5 general fund in the state treasury, not otherwise appropriated, the sum of \$300,000, or so much
6 of the sum as may be necessary, to the state board of higher education for the purpose of
7 providing grants to public institutions of higher education in this state which provide direct
8 services to students who are hearing-impaired, for the biennium beginning July 1, 2009, and

15 resources. An institution may use funds available under this Act only after all other public and
16 private resources available to assist a student who is hearing-impaired have been exhausted.
