Minutes:

Rep. Porter: We will open the hearing on bill 1239

Rep. Kretschmar: This bill is for a resident for a particular deer unit to get one extra bonus point. That would go into the drawing for a license for the next deer season.

Rep. Porter: I think the way this is worded they would get the bonus point every year that they put in for their license not if they have been turned down. We will get a clarification on that.

Rep. Kretschmar: The constituent told me there would be just one bonus, and not each year.

Rep. Porter: Any questions for Rep. Kretschmar?

Rep. DeKrey: What is the reason that one should get an extra bonus point?

Rep. Kretschmar: The constituent that asked me to put this bill in, wanted to be able to help residents get an extra point.

Rep. Porter: Any other questions for Rep. Kretschmar? Is there further testimony for the HB 1239? Is there any opposition to HB 1239?

Foster Ray Hager: I represent Cass County Wildlife Club. We are opposed to HB 1239. (See attachment 1)

Rep. Porter: Any questions for Mr. Hager: Further testimony in opposition.

Paul Schadewald: I am in the chief conservation communications division with North Dakota Game and Fish Department. The handout explains how the deer drawing is administered and a map that shows the units, where the deer hunting units that we have. The challenge for us is how to administer this bill. To determine which people live where would be a real challenge for us administer the bonus point system. The individual would

get one bonus point each year so under the current system you would get 2 points you would be given a third point. You wouldn't accumulate point from year to year. (See attachment 2 @ 3)

Rep. Porter: Look at the number of cities where the deer units intersect logistically what a nightmare the system would end up being. Is there further testimony in opposition of this bill.

Mike Donahue: I represent North Dakota Wildlife Federation. We are opposed to this bill. We think we have an answer for Rep. DeKrey's question. It is called what's in it for me bill. We ask for a do not pass.

Rep. Porter: Is there any more testimony in opposition? We will close the hearing on HB 1239.

Rep. Keiser: I move a do not pass.

Rep. DeKrey: Second.

Rep. Porter: Is there any discussion?

TESTIMONY OF FOSTER RAY HAGER
CASS COUNTY WILDLIFE CLUB
PRESENTED TO THE HOUSE NATURAL RESOURCES COMMITTEE
on
HB 1239
January 21, 2011

Mr. Chairman and Members of the Committee:

The Cass County Wildlife Club is opposed to this bill because we feel that it will benefit the land owner (160 acres). If they apply in the lottery and many do, so they may hunt in the entire unit. This also will give them a better chance of getting a buck permit.

If they do not get a lottery buck, then they apply and get a gratis buck tag.

We feel the lottery is fair the way it is now. If it isn't broken, don't fix it.
