POINT OF PERSONAL PRIVILEGE

REP. R. KELSCH: Mr. Speaker: I rise on a point of personal privilege.

Representative Porter and I are proud to honor today the Mandan Speech Team and the coaches on their 3-peat State Speech Championship.

Mandan has a long standing history of very strong speech teams. In 2005, the Mandan Speech team won the state championship, in 2006 they were State runner-up and in 2007, 2008 and 2009 they were awarded the state championship titles. These young people have proven that hard work, countless hours of practice and dedication have paid off.

At the 2009 State Tournament, Mandan won 5 out of the 14 events and I will recognize those individual winners:

1. Vanessa Stumpf; Radio Broadcasting
2. Nick Leingang; Extemporaneous Programmed Reading, (EPR),
3. Jonathon Wanner; Poetry,
4. Jonathon Wanner; Dramatic Interpretation and,
5. Zach Wanner; Serious Prose.

The Mandan Speech Team also won the National Forensic League National Qualifying Tournament held April 13-15, and won the Sweepstakes Trophy. Six MHS students qualified for the National Tournament to be held in Birmingham, Alabama in June.

Those members are: Nick Leingang, Brittany Kuhn, Lindsay Ellefson, Hannah Andring, Jonathon Wanner and Sarah Fredericks.

I do need to let the chamber know that some of the members of the speech team were not able to be with us today because they are part of the Mandan band that is performing at a festival in Chicago. We also wish them the best.

I would also like to recognize the coaches that have provided the leadership and dedication to the Mandan speech program: Pat Pins -- Head Coach and Assistant Coaches Natalie Eraas, Annette Bender and Scott VanDyke.

District 34, the City of Mandan, and the State of North Dakota are very proud of each of you and your accomplishments. You set your goals high, you put your game face on, you shot for the stars and you did it!

Mr. Speaker and members of this assembly, please join us in congratulating the 3-Peat State Champs, the Mandan Speech Team.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 40-47-01.1 of the North Dakota Century Code is amended and reenacted as follows:

**~~40-47-01.1. (Effective through July 31, 2009) Extraterritorial zoning—
Mediation—Determination by administrative law judge.~~**

1. ~~A city may, by ordinance, extend the application of a city's zoning regulations to any quarter quarter section of unincorporated territory if a majority of the quarter quarter section is located within the following distance of the corporate limits of the city:~~
 - a. ~~One half mile [0.80 kilometer] if the city has a population of fewer than five thousand.~~
 - b. ~~One mile [1.61 kilometers] if the city has a population of five thousand or more, but fewer than twenty five thousand.~~
 - c. ~~Two miles [3.22 kilometers] if the city has a population of twenty five thousand or more.~~

- ~~2. Subject to subsections 5 and 6, a city, by ordinance, may extend the application of the city's zoning regulations to two times the distance allowed under subdivisions a, b, and c of subsection 1 if the extension is approved by at least five of six members of a committee established to review the proposed extension. The committee must consist of three members appointed by the governing body of the city and three members appointed, jointly, by the governing bodies of any political subdivision that is exercising zoning authority within the territory to be extraterritorially zoned.~~
- ~~3. If a quarter quarter section line divides a platted lot and the majority of that platted lot lies within the quarter quarter section, a city may apply its extraterritorial zoning authority to the remainder of that platted lot. If the majority of the platted lot lies outside the quarter quarter section, the city may not apply its extraterritorial zoning authority to any of that platted lot.~~
- ~~4. A city exercising its extraterritorial zoning authority shall hold a zoning transition meeting if the territory to be extraterritorially zoned is currently zoned. The city's zoning or planning commission shall provide at least fourteen days' notice of the meeting to the zoning board or boards of all political subdivisions losing their partial zoning authority. The purpose of the zoning transition meeting is to review existing zoning rules, regulations, and restrictions currently in place in the territory to be extraterritorially zoned and to plan for an orderly transition. The zoning transition meeting must take place before the city's adoption of an ordinance exercising extraterritorial zoning.~~
- ~~5. If two or more cities have boundaries at a distance where there is an overlap of extraterritorial zoning authority under this section, the governing bodies of the cities may enter into an agreement regarding the extraterritorial zoning authority of each city. The agreement must be for a specific term and is binding upon the cities unless the governing bodies of the cities agree to amend or rescind the agreement or unless determined otherwise by an administrative law judge in accordance with this chapter. If a dispute arises concerning the extraterritorial zoning authority of a city and the governing bodies of the cities involved fail to resolve the dispute, the dispute must be submitted to a committee for mediation. The committee must be comprised of one member appointed by the governor, one member of the governing body of each city, and one member of the planning commission of each city who resides outside the corporate city limits. The governor's appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile.~~
- ~~6. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies of all the cities involved, the governing body of any of the cities may petition the office of administrative hearings to appoint an administrative law judge to determine the extraterritorial zoning authority of the cities in the disputed area. A hearing may not be held until after at least two weeks' written notice has been given to the governing bodies of the cities involved in the dispute. At the hearing, the governor's appointee who mediated the meetings under subsection 4 shall provide information to the administrative law judge on the dispute between the cities involved and any proposed resolutions or recommendations made by a majority of the committee members. Any resident of, or person owning property in, a city involved in the dispute or the unincorporated territory that is the subject of the proposed extraterritorial zoning, a representative of such a resident or property owner, and any representative of a city involved, may appear at the hearing and present evidence on any matter to be determined by the administrative law judge. A decision by the administrative law judge is binding upon all the cities involved in the dispute and remains effective until the governing bodies of the cities agree to a change in the zoning authority of the cities. The governing body of a city may request a review of a decision of an administrative law judge due to changed circumstances at any time ten years after the decision has become final. An administrative law judge shall consider the following factors in making a decision under this subsection:
 - ~~a. The proportional extraterritorial zoning authority of the cities involved in the dispute;~~~~

- b. ~~The proximity of the land in dispute to the corporate limits of each city involved;~~
 - e. ~~The proximity of the land in dispute to developed property in the cities involved;~~
 - d. ~~Whether any of the cities has exercised extraterritorial zoning authority over the disputed land;~~
 - e. ~~Whether natural boundaries such as rivers, lakes, highways, or other physical characteristics affecting the land are present;~~
 - f. ~~The growth pattern of the cities involved in the dispute; and~~
 - g. ~~Any other factor determined to be relevant by the administrative law judge.~~
7. ~~For purposes of this section, the population of a city must be determined by the last official regular or special federal census. If a city has incorporated after a census, the population of the city must be determined by a census taken in accordance with chapter 40-22.~~
8. ~~When a portion of the city is attached to the bulk of the city by a strip of land less than one hundred feet [30.48 meters] wide, that portion and strip of land must be disregarded when determining the extraterritorial zoning limits of the city. This subsection does not affect the ability of a city to zone land within its city limits.~~
9. ~~For the purposes of this section, a quarter quarter section shall be determined in the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase "quarter quarter section" refers to the equivalent government lot.~~

~~(Effective after July 31, 2009) Extraterritorial zoning - Mediation - Determination by administrative law judge - Definition.~~

1. a. A city may, by ordinance, extend the application of a city's zoning regulations to any quarter quarter section of unincorporated territory if a majority of the quarter quarter section is located within the following distance of the corporate limits of the city:
- a. (1) One mile [1.61 kilometers] if the city has a population of less fewer than five thousand. A city that has exercised its authority under this subdivision has joint zoning and subdivision regulation jurisdiction from one-half mile [.80 kilometer] to one mile [1.61 kilometers] with the other political subdivision.
 - b. (2) Two miles [3.22 kilometers] if the city has a population of five thousand or more, but less fewer than twenty-five thousand. A city that has exercised its authority under this subdivision has joint zoning and subdivision regulation jurisdiction from one mile [1.61 kilometers] to two miles [3.22 kilometers] with the other political subdivision.
 - e. (3) Four miles [6.44 kilometers] if the city has a population of twenty-five thousand or more. A city that has exercised its authority under this subdivision has joint zoning and subdivision regulation jurisdiction from two miles [3.22 kilometers] to four miles [6.44 kilometers] with the other political subdivision.
- b. Any section or portion of a section of unincorporated territory within the area of joint zoning and subdivision regulation jurisdiction in which a plat or site plan has been presented before May 1, 2009, remains subject to the zoning designations and the regulations in place on May 1, 2009, unless changed as allowed under this section.
 - c. The extraterritorial zoning jurisdiction and authority to receive applications and issue permits under this section may be changed by written agreement between the city and the other political subdivision.

2. Joint jurisdiction is jurisdiction in which the other political subdivision has jurisdiction to receive applications and issue permits and impose administrative fees for applications and permits. In addition, under this jurisdiction the other political subdivision may adopt, modify, and enforce any zoning designation or regulation and approve any subdivision plat or regulation. For a decision to be final, the other political subdivision shall give written notice to the city. The city may request negotiation as to any decision made by the other political subdivision under the other political subdivision's jurisdiction within thirty days of notice. If negotiation is not requested, the decision of the other political subdivision is final. If the governing body of the other political subdivision and the city do not come to an agreement as to the disputed zone or subdivision regulation within thirty days of request for negotiation, the dispute must be submitted to a committee for mediation. The committee must be comprised of one member appointed by the governor and two members of the governing body of the other political subdivision and two members of the governing body of the city. The governor's appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies, the dispute must be resolved by the board of county commissioners.
3. Notwithstanding subsection 2, in any section or portion of a section of unincorporated territory in which there would otherwise be joint jurisdiction and in which a plat or site plan has been presented before May 1, 2009, the city has jurisdiction to receive applications and issue permits and impose administrative fees for applications and permits relating to zoning and subdivision regulation. In addition, under this jurisdiction the city may adopt, modify, and enforce any zoning designation or regulation and approve any subdivision plat or regulation. For a decision of the city made after May 1, 2009, to be final, the city shall give written notice of the decision of the governing body of the political subdivision that would otherwise have jurisdiction. The governing body may request negotiation as to any decision made by the city under the city's jurisdiction within thirty days of notice. If negotiation is not requested, the decision of the city is final. If the city and governing body of the political subdivision that would otherwise have jurisdiction do not come to an agreement as to the disputed zoning or subdivision regulation within thirty days of the request for negotiation, the dispute must be submitted to a committee for mediation. The committee must be comprised of one member appointed by the governor and two members of the governing body of the other political subdivision and two members of the governing body of the city. The governor's appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies, the dispute must be resolved by the board of county commissioners.
4. If a quarter quarter section line divides a platted lot and the majority of that platted lot lies within the quarter quarter section, a city may apply its extraterritorial zoning authority to the remainder of that platted lot. If the majority of the platted lot lies outside the quarter quarter section, the city may not apply its extraterritorial zoning authority to any of that platted lot.
3. 5. A city exercising its extraterritorial zoning authority shall hold a zoning transition meeting if the territory to be extraterritorially zoned is currently zoned. The city's zoning or planning commission shall provide at least fourteen days' notice of the meeting to the zoning board or boards of all political subdivisions losing their partial zoning authority. The purpose of the zoning transition meeting is to review existing zoning rules, regulations, and restrictions currently in place in the territory to be extraterritorially zoned and to plan for an orderly transition. The zoning transition meeting must take place before the city's adoption of an ordinance exercising extraterritorial zoning.

4. 6. If two or more cities have boundaries at a distance where there is an overlap of extraterritorial zoning authority under this section, the governing bodies of the cities may enter into an agreement regarding the extraterritorial zoning authority of each city. The agreement must be for a specific term and is binding upon the cities unless the governing bodies of the cities agree to amend or rescind the agreement or unless determined otherwise by an administrative law judge in accordance with this chapter. If a dispute arises concerning the extraterritorial zoning authority of a city and the governing bodies of the cities involved fail to resolve the dispute, the dispute must be submitted to a committee for mediation. The committee must be comprised of one member appointed by the governor, one member of the governing body of each city, and one member of the planning commission of each city who resides outside the corporate city limits. The governor's appointee shall arrange and preside over the meeting and act as mediator at the meeting. A meeting may be continued until the dispute has been resolved or until the mediator determines that continued mediation is no longer worthwhile.
5. 7. If the mediation committee is unable to resolve the dispute to the satisfaction of the governing bodies of all the cities involved, the governing body of any of the cities may petition the office of administrative hearings to appoint an administrative law judge to determine the extraterritorial zoning authority of the cities in the disputed area. A hearing may not be held until after at least two weeks' written notice has been given to the governing bodies of the cities involved in the dispute. At the hearing, the governor's appointee who mediated the meetings under subsection 4 6 shall provide information to the administrative law judge on the dispute between the cities involved and any proposed resolutions or recommendations made by a majority of the committee members. Any resident of, or person owning property in, a city involved in the dispute or the unincorporated territory that is the subject of the proposed extraterritorial zoning, a representative of such a resident or property owner, and any representative of a city involved, may appear at the hearing and present evidence on any matter to be determined by the administrative law judge. A decision by the administrative law judge is binding upon all the cities involved in the dispute and remains effective until the governing bodies of the cities agree to a change in the zoning authority of the cities. The governing body of a city may request a review of a decision of an administrative law judge due to changed circumstances at any time ten years after the decision has become final. An administrative law judge shall consider the following factors in making a decision under this subsection:
- a. The proportional extraterritorial zoning authority of the cities involved in the dispute;
 - b. The proximity of the land in dispute to the corporate limits of each city involved;
 - c. The proximity of the land in dispute to developed property in the cities involved;
 - d. Whether any of the cities has exercised extraterritorial zoning authority over the disputed land;
 - e. Whether natural boundaries such as rivers, lakes, highways, or other physical characteristics affecting the land are present;
 - f. The growth pattern of the cities involved in the dispute; and
 - g. Any other factor determined to be relevant by the administrative law judge.
6. 8. For purposes of this section, the population of a city must be determined by the last official regular or special federal census. If a city has incorporated after a census, the population of the city must be determined by a census taken in accordance with chapter 40-22.
7. 9. When a portion of the city is attached to the bulk of the city by a strip of land less than one hundred feet [30.48 meters] wide, that portion and strip of land must be disregarded when determining the extraterritorial zoning

limits of the city. This subsection does not affect the ability of a city to zone land within its city limits.

- 8- 10. For the purposes of this section, a section or a quarter quarter section shall be is as determined in the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase "quarter quarter section" refers to the equivalent government lot.
11. As used in this section, "other political subdivision" means a political subdivision, not including another city, which would otherwise have zoning or subdivision regulation jurisdiction.

SECTION 2. LEGISLATIVE INTENT. It is the intent of the sixty-first legislative assembly that land use regulations under consideration by local governments be readily available to the public.  - c. The purchaser of the tax credit shall claim the credit beginning with the taxable year in which the credit purchase agreement was fully executed by the parties. A purchaser of a tax credit under this section has only such rights to claim and use the credit under the terms that would have applied to the tax credit transferor, except the credit purchaser may not carry back the credit as otherwise provided in this section. This subsection does not limit the ability of the tax credit purchaser to reduce the tax liability of the purchaser, regardless of the actual tax liability of the tax credit transferor.
 - d. The original purchaser of the tax credit may not sell, assign, or otherwise transfer the credit purchased under this section.
 - e. If the amount of the credit available under this section is changed as a result of an amended return filed by the transferor, or as the result of an audit conducted by the internal revenue service or the tax commissioner, the transferor shall report to the purchaser the adjusted credit amount within thirty days of the amended return or within thirty days of the final determination made by the internal revenue service or the tax commissioner. The tax credit purchaser shall file amended returns reporting the additional tax due or claiming a refund as provided in section 57-38-38 or 57-38-40, and the tax commissioner may audit these returns and assess or issue refunds, even though other time periods prescribed in these sections may have expired for the purchaser.

- f. Gross proceeds received by the tax credit transferor must be assigned to North Dakota. The amount assigned under this subsection cannot be reduced by the taxpayer's income apportioned to North Dakota or any North Dakota net operating loss of the taxpayer.
 - g. The tax commissioner has four years after the date of the credit assignment to audit the returns of the credit transferor and the purchaser to verify the correctness of the amount of the transferred credit and if necessary assess the credit purchaser if additional tax is found due. This subdivision does not limit or restrict any other time period prescribed in this chapter for the assessment of tax.
 - h. The tax commissioner may adopt rules to permit verification of the validity and timeliness of the transferred tax credit.
9. If a taxpayer acquires or disposes of the major portion of a trade or business or the major portion of a separate unit of a trade or business in a transaction with another taxpayer, the taxpayer's qualified research expenses and base period must be adjusted in the manner provided by section 41(f)(3) of the Internal Revenue Code [26 U.S.C. 41(f)(3)].
 10. If a taxpayer entitled to the credit provided by this section is a member of a group of corporations filing a North Dakota consolidated tax return using the combined reporting method, the credit may be claimed against the aggregate North Dakota tax liability of all the corporations included in the North Dakota consolidated return. This section does not apply to tax credits received or purchased under subsection 8.
 11. An individual, estate, or trust that purchases a credit under this section is entitled to claim the credit against state income tax liability under section ~~57-38-29~~ or 57-38-30.3.
 12. A partnership, subchapter S corporation, limited partnership, limited liability company, or any other passthrough entity entitled to the credit under this section must be considered to be the taxpayer for purposes of calculating the credit. The amount of the allowable credit must be determined at the passthrough entity level. The total credit determined at the entity level must be passed through to the partners, shareholders, or members in proportion to their respective interests in the passthrough entity. An individual taxpayer may take the credit passed through under this subsection against the individual's state income tax liability under ~~sections 57-38-29 and 57-38-30~~ section 57-38-30.3.

SECTION 28. AMENDMENT. Subdivision b of subsection 1 of section 57-38-40 of the North Dakota Century Code is amended and reenacted as follows:

- b. An individual who filed a return of income as a resident of this state and is assessed tax by another state or territory of the United States or the District of Columbia on that income after the time for filing a claim has expired under this section is entitled to a credit or refund for the amount of tax paid to the other jurisdiction, not including penalty or interest, as provided under subsection ~~2 or 6 of section 57-38-04~~ 1 or ~~subsection 4 of section 57-38-30.3~~, notwithstanding the time limitations of this section. The claim for the credit or refund under this subdivision must be submitted to the commissioner within one year from the date the taxes were paid to the other jurisdiction. The taxpayer must submit sufficient proof to show entitlement to a credit or refund under this subdivision.

SECTION 29. AMENDMENT. Section 57-38.5-03 of the North Dakota Century Code is amended and reenacted as follows:

57-38.5-03. Seed capital investment tax credit. If a taxpayer makes a qualified investment in a qualified business, the taxpayer is entitled to a credit against state income tax liability under section ~~57-38-29~~, 57-38-30, or 57-38-30.3.

1. The amount of the credit to which a taxpayer is entitled is forty-five percent of the amount invested by the taxpayer in qualified businesses during the taxable year.

2. The maximum annual credit a taxpayer may claim under this section is not more than one hundred twelve thousand five hundred dollars. This subsection may not be interpreted to limit additional investment by a taxpayer for which that taxpayer is not applying for a credit.
3. Any amount of credit under subsection 1 not allowed because of the limitation in subsection 2 may be carried forward for up to four taxable years after the taxable year in which the investment was made.
4. A passthrough entity that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this section and the amount of the credit allowed with respect to a passthrough entity's investment in a qualified business must be determined at the passthrough entity level. The amount of the total credit determined at the passthrough entity level must be allowed to the members in proportion to their respective interests in the passthrough entity.
5. An investment made in a qualified business from the assets of a retirement plan is deemed to be the retirement plan participant's investment for the purpose of this chapter if a separate account is maintained for the plan participant and the participant directly controls where the account assets are invested.
6. The investment must be made on or after the certification effective date and must be at risk in the business to be eligible for the tax credit under this section. An investment for which a credit is received under this section must remain in the business for at least three years. Investments placed in escrow do not qualify for the credit.
7. The entire amount of an investment for which a credit is claimed under this section must be expended by the qualified business for plant, equipment, research and development, marketing and sales activity, or working capital for the qualified business.
8. A taxpayer who owns a controlling interest in the qualified business or who receives more than fifty percent of the taxpayer's gross annual income from the qualified business is not entitled to a credit under this section. A member of the immediate family of a taxpayer disqualified by this subsection is not entitled to the credit under this section. For purposes of this subsection, "immediate family" means the taxpayer's spouse, parent, sibling, or child or the spouse of any such person.
9. The tax commissioner may disallow any credit otherwise allowed under this section if any representation by a business in the application for certification as a qualified business proves to be false or if the taxpayer or qualified business fails to satisfy any conditions under this section or any conditions consistent with this section otherwise determined by the tax commissioner. The commissioner has four years after the due date of the return or after the return was filed, whichever period expires later, to audit the credit and assess additional tax that may be found due to failure to comply with the provisions of this chapter. The amount of any credit disallowed by the tax commissioner that reduced the taxpayer's income tax liability for any or all applicable tax years, plus penalty and interest as provided under section 57-38-45, must be paid by the taxpayer.
10. An angel fund that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this section. The amount of the credit allowed with respect to an angel fund's investment in a qualified business must be determined at the angel fund level. The amount of the total credit determined at the angel fund level must be allowed to the investors in the angel fund in proportion to the investor's respective interests in the fund. An angel fund that is subject to the tax imposed under chapter 57-38 is not eligible for the investment tax credit under this chapter.

SECTION 30. AMENDMENT. Section 57-38.6-03 of the North Dakota Century Code is amended and reenacted as follows:

57-38.6-03. Agricultural business investment tax credit. If a taxpayer makes a qualified investment in a qualified business, the taxpayer is entitled to a credit against state income tax liability as determined under section ~~57-38-29~~, 57-38-30, or 57-38-30.3.

2. The maximum annual credit a taxpayer may obtain under this section is fifty thousand dollars and no taxpayer may obtain more than two hundred fifty thousand dollars in credits under this section over any combination of taxable years. This subsection may not be interpreted to limit additional investment by a taxpayer for which that taxpayer is not applying for a credit.
3. The credit under this section may not exceed the liability for tax under chapter 57-38. If the amount of credit under this section exceeds the liability for tax, the excess may be carried forward for up to ten taxable years after the taxable year in which the investment was made.
4. A partnership, subchapter S corporation, limited liability company that for tax purposes is treated like a partnership, or any other passthrough entity that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this section and, except for the tax liability limitation under subsection 2, the amount of the credit allowed with respect to the passthrough entity's investment in a qualified business must be determined at the passthrough entity level. The amount of the total credit determined at the passthrough entity level must be allowed to the passthrough entity's owners, in proportion to their respective ownership interests in the passthrough entity.
5. An investment made in a qualified business from the assets of a retirement plan is deemed to be the retirement plan participant's investment for the purposes of this chapter if a separate account is maintained for the plan participant and the participant directly controls where the account assets are invested.
6. The investment must be made on or after the certification effective date and must be at risk in the business to be eligible for the tax credit under this section. A qualified investment must be in the form of a purchase of ownership interests or the right to receive payment of dividends from the business. An investment for which a credit is received under this section must remain in the business for at least three years. An investment placed in escrow does not qualify for the credit.
7. The entire amount of an investment for which a credit is claimed under this section must be expended by the qualified business for plant, equipment, research and development, marketing and sales activity, or working capital for the qualified business. Real property that qualifies as an investment must be used in, and be an integral part of, the qualified business's North Dakota business operations.
8. If the investment is a contribution of real property:
 - a. The value of the contribution may not exceed the appraised value as established by a licensed or certified appraiser licensed or certified under the requirements of sections 43-23.3-04, 43-23.3-04.1, 43-23.3-05, 43-23.3-06, 43-23.3-07, 43-23.3-08, 43-23.3-09, 43-23.3-10, 43-23.3-11, and 43-23.3-12.

9. The tax commissioner may disallow any credit otherwise allowed under this section if any representation by a business in the application for certification as a qualified business proves to be false or if the taxpayer or qualified business fails to satisfy any conditions under this section or any conditions consistent with this section otherwise determined by the tax commissioner. The amount of any credit disallowed by the tax commissioner that reduced the taxpayer's income tax liability for any or all applicable tax years, plus penalty and interest provided under section 57-38-45, must be paid by the taxpayer.
