- b. All representatives of the operations committee must be individuals who have extensive experience or employment or both in the surplus lines insurance business, including executives and attorneys employed by surplus lines insurers, surplus lines licensees, law firms, state insurance departments or state stamping offices or any combination of these entities. Operations committee representatives from compacting states, which utilize the services of a state stamping office, shall appoint the chief operating officer or a senior manager of the state stamping office to the operations committee.
4. a. A legislative committee composed of state legislators or their designees is established to monitor the operations of and make recommendations to, the commission, including the executive committee, provided that the manner of selection and term of any legislative committee member must be as set forth in the bylaws. Prior to the adoption by the commission of any uniform standard, revision to the bylaws, annual budget, or other significant matter as may be provided in the bylaws, the executive committee shall consult with and report to the legislative committee.

b. The commission may establish additional advisory committees as its bylaws may provide for the carrying out of its functions.
5. The commission shall maintain its corporate books and records in accordance with the bylaws.
6. a. The members, officers, executive director, employees, and representatives of the commission, the executive committee, and any other committee of the commission must be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing in this subdivision may be construed to protect any such person from suit or liability or both for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

b. The commission shall defend any member, officer, executive director, employee, or representative of the commission, the executive committee or any other committee of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, provided that nothing herein may be construed to prohibit that person from retaining that person's own counsel, and provided further that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

c. The commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission, executive committee, or any other committee of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities.

provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

Article VII. - Meetings and Acts of the Commission

1. The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.
2. Each member of the commission may cast a vote to which that compacting state is entitled and may participate in the business and affairs of the commission. A member shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for members' participation in meetings by telephone or other means of communication.
3. The commission shall meet at least once during each calendar year. Additional meetings must be held as set forth in the bylaws.
4. Public notice must be given of all meetings and all meetings must be open to the public, except as set forth in the rules or otherwise provided in the compact.
5. The commission shall promulgate rules concerning its meetings consistent with the principles contained in the Government in the Sunshine Act [5 U.S.C. 552b], as may be amended.
6. The commission and its committees may close a meeting, or portion thereof, where it determines by majority vote that an open meeting would be likely to:
 - a. Relate solely to the commission's internal personnel practices and procedures;
 - b. Disclose matters specifically exempted from disclosure by federal and state statute;
 - c. Disclose trade secrets or commercial or financial information that is privileged or confidential;
 - d. Involve accusing a person of a crime, or formally censuring a person;
 - e. Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
 - f. Disclose investigative records compiled for law enforcement purposes;
or
 - g. Specifically relate to the commission's issuance of a subpoena, or its participation in a civil action or other legal proceeding.
7. For a meeting, or portion of a meeting, closed pursuant to this provision, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exemptive provision. The commission shall keep minutes which must fully and clearly describe all matters discussed in a meeting and must provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed and the record of a roll call vote. All documents considered in connection with an action must be identified in such minutes. All minutes and documents of a closed meeting must remain under seal, subject to release by a majority vote of the commission.

Article VIII. - Rules and Operating Procedures - Rulemaking Functions of the Commission

1. The commission shall adopt reasonable rules in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing, in the event the commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted hereunder, then such an action by the commission is invalid and has no force or effect.
2. Rules must be made pursuant to a rulemaking process that substantially conforms to the Model State Administrative Procedure Act of 1981, Uniform Laws Annotated, vol. 15, p.1 (2000) as amended, as may be appropriate to the operations of the commission.
3. All rules and amendments, thereto, must become effective as of the date specified in each rule, operating procedure, or amendment.
4. Not later than thirty days after a rule is adopted, any person may file a petition for judicial review of the rule, provided that the filing of such a petition may not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the commission consistent with applicable law and may not find the rule to be unlawful if the rule represents a reasonable exercise of the commission's authority.

Article IX. - Commission Records and Enforcement

1. The commission shall adopt rules establishing conditions and procedures for public inspection and copying of its information and official records, except such information and records involving the privacy of individuals, insurers, insureds, or surplus lines licensee trade secrets. State transaction documentation and clearinghouse transaction data collected by the clearinghouse must be used for only those purposes expressed in or reasonably implied under the provisions of this compact, and the commission shall afford this data the broadest protections as permitted by any applicable law for proprietary information, trade secrets, or personal data. The commission may adopt additional rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.
2. Except as to privileged records, data, and information, the laws of any compacting state pertaining to confidentiality or nondisclosure may not relieve any compacting state member of the duty to disclose any relevant records, data, or information to the commission, provided that disclosure to the commission may not be deemed to waive or otherwise affect any confidentiality requirement, and further provided that, except as otherwise expressly provided in this section, the commission may not be subject to the compacting state's laws pertaining to confidentiality and nondisclosure with respect to records, data, and information in its possession. Confidential information of the commission must remain confidential after such information is provided to any member, and the commission shall maintain the confidentiality of any information provided by a member that is confidential under that member's state law.
3. The commission shall monitor compacting states for compliance with duly adopted bylaws and rules. The commission shall notify any noncomplying compacting state in writing of its noncompliance with commission bylaws or rules. If a noncomplying compacting state fails to remedy its noncompliance within the time specified in the notice of noncompliance, the compacting state must be deemed to be in default as set forth in article XIV.

Article X. - Dispute Resolution

1. Before a member may bring an action in a court of competent jurisdiction for violation of any provision, standard, or requirement of the compact, the commission shall attempt, upon the request of a member, to resolve any disputes or other issues that are subject to this compact and which may arise between two or more compacting states, contracting states, or noncompacting states, and the commission shall promulgate a rule providing alternative dispute resolution procedures for such disputes.
2. The commission shall also provide alternative dispute resolution procedures to resolve any disputes between insureds or surplus lines licensees concerning a tax calculation or allocation or related issues which are the subject of this compact.
3. Any alternative dispute resolution procedures must be utilized in circumstances where a dispute arises as to which state constitutes the home state.

Article XI. - Review of Commission Decisions

1. Except as necessary for adopting rules to fulfill the purposes of this compact, the commission may not otherwise regulate insurance in the compacting states.
2. Not later than thirty days after the commission has given notice of any rule or allocation formula, any third-party filer or compacting state may appeal the determination to a review panel appointed by the commission. The commission shall adopt rules to establish procedures for appointing such review panels and provide for notice and hearing. An allegation that the commission, in making compliance or tax determinations acted arbitrarily, capriciously, or in a manner that is an abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in accordance with subsection 6 of article III.
3. The commission may monitor, review, and reconsider commission decisions upon a finding that the determinations or allocations do not meet the relevant rule. Where appropriate, the commission may withdraw or modify its determination or allocation after proper notice and hearing, subject to the appeal process in subsection 2.

Article XII. - Finance

1. The commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the commission may accept contributions, grants, and other forms of funding from the state stamping offices, compacting states, and other sources.
2. The commission shall collect a fee payable by the insured directly or through a surplus lines licensee on each transaction processed through the compact clearinghouse, to cover the cost of the operations and activities of the commission and its staff in a total amount sufficient to cover the commission's annual budget.
3. The commission's budget for a fiscal year may not be approved until it has been subject to notice and comment as set forth in article VIII.
4. The commission must be regarded as performing essential governmental functions in exercising such powers and functions and in carrying out the provisions of this compact and of any law relating thereto, and may not be required to pay any taxes or assessments of any character, levied by any state or political subdivision thereof, upon any of the property used by it for such purposes, or any income or revenue therefrom, including any profit from a sale or exchange.

5. The commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements for all funds under its control. The internal financial accounts of the commission must be subject to the accounting procedures established under its bylaws. The financial accounts and reports, including the system of internal controls and procedures of the commission, must be audited annually by an independent certified public accountant. Upon the determination of the commission, but not less frequently than every three years, the review of the independent auditor must include a management and performance audit of the commission. The commission shall make an annual report to the governor and legislature of the compacting states, which must include a report of the independent audit. The commission's internal accounts may not be confidential and such materials may be shared with the commissioner, the controller, or the stamping office of any compacting state upon request, provided, however, that any workpapers related to any internal or independent audit and any information regarding the privacy of individuals, and licensees' and insurers' proprietary information, including trade secrets, must remain confidential.
6. A compacting state may not have any claim to or ownership of any property held by or vested in the commission or to any commission funds held pursuant to the provisions of this compact.
7. The commission may not make any political contributions to candidates for elected office, elected officials, political parties, or political action committees. The commission may not engage in lobbying except with respect to changes to this compact.

Article XIII. - Compacting States, Effective Date, and Amendment

1. Any state is eligible to become a compacting state.
2. The compact must become effective and binding upon legislative enactment of the compact into law by two compacting states, provided the commission must become effective for purposes of adopting rules, and creating the clearinghouse when there are a total of ten compacting states and contracting states or, alternatively, when there are compacting states and contracting states representing greater than forty percent of the surplus lines insurance premium volume based on records of the percentage of surplus lines insurance premium set forth in subsection 4. Thereafter, it must become effective and binding as to any other compacting state upon enactment of the compact into law by that state. Notwithstanding the foregoing, the clearinghouse operations and the duty to report clearinghouse transaction data must begin on the first January first or July first following the first anniversary of the commission's effective date. For states that join the compact subsequent to the effective date, a start date for reporting clearinghouse transaction data must be set by the commission provided surplus lines licensees and all other interested parties receive not less than ninety days' advance notice.
3. Amendments to the compact may be proposed by the commission for enactment by the compacting states. An amendment may not become effective and binding upon the commission and the compacting states unless and until all compacting states enact the amendment into law.
4. Surplus lines insurance premiums by state:

Article XIV. - Withdrawal, Default, and Termination

1. a. Once effective, the compact must continue in force and remain binding upon each and every compacting state, provided that a compacting state may withdraw from the compact, "withdrawing state", by enacting a statute specifically repealing the statute which enacted the compact into law.
- b. The effective date of withdrawal is the effective date of the repealing statute. However, the withdrawal may not apply to any tax or compliance determinations approved on the date the repealing statute becomes effective, except by mutual agreement of the commission and the withdrawing state unless the approval is rescinded by the commission.

- c. The member of the withdrawing state shall immediately notify the executive committee of the commission in writing upon the introduction of legislation repealing this compact in the withdrawing state.
 - d. The commission shall notify the other compacting states of the introduction of such legislation within ten days after its receipt of notice thereof.
 - e. The withdrawing state is responsible for all obligations, duties, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal. To the extent those obligations may have been released or relinquished by mutual agreement of the commission and the withdrawing state, the commission's determinations prior to the effective date of withdrawal must continue to be effective and be given full force and effect in the withdrawing state, unless formally rescinded by the commission.
 - f. Reinstatement following withdrawal of any compacting state must occur upon the effective date of the withdrawing state reenacting the compact.
2. a. If the commission determines that any compacting state has at any time defaulted, "defaulting state", in the performance of any of its obligations or responsibilities under this compact, the bylaws or duly promulgated rules then after notice and hearing as set forth in the bylaws, all rights, privileges, and benefits conferred by this compact on the defaulting state must be suspended from the effective date of default as fixed by the commission. The grounds for default include failure of a compacting state to perform its obligations or responsibilities and any other grounds designated in commission rules. The commission shall immediately notify the defaulting state in writing of the defaulting state's suspension pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state shall cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state must be terminated from the compact and all rights, privileges, and benefits conferred by this compact must be terminated from the effective date of termination.
- b. Decisions of the commission that are issued on the effective date of termination must remain in force in the defaulting state in the same manner as if the defaulting state had withdrawn voluntarily pursuant to subsection 1.
- c. Reinstatement following termination of any compacting state requires a reenactment of the compact.
3. a. The compact dissolves effective upon the date of the withdrawal or default of the compacting state which reduces membership in the compact to one compacting state.
- b. Upon the dissolution of this compact, the compact becomes null and void and must have no further force or effect, and the business and affairs of the commission must be wound up and any surplus funds shall be distributed in accordance with the rules and bylaws.

Article XV. - Severability and Construction

- 1. The provisions of this compact are severable and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of the compact must be enforceable.
- 2. The provisions of this compact must be liberally construed to effectuate its purposes.

3. Throughout this compact the use of the singular includes the plural and vice versa.
4. Any headings and captions of articles, subsections, and subdivisions used in this compact are for convenience only and must be ignored in construing the substantive provisions of this compact.

Article XVI. - Binding Effect of Compact and Other Laws

1.
 - a. Nothing herein prevents the enforcement of any other law of a compacting state except as provided in subdivision b.
 - b. Decisions of the commission, and any rules, and any other requirements of the commission must constitute the exclusive rule, or determination applicable to the compacting states. Any law or regulation regarding nonadmitted insurance of multistate risks that is contrary to rules of the commission is preempted with respect to the following:
 - (1) Clearinghouse transaction data reporting requirements;
 - (2) Allocation formula;
 - (3) Clearinghouse transaction data collection requirements;
 - (4) Premium tax payment timeframes and rules concerning dissemination of data among the compacting states for nonadmitted insurance of multistate risks and single-state risks;
 - (5) Exclusive compliance with surplus lines law of the home state of the insured;
 - (6) Rules for reporting to a clearinghouse for receipt and distribution of clearinghouse transaction data related to nonadmitted insurance of multistate risks;
 - (7) Uniform foreign insurers eligibility requirements;
 - (8) Uniform policyholder notice; and
 - (9) Uniform treatment of purchasing groups procuring nonadmitted insurance.
 - c. Except as stated in subdivision b, any rule, uniform standard, or other requirement of the commission must constitute the exclusive provision that a commissioner may apply to compliance or tax determinations. Notwithstanding the foregoing, no action taken by the commission may abrogate or restrict: the access of any person to state courts; the availability of alternative dispute resolution under article X; remedies available under state law related to breach of contract, tort, or other laws not specifically directed to compliance or tax determinations; state law relating to the construction of insurance contracts; or the authority of the attorney general of the state, including maintaining any actions or proceedings, as authorized by law.
2.
 - a. All lawful actions of the commission, including all rules adopted by the commission, are binding upon the compacting states, except as provided herein.
 - b. All agreements between the commission and the compacting states are binding in accordance with their terms.
 - c. Upon the request of a party to a conflict over the meaning or interpretation of commission actions, and upon a majority vote of the compacting states, the commission may issue advisory opinions.

regarding the meaning or interpretation in dispute. This provision may be implemented by rule at the discretion of the commission.

- d. In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by that provision upon the commission must be ineffective as to that state and those obligations, duties, powers, or jurisdiction must remain in the compacting state and must be exercised by the agency thereof to which those obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.
