of the cities involved fail to resolve the dispute, the
14 dispute must be submitted to a committee for mediation. The committee must be
15 comprised of one member appointed by the governor, one member of the
16 governing body of each city, and one member of the planning commission of each
17 city who resides outside the corporate city limits. The governor's appointee shall
18 arrange and preside over the meeting and act as mediator at the meeting. A
19 meeting may be continued until the dispute has been resolved or until the mediator
20 determines that continued mediation is no longer worthwhile.

21 ~~5.~~ 10. If the mediation committee is unable to resolve the dispute to the satisfaction of the
22 governing bodies of all the cities involved, the governing body of any of the cities
23 may petition the office of administrative hearings to appoint an administrative law
24 judge to determine the extraterritorial zoning authority of the cities in the disputed
25 area. A hearing may not be held until after at least two weeks' written notice has
26 been given to the governing bodies of the cities involved in the dispute. At the
27 hearing, the governor's appointee who mediated the meetings under subsection 49
28 shall provide information to the administrative law judge on the dispute between
29 the cities involved and any proposed resolutions or recommendations made by a
30 majority of the committee members. Any resident of, or person owning property in,
31 a city involved in the dispute or the unincorporated territory that is the subject of the

1 proposed extraterritorial zoning, a representative of such a resident or property
2 owner, and any representative of a city involved, may appear at the hearing and
3 present evidence on any matter to be determined by the administrative law judge.
4 A decision by the administrative law judge is binding upon all the cities involved in
5 the dispute and remains effective until the governing bodies of the cities agree to a
6 change in the zoning authority of the cities. The governing body of a city may
7 request a review of a decision of an administrative law judge due to changed
8 circumstances at any time ten years after the decision has become final. An
9 administrative law judge shall consider the following factors in making a decision
10 under this subsection:

- 11 a. The proportional extraterritorial zoning authority of the cities involved in the
12 dispute;
- 13 b. The proximity of the land in dispute to the corporate limits of each city
14 involved;
- 15 c. The proximity of the land in dispute to developed property in the cities
16 involved;
- 17 d. Whether any of the cities has exercised extraterritorial zoning authority over
18 the disputed land;
- 19 e. Whether natural boundaries such as rivers, lakes, highways, or other physical
20 characteristics affecting the land are present;

27 ~~7.~~ 12. When a portion of the city is attached to the bulk of the city by a strip of land less
28 than one hundred feet [30.48 meters] wide, that portion and strip of land must be

11 its zoning authority under section 40-47-01.1.
- 12 2. If two or more cities have boundaries at a distance where there is an overlap of
13 extraterritorial subdivision regulation authority under this section, the governing
14 bodies of the cities may enter into an agreement regarding the extraterritorial
15 subdivision regulation authority of each city. The agreement must be for a specific
16 term and is binding upon the cities unless the governing bodies of the cities agree

18 administrative law judge in accordance with this chapter. If a dispute arises
19 concerning the extraterritorial subdivision regulation authority of a city, and the
20 governing bodies of the cities involved fail to resolve the dispute, the dispute must
21 be submitted to a committee for mediation. The committee must be comprised of

23 each city, and one member of the planning commission of each city who resides
24 outside the corporate city limits. The governor's appointee shall arrange and
