Explanation or reason for introduction of bill/resolution:

A concurrent resolution directing the Legislative Management to study the election of at least one member of each legislative district to the Legislative Assembly each biennial election.

Minutes:

Chairman Koppelman: We'll open the hearing on HCR 3044.

Vice Chairman Kretschmar: This HCR 3044 will be a backup to HCR 3042 that I just spoke on and would be the backup thinking that the constitutional amendment may not survive so it would give the legislative management in the interim a little time to study those issues. That's basically all it is and I'll try to answer any questions.

Chairman Koppelman: Other testimony in support of HCR 3044? Opposition? Seeing none we'll close the hearing on 3044.

Minutes:

Chairman Koppelman: HCR 3044 is a question as to whether it's worthy of study or of it's something that's been decided.

Representative Kasper: Is this a voluntary study, is it a 'may' or a 'shall'?

Chairman Koppelman: They are all 'may' I think.

Representative Kasper: I don't think this has much chance of being selected and why clog up the legislative management committees agenda. I move a do not pass.

Representative Streyle: Second.

Chairman Koppelman: Further discussion? Call a roll on a do not pass on HCR 3044.
