North Dakota Legislature
 600 E Boulevard
 Bismarck, North Dakota 58505-0360

Dear Administrative Rules,

ND, our nation and the world are under
 a Proposed Government
 Separation of Church/State to our
 detriment. ~~Our~~ ^{Our} ~~bordered~~, ~~crushed~~ and
 broken. we must come under Church/
 (need)
State Government: the Sovereign God
of the universe.

It greatly concerns me that our
 nation and ND are under interim,
 (want)
 uniform ~~commission~~ government, the
 First American Baptist Church on 3rd and
 Divide, Post office Box 123, Mandan, ND 58554
 is a interim church under separation of
 Church/State and makes ~~unsound~~ inroads
 into government: this separates (cuts off)
 our nation from the original US Constitution.

It creates hightaxes, cost, and a run away government ²
that leaves our nation trillions and trillions dollars in
debt. The citizen is compelled to pay the cost of the
Separation/State government that is imbedded in
the legislative council and sets up private industry
in government. It is fallacious government
the original Church/State Constitution
"Protects", "Preserves" and "Defends" the
Citizenry. the Magna Charta of 1215
forced upon King John by the serfs
declared them "under the Grace of God."
the charter became their, and America's
title deed. no more separation of church/State
government. this Constitutional government
provides cost effective government that
the Citizen can abide by. there are no
expensive Commissions under this
Government.

this is the kind of government that
ND and our nation need.

It needs Constitutional Church/State Govern-
ment not ^{the} LC, the ACIP and the SLP all
which destroy stable government.

It's imperative that ^{the} Legislature not be
called the Legislative Council but by
its right name the North Dakota
Legislature so you people can
produce sound laws.

Any questions?
Please reply.

I thank you.

Sincerely,

Sophia Prosser
