**"SECTION 12. GRANTS - PERMANENT OIL TAX TRUST FUND - LIGNITE FEASIBILITY DEMONSTRATION PROJECT.** The grants - lignite research and development line item in subdivision 1 of section 1 of this Act includes \$600,000 from the permanent oil tax trust fund for providing grants to the lignite research council. The industrial commission shall use \$100,000 of this sum for providing a grant to the lignite research council for the lignite research council to use to prepare a grant application to the department of energy to test large-scale boilers using North Dakota lignite. The industrial commission shall provide up to \$500,000 of the remaining amount as a grant to the lignite research council for conducting a lignite feasibility demonstration project. The industrial commission may provide the \$500,000 grant only to the extent that the lignite research council provides matching funds of \$2 from federal or other sources for each \$1 of state grant funds provided for the project. Any unexpended funds from this appropriation may not be spent for other purposes and the office of management and budget shall cancel this appropriation authority on December 31, 2010."
