NORTH DAKOTA LEGISLATIVE COUNCIL

Presentation by:

Jason Steckler

Information Technology Director, Legislative Council

Legislative Procedures and Arrangements

June 21, 2010

Harvest Room

AGENDA

- Harvest room sound system cost update
- Roughrider room sound system cost update
- Harvest room projector costs proposal (need approval)
- Roughrider room projector costs proposal (need approval)

HARVEST ROOM SOUND SYSTEM COST UPDATE

As previously approved.....the audio upgrade will cost \$21,010.

Provides a 26 microphone jacks terminated on the desk as well as audio outputs at speaker podium, chairman seat and press box. Upgrade of speakers.

Design calls for desktop microphones so room can be reconfigured based on need.

ROUGH RIDER ROOM SOUND SYSTEM COST UPDATE

As previously approved.....the audio upgrade will cost \$20,957

Provides a 30 microphone jacks terminated on the desk as well as audio outputs at speaker podium, chairman seat and press box. Upgrade of speakers.

Design calls for desktop microphones so room can be reconfigured based on need.

HARVEST ROOM PROJECTOR COSTS PROPOSAL

Update to Harvest room video projection will cost \$5,040.

Solution provides 2 high lumen projectors, 2 seven foot screens as well as video inputs at both podium and chairman's area with keypad to control inputs.

Screens will be mounted on both east and west walls to allow for both legislator and gallery viewing.

ROUGH RIDER ROOM PROJECTOR COSTS PROPOSAL

Update to Roughrider room video projection will cost \$4,850.

Solution provides 2 high lumen projectors, 1 seven foot screen (north screen reused) as well as video inputs at both podium and chairman's area with keypad to control inputs.

Screens will be located at existing north location and at south location behind the chairman's area allowing for both legislator and gallery viewing.

SUMMARY

Request approval for \$5,040 for projector upgrades in Harvest room.

Request approval for \$4,850 for projector upgrades in Roughrider room.
