SECTION 16. AMENDMENT. Section 39-06-17 of the North Dakota Century Code is amended and reenacted as follows:

39-06-17. Restricted licenses - Penalty for violation.

1. The director, upon issuing an operator's license or a temporary restricted operator's license pursuant to section 39-06.1-11, has authority to impose restrictions suitable to the licensee's driving ability with respect to the type of or special mechanical control devices required on a motor vehicle which the licensee may operate or such other restrictions applicable to the licensee as the director may determine to be appropriate to assure the safe operation of a motor vehicle by the licensee.

2. The director may either issue a special restricted license or may set forth such restrictions upon the usual license form. The director shall likewise restrict licenses pursuant to the requirements of section 39-16.1-09.

3. A restricted operator's license or permit to operate the parent's or guardian's automobile, or an automobile which is equipped with dual controls and while accompanied by a qualified instructor, may be issued to any child, who is at least fourteen years of age, and otherwise qualified, upon the written recommendation of the parent or guardian. A child may operate an automobile that is not the parent's or guardian's to take the road test. No operator's license may be issued until the child, accompanied by the parent or guardian, appears in person and satisfies the director that:

- a. The child is at least fourteen years of age.
- b. The child is qualified to operate an automobile safely.
- c. It is necessary for the child to drive the parent's or guardian's automobile without being accompanied by an adult.
- d. The child has:
 - (1) Completed a course of classroom instruction and a course of behind-the-wheel instruction acceptable to the director; or
 - (2) Successfully completed a course at an approved commercial driver training school.
- e. The child has driving experience of at least one hour at night, one hour during winter conditions, and one hour on a gravel, dirt, or loose surface highway to which the parent or guardian of the child must attest.

The parent or guardian at all times is responsible for any and all damages growing out of the negligent operation of a motor vehicle by any such child. The provisions of this subsection do not authorize the child to drive a commercial truck, motorbus, or taxicab except the holder of a class D license, fourteen or fifteen years of age, may drive a farm motor vehicle having a gross weight of fifty thousand pounds [22679.62 kilograms] when used to transport agricultural products, farm machinery, or farm supplies to or from a farm when so operated within one hundred fifty miles [241.40 kilometers] of the driver's farm.

- 1 4. The director may upon receiving satisfactory evidence of any violation of the
- 2 restrictions of such license suspend or revoke the same but the licensee is entitled
- 3 to a hearing as upon a suspension or revocation under this chapter.
- 4 5. It is a class B misdemeanor for any person to operate a motor vehicle in any
- 5 manner in violation of the restrictions imposed in a restricted license issued to that
- 6 person other than restrictions imposed under subsection 6. If the restricted license
- 7 was issued under section 39-06.1-11 and the underlying suspension was imposed
- 8 for a violation of section 39-08-01 or equivalent ordinance, or is governed by
- 9 chapter 39-20, punishment is as provided in subsection 2 of section 39-06-42 and
- 10 upon receiving notice of the conviction the director shall revoke, without
- 11 opportunity for hearing, the licensee's restricted license and shall extend the
- 12 underlying suspension for a like period of not more than one year. The director
- 13 may not issue a restricted license for the extended period of suspension imposed
- 14 under this subsection. If the conviction referred to in this section is reversed by an
- 15 appellate court, the director shall restore the person to the status held by the
- 16 person prior to the conviction, including restoration of driving privileges if
- 17 appropriate.
- 18 6. A restricted license issued under subsection 3 to a child at least fourteen years of
- 19 age to operate a parent's or guardian's automobile authorizes the licenseholder to
- 20 drive the type or class of motor vehicle specified on the restricted license only
- 21 under the following conditions:
- 22 a. A restricted licenseholder must be in possession of the license while
- 23 operating the motor vehicle.
- 24 b. An individual holding a restricted driver's license driving a motor vehicle may
- 25 not carry more passengers than the vehicle manufacturer's suggested
- 26 passenger capacity.
