HOUSE BILL NO.

Introduced by

Representative Onstad

1 A BILL for an Act to provide an appropriation to the department of transportation to pave access
2 roadways to Lake Sakakawea.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. APPROPRIATION.** There is appropriated out of any monies in the
5 general fund in the state treasury, not otherwise appropriated, the sum of \$30,000,000 into the
6 special road fund, established under NDCC 24-02-37(3). These funds to be utilized for the
7 purpose of constructing roadway improvements and the paving of existing gravel roadways that
8 provide access to established recreational sites on Lake Sakakawea. These funds are to be
9 held and accounted for separately from other special road fund monies. These funds shall be
10 distributed on a ninety percent, ten percent basis with the local roadway authority and or other
11 private sources paying the ten percent share. These percentages shall apply to and be
12 inclusive of all project costs. Any federal funds made available for such projects shall be first
13 used to offset the local roadway authority costs and then state expenditures. Any monies not
14 obligated by the special road committee by June 30, 2012, must revert to the general fund.
