"**SECTION 5. STATE BOARD OF HIGHER EDUCATION - REQUIRED REPORTS.**

1. a. During the 2009-10 interim, the state board of higher education shall compile by campus information regarding the salaries, benefits, and total compensation of higher education instructional personnel having master's degrees.

    b. The state board of higher education shall compare the information required by subdivision a with the salaries, benefits, and total compensation of teachers who have master's degrees and who are employed by the school district headquartered in the same city as that in which each institution of higher education is located. The comparison should reflect a comparable nine- to ten-month employment contract.

2. During the 2009-10 interim, the state board of higher education shall compile by campus information regarding the number of students who are enrolled in courses delivered electronically to a site not on the campus, the types of courses delivered in this manner, and demographic information regarding the students enrolled in such courses.

3. During the 2009-10 interim, the state board of higher education shall compile by campus information regarding the number of students who have not yet graduated from high school but who are enrolled in higher education courses offered for credit.

4. The state board of higher education shall provide the information required by this section to the Legislative Council at the time and in the manner directed by the council."
