

association shall serve a term of three years or until their successors are named and qualified.

4. The council shall name its own chairman and the dean of the university of North Dakota school of medicine and health sciences shall serve as executive secretary of the council. The council shall meet not less than twice each year, and, from time to time, on its own motion or upon request of the university administration.

**15-52-04. Duties of council.**

1. The advisory council, in consultation with the school of medicine and health sciences and the other agencies, associations, and institutions represented on the advisory council, shall study and make recommendations regarding the strategic plan, programs, and facilities of the school of medicine and health sciences.
2. Biennially, the advisory council shall submit a report, together with its recommendations, to the agencies, associations, and institutions represented on the advisory council, to the university of North Dakota, and to the legislative council.
3. a. The report must describe the advisory council's recommendations regarding the strategic plan, programs, and facilities of the school of medicine and health sciences as developed under subsection 1. The recommendations for implementing strategies through the school of medicine and health sciences or other agencies and institutions must:
  - (1) Address the health care needs of the people of the state; and
  - (2) Provide information regarding the state's health care workforce needs.
- b. The recommendations required under subdivision a may address:
  - (1) Medical education and training;
  - (2) The recruitment and retention of physicians and other health care professionals;
  - (3) Factors influencing the practice environment for physicians and other health care professionals;
  - (4) Access to health care;
  - (5) Patient safety;
  - (6) The quality of health care and the efficiency of its delivery; and
  - (7) Financial challenges in the delivery of health care.
4. The council may consult with any individual or entity in performing its duties under this section.

**15-52-05. Facilities.** The university authorities shall make the facilities of the university of North Dakota school of medicine and health sciences available to all agencies of the state, federal, and local governments engaged in health and welfare activities to the fullest extent possible within the limits of a complete and coordinated program for the use thereof on terms commensurate with the cost of services rendered and facilities furnished. The work of the school of medicine and health sciences must be coordinated with the work of the other departments of the university of North Dakota. Means must be provided whereby regularly enrolled students in other schools or departments of the university of North Dakota may, upon approval of the dean of such other school or department, enroll in elective courses in the medical school and receive
