Adds veterans to the list of those who qualify as residents for tuition purposes at NDUS institutions, thereby reducing the tuition rate charged to non-resident veterans.

B. Fiscal impact sections: *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Reducing the tuition rate charged from the non-resident to the resident rate, will reduce tuition collections.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. Revenues: *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

Assuming no additional new veteran enrollments to offset the tuition loss from the rate reduction, the NDUS estimates the loss of approximately \$750,000 in tuition income per year. However, in addition to recognizing veterans for their service, the NDUS hopes to attract additional veteran enrollments.

B. Expenditures: *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. Appropriations: *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*
