

PROPOSED AMENDMENTS TO SENATE BILL NO. 2354

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to provide for a legislative council study of the state building code and the feasibility and desirability of including within the state building code the requirement to install fire sprinklers in single family dwellings.

**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. LEGISLATIVE COUNCIL STUDY - STATE BUILDING CODE AND INSTALLATION OF FIRE SPRINKLERS.** During the 2009-10 interim, the legislative council shall consider studying the state building code and the feasibility and desirability of including within the state building code the requirement that fire sprinklers be installed in single family dwellings and other residential buildings that contain no more than two dwelling units. The legislative council shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-second legislative assembly."
