SECTION 2. AMENDMENT. Section 54-52.1-04 of the North Dakota Century Code is amended and reenacted as follows:

54-52.1-04. Board to contract for insurance. The board shall receive bids for the providing of hospital benefits coverage, medical benefits coverage, life insurance benefits coverage for a specified term, and employee assistance program services; may receive bids separately for ~~retired medicare-eligible employee-group~~ prescription drug coverage; and shall accept the bid of and contract with the carrier that in the judgment of the board best serves the interests of the state and its eligible employees. Solicitations must be made not later than ninety days before the expiration of an existing uniform group insurance contract. Bids must be solicited by advertisement in a manner selected by the board that will provide reasonable notice to prospective bidders. In preparing bid proposals and evaluating bids, the board may utilize the services of consultants on a contract basis in order that the bids received may be uniformly compared and properly evaluated. In determining which bid, if any, will best serve the interests of eligible employees and the state, the board shall give adequate consideration to the following factors:

1. The economy to be effected.

2. The ease of administration.
3. The adequacy of the coverages.
4. The financial position of the carrier, with special emphasis as to its solvency.
5. The reputation of the carrier and any other information that is available tending to show past experience with the carrier in matters of claim settlement, underwriting, and services.

The board may reject any or all bids and, in the event it does so, shall again solicit bids as provided in this section. The board may establish a plan of self-insurance for providing health insurance benefits coverage only under an administrative services only (ASO) contract or a third-party administrator (TPA) contract.

SECTION 3. AMENDMENT. Section 54-52.1-04.2 of the North Dakota Century Code is amended and reenacted as follows:

54-52.1-04.2. Self-insurance plan for hospital and medical benefits coverage. The board may establish a self-insurance plan for providing:

- 1) health insurance benefits coverage;
- 2) health insurance benefits coverage excluding all or part of prescription drug coverage; or
- 3) all or part of prescription drug coverage.

Any self-insurance plan under this section shall be provided under an administrative services only (ASO) contract or a third-party administrator (TPA) contract under the uniform group insurance program, and may only be established if it is determined by the board that an administrative services only or third-party administrator plan is less costly than the lowest bid submitted by a carrier for underwriting the plan with equivalent contract benefits. Upon

establishing a self-insurance plan, the board shall solicit bids for an administrative services only or third-party administrator contract only every other biennium, and the board is authorized to renegotiate an existing administrative services only or third-party administrator contract during the interim. In addition, individual stop-loss coverage insured by a carrier authorized to do business in this state must be made part of any self-insured plan. All bids under this section are due no later than January first, and must be awarded no later than March first, preceding the end of each biennium. All bids under this section must be opened at a public meeting of the board.

SECTION 4. AMENDMENT. Section 54-52.1-04.3 of the North Dakota Century Code is amended and reenacted as follows:

54-52.1-04.3. Contingency reserve fund - Continuing appropriation.

The board shall establish under a self-insurance plan a contingency reserve fund to provide for adverse fluctuations in future charges, claims, costs, or expenses of the uniform group insurance program. The board shall determine the amount necessary to provide a balance in the contingency reserve fund equal to between one and one-half months and three and one-half months of claims paid based on the average monthly claims paid during the twelve-month period immediately preceding March first of each year. The board shall also determine the amount necessary to provide an additional balance in the contingency reserve fund between one month and one and one-half months for claims incurred but not yet reported. The board may arrange for the services of an actuarial consultant to assist the board in making the these determination determinations. Upon the initial change-over from a contract for insurance pursuant to section 54-52.1-04 to a self-insurance plan pursuant to section 54-52.1-04.2, the board shall have a plan in place which is reasonably calculated to meet the funding requirements of

this chapter within 60 months. All moneys in the contingency reserve fund, not otherwise appropriated, are appropriated for the payment of claims and other costs of the uniform group insurance program during periods of adverse claims or cost fluctuations.
