9 30,240 jobs related to travel and tourism economic activity, 8.6 percent of total employment in
10 the state; and

11 **WHEREAS**, travel to the United States from overseas destinations has yet to rebound
12 to pre-9/11 levels; and

13 **WHEREAS**, tourism promotes diplomacy as overseas visitors are more likely to have a
14 favorable opinion of the United States after having visited; and
