A child may operate an automobile that is not the parent's or guardian's to take the road test. No operator's license may be issued until the child, accompanied by the parent or guardian, appears in person and satisfies the director that:

4. The director may upon receiving satisfactory evidence of any violation of the restrictions of such license suspend or revoke the same but the licensee is entitled to a hearing as upon a suspension or revocation under this chapter.
5. It is a class B misdemeanor for any person to operate a motor vehicle in any manner in violation of the restrictions imposed in a restricted license issued to that person other than restrictions imposed under subsection 6. If the restricted license was issued under section 39-06.1-11 and the underlying suspension was imposed for a violation of section 39-08-01 or equivalent ordinance, or is governed by chapter 39-20, punishment is as provided in subsection 2 of section 39-06-42 and upon receiving notice of the conviction the director shall revoke, without opportunity for hearing, the licensee's restricted license and shall extend the underlying suspension for a like period of not more than one year. The director may not issue a restricted license for the extended period of suspension imposed under this subsection. If the conviction referred to in this section is reversed by an appellate court, the director shall restore the person to the status held by the person prior to the conviction, including restoration of driving privileges if appropriate.
6. A restricted license issued under subsection 3 to a child at least fourteen years of age to operate a parent's or guardian's automobile authorizes the licenseholder to drive the type or class of motor vehicle specified on the restricted license only under the following conditions:
