SECTION 11. AMENDMENT. Section 15.1-21-02.6 of the North Dakota Century Code is amended and reenacted as follows:

15.1-21-02.6. North Dakota scholarship - Amount - Applicability.

1. ~~The state board of higher education shall provide to any student certified as being eligible by the superintendent of public instruction either a North Dakota academic scholarship or a North Dakota career and technical education scholarship in the amount of seven hundred fifty dollars for each semester during which the student is enrolled full time at an accereditd institution of higher education in this state and maintains a cumulative grade point average of 2.75. If a student is determined by the superintendent of public instruction to have met the requirements for a North Dakota career and technical education scholarship or a North Dakota academic scholarship, the student is eligible to receive:~~
 - a. At the beginning of the student's first year of higher education, a scholarship in the amount of one thousand five hundred dollars, provided the student is enrolled full time at an accredited institution of higher education in this state; and
 - b. At the beginning of the semester marking the student's second year of higher education and each semester thereafter, a scholarship in the amount of seven hundred fifty dollars, provided that during the immediately preceding semester the student:
 - (1) Maintained a cumulative grade point average of 2.75; and
 - (2) Maintained enrollment, throughout the semester, in a minimum of fifteen units.
2. If at the conclusion of the first semester of the student's first year the state board of higher education determines that the student was unable to maintain a grade point average of 2.75, the board shall forward a letter of warning to the student and articulate the consequences with respect to the student's continued eligibility for a scholarship.
3. If at the conclusion of the student's first year, or any semester thereafter, a student has failed to meet the requirements for a scholarship, as set forth in subdivision b of subsection 1, the student, at the conclusion of the ensuing semester, may apply to the state board of higher education for reinstatement of the scholarship, provided the student can demonstrate compliance with the requirements of subdivision b of subsection 1. However, if a student fails to meet the requirements of subdivision b of subsection 1 for a second time, that student may not receive any additional scholarships under this section.

- 2.4. A student is not entitled to receive more than six thousand dollars in scholarships under this section.
- 3.5. The state board of higher education shall forward ~~the scholarship~~ all scholarships under this section directly to the institution ~~in~~ at which the student is enrolled.
- 4.6. This section does not require a student to be enrolled in consecutive semesters. However, a scholarship under this section is valid only for six academic years after the student's graduation from high school and may not be applied to graduate programs.
- 5.7. A scholarship under this section is available to any eligible student who graduates from a high school in this state or from a high school in a bordering state under chapter 15.1-29.
- 8. The state board of higher education shall monitor each scholarship recipient to ensure that the student meets the academic and other requirements of this section. Upon determining that a recipient student has failed to meet the requirements of this section, the board shall provide notification to the student within five days.

SECTION 12. A new section to chapter 15.1-21 of the North Dakota Century Code is created and enacted as follows:

North Dakota scholarship fund - Biannual transfer - Continuing appropriation.

- 1. Once each semester, the state board of higher education shall certify to the state treasurer the amount necessary to provide the North Dakota academic scholarships and the North Dakota career and technical education scholarships, as set forth in sections 15.1-21-02.4 and 15.1-21-02.5.
- 2. Upon receiving the certification, the state treasurer shall transfer the certified amount from the interest and other income of the lands and minerals trust fund to the North Dakota scholarship fund.
- 3. All moneys in the North Dakota scholarship fund are appropriated on a continuing basis to the state board of higher education for the exclusive purpose of providing North Dakota academic scholarships and North Dakota career and technical education scholarships.

SECTION 13. AMENDMENT. Section 15.1-21-08 of the North Dakota Century Code is amended and reenacted as follows:

15.1-21-08. Reading, mathematics, and science - Administration of test.

- 1. The superintendent of public instruction shall administer to public school students a test that is aligned to the state content and achievement standards in reading and mathematics. This test must be administered ~~to all public school students in at least one grade level selected within each of the following grade spans: grades three through five; grades six through nine; and grades ten through twelve. SECTION 14. AMENDMENT. Section 15.1-21-18 of the North Dakota Century Code is amended and reenacted as follows:

15.1-21-18. Career interest inventory - Educational and career planning - Consultation.

1. A school district shall administer to students, once during their enrollment in grade seven or eight and once during their enrollment in grade nine or ten, a career interest inventory recommended by the department of career and technical education and approved by the superintendent of public instruction.
2. At least once during the seventh or eighth grade, each school district shall arrange for students to participate in either an individual consultative process or a nine-week course, for the purpose of discussing the results of their career interest inventory, selecting high school courses appropriate to their educational pursuits and career interests, and developing individual high school education plans.
3. Each school district shall notify its high school students that, upon request, a student is entitled to receive a consultative review of the student's individual high school education plan at least once during each high school grade. Upon the request of a student, the school district shall provide the consultative review.
4. Each school district shall verify compliance with the requirements of this section at the time and in the manner required by the superintendent of public instruction.

SECTION 15. AMENDMENT. Section 15.1-21-19 of the North Dakota Century Code is amended and reenacted as follows:

15.1-21-19. Summative assessment - Selection - Cost - Exemptions.

1. Except as otherwise provided, each public and nonpublic school student in grade eleven shall take the ACT, including the writing test, or three WorkKeys assessments recommended by the department of career and technical education and approved by the superintendent of public instruction. The student shall determine which summative assessment to take. ~~The student's school district of residence~~ superintendent of public instruction is responsible for the cost of procuring and administering one summative assessment ~~and its administration~~ per student.
2. The student's career advisor or guidance counselor shall meet with the student to review the student's assessment results.
3. A school district superintendent or a school administrator in the case of a nonpublic school student may exempt a student from the requirements of this section if taking the test is not required by the student's individualized education program plan or if other special circumstances exist.
4. ~~If the superintendent of public instruction determines that the cost of the summative assessment and its administration can be reduced through use of a state procurement process, the superintendent shall work with the school districts to procure and arrange for the administration of the assessment and shall withhold each district's share of the total cost from any state aid otherwise payable to the district.~~ At the time and in the manner determined by the superintendent of public instruction, each school district superintendent and each school administrator in the case of a nonpublic school shall report the number of eleventh grade students who:
 - a. Took the ACT, including the writing test;

- b. Took the three WorkKeys assessments; and
- c. Were exempted from the requirements of this section, together with the reason for each exemption.

SECTION 19. AMENDMENT. Section 15.1-27-04 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-04. Per student payment rate.

1. a. The per student payment rate to which each school district is entitled for the first year of the biennium is three thousand ~~two~~nine hundred ~~sixty~~one dollars.

- b. The per student payment rate to which each school district is entitled for the second year of the biennium is three thousand ~~seventy-nine~~ seventy-nine hundred ~~seventy-nine~~ sixty-one dollars.
2. In order to determine the state aid payment to which each district is entitled, the superintendent of public instruction shall multiply each district's weighted student units by the per student payment rate set forth in subsection 1.

SECTION 20. AMENDMENT. Section 15.1-27-07.2 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-07.2. Baseline funding - Determination - Minimum and maximum allowable increases.

1. The superintendent of public instruction shall determine each school district's baseline funding per weighted student unit by:
 - a. Adding together all state aid received by the district during the 2006-07 school year;
 - b. Subtracting the amount received by the district during the 2006-07 school year for transportation aid, special education excess cost reimbursements, special education contracts, prior year funding adjustments, and per student payments for participation in educational associations governed by joint powers agreements; and
 - c. Dividing the amount determined under subdivision b by the district's 2007-08 weighted student units.
2.
 - a. The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, for the 2009-10 school year, is at least equal to one hundred eight percent of the baseline funding per weighted student unit, as established in subsection 1.
 - b. The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, for each school year after the 2009-10 school year, is at least equal to one hundred twelve and one-half percent of the baseline funding per weighted student unit, as established in subsection 1.
3.
 - a.—The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, less any amount received as equity payments under section 15.1-27-11 per weighted student unit, does not exceed, for the ~~2009-10~~2011-12 school year, one hundred ~~twenty-four~~two percent of the baseline funding per weighted student unit, as established in subsection 1.
 - b.—~~The superintendent of public instruction shall ensure that the total amount of state aid payable to a district per weighted student unit, less any amount received as equity payments under section 15.1-27-11 per weighted student unit, does not exceed, for each school year after the 2009-10 school year, one hundred thirty-four percent of the baseline funding per weighted student unit, as established in subsection 1.~~

SECTION 21. AMENDMENT. Section 15.1-27-11 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-11. Equity payments.

1. The superintendent of public instruction shall:

- a. Divide the imputed taxable valuation of the state by the total average daily membership of all school districts in the state in order to determine the state average imputed taxable valuation per student.
 - b. Divide the imputed taxable valuation of each school district by the district's total average daily membership in order to determine each district's average imputed taxable valuation per student.
2. If a school district's imputed taxable valuation per student is less than ninety percent of the statewide imputed taxable valuation per student, the superintendent of public instruction shall calculate the valuation deficiency by:
 - a. Determining the difference between ninety percent of the state average imputed taxable valuation per student and the district's average imputed taxable valuation per student; and
 - b. Multiplying that difference by the district's total average daily membership.
3. Except as provided in subsection 4, the equity payment to which a district is entitled under this section equals the district's valuation deficiency multiplied by the lesser of:
 - a. The district's general fund levy for the taxable year 2008; or
 - b. One hundred eighty-five mills.
4.
 - a. The equity payment to which a district is entitled may not exceed the district's taxable valuation multiplied by its general fund levy for the taxable year 2008.
 - b. If a district's general fund levy for the taxable year 2008 is less than one hundred eighty-five mills, the superintendent of public instruction shall subtract the district's general fund levy for the taxable year 2008 from one hundred eighty-five mills, multiply the result by the district's taxable valuation, and subtract that result from the equity payment to which the district is otherwise entitled.
 - c. If a district's imputed taxable valuation per student is less than fifty percent of the statewide imputed taxable valuation per student, the payment to which the district is entitled under this section may not be less than twenty percent of the statewide imputed taxable valuation per student times the school district's average daily membership, multiplied by one hundred eighty-five mills.
5. In determining the amount to which a school district is entitled under this section, the superintendent of public instruction may not include any payments received by the district as a result of Public Law No. 81-874 [64 Stat. 1100; 20 U.S.C. 236 et seq.] and may not include in the district's average daily membership students who are dependents of members of the armed forces and students who are dependents of civilian employees of the department of defense.
6. In determining the statewide average imputed taxable valuation per student for purposes of this section, the superintendent of public instruction may not include:
 - a. Any school district, which if included in the calculation would have an imputed taxable valuation per student that is three times greater than the statewide average imputed taxable valuation per student; and
 - b. Any school district, which if included in the calculation would have an imputed taxable valuation per student that is less than one-fifth of the statewide average imputed taxable valuation per student.

7. For purposes of this section:

- a. "General fund levy" includes a district's high school transportation levy and its high school tuition levy.
- b. "Imputed taxable valuation" means the valuation of all taxable real property in the district plus:
 - (1) An amount determined by dividing seventy percent of the district's mineral and tuition revenue, revenue from payments in lieu of property taxes on distribution and transmission of electric power, revenue from payments in lieu of taxes from electricity generated from sources other than coal, and revenue received on account of the leasing of lands acquired by the United States for flood control, navigation, and allied purposes in accordance with 33 U.S.C. 701c-3 by the district's general fund mill levy for the taxable year 2008; and
 - (2) An amount determined by dividing the district's revenue from mobile home taxes and telecommunications taxes by the district's general fund mill levy for the taxable year 2008.
- c. "Mineral revenue" includes all revenue from county sources reported under code 2000 of the North Dakota school district financial accounting and reporting manual as developed by the superintendent of public instruction in accordance with section 15.1-02-08.
- d. "Tuition revenue" includes all revenue reported under code 1300 of the North Dakota school district financial accounting and reporting manual as developed by the superintendent of public instruction in accordance with section 15.1-02-08. "Tuition revenue" does not include tuition income received specifically for the operation of an educational program provided at a residential treatment facility.

SECTION 22. AMENDMENT. Section 15.1-27-35.3 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-35.3. (Effective through June 30, 2011) Payments to school districts -- Unobligated general fund balance -- Report to legislative council.

1. ~~The superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of fifty percent of its actual expenditures, plus twenty thousand dollars. Beginning July 1, 2008, the superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of forty-five percent of its actual expenditures, plus twenty thousand dollars.~~
2. In making the determination required by subsection 1, the superintendent of public instruction may not include in a district's unobligated general fund balance any moneys that:
 - a. (1) ~~Were received by the district during the school year ending June 30, 2009, on account of the leasing of lands acquired by the United States for flood control, navigation, and allied purposes in accordance with 33 U.S.C. 701c-3; and~~
 - (2) ~~Exceeded the amount received by the district during the school year ending June 30, 2008, for the purpose stated in paragraph 1;~~

- b. ~~Were received directly by the district from the United States government in accordance with the American Recovery and Reinvestment Act of 2009; or~~
 - c. ~~Were received by the district as supplemental one-time grants under section 52 of S.L. 2009, ch. 175.~~
3. ~~Any district having more than fifty thousand dollars excluded in the determination of its ending fund balance, as required by subsection 2, shall provide a report to the legislative council. The report, which must be presented at the time and in the manner directed by the legislative council, must address how the money was expended, including the number of mills by which the district was able to decrease its property taxes, if such was a permitted use.~~

~~—(Effective after June 30, 2011) Payments to school districts - Unobligated general fund balance.~~

- 1. ~~The superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of fifty percent of its actual expenditures, plus twenty thousand dollars. Beginning July 1, 2008, the superintendent of public instruction shall determine the amount of payments due a school district and shall subtract from that the amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of forty-five percent of its actual expenditures, plus twenty thousand dollars.~~
- 2. In making the determination required by subsection 1, the superintendent of public instruction may not include in a district's unobligated general fund balance any moneys that were received by the district from the federal education jobs fund program.

SECTION 23. AMENDMENT. Section 15.1-37-01 of the North Dakota Century Code is amended and reenacted as follows:

15.1-37-01. Early childhood education program - Approval.

- 1. Any person or school district operating an early childhood education program may request approval of the program from the superintendent of public instruction. The superintendent shall approve an early childhood education program if the program:
 - ~~1.a.~~ Is taught by individuals who are licensed to teach in early childhood education by the education standards and practices board;
 - ~~2.b.~~ Follows a developmentally appropriate curriculum; ~~and~~
 - ~~3.c.~~ Is in compliance with all municipal and state health, fire, and safety requirements; and
 - d. Limits its enrollment to children who have reached the age of four before August first of the year of enrollment.
- 2. Per student funding will not be provided to individuals or school districts offering a prekindergarten an early childhood education program.

SECTION 24. ISOLATED SCHOOLS - TRANSITION PAYMENTS.

- 1. If during the 2010-11 school year a school district received payments as a result of section 15.1-27-15, as the section existed on June 30, 2011, and if that district is not eligible for the factor established under subdivision j of subsection 1 of section 15.1-27-03.1, the district is entitled to the following transition payments:

- a. For the 2011-12 school year, an amount equal to that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011;
 - b. For the 2012-13 school year, an amount equal to seventy-five percent of that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011;
 - c. For the 2013-14 school year, an amount equal to fifty percent of that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011; and
 - d. For the 2014-15 school year, an amount equal to twenty-five percent of that which the district would have received under section 15.1-27-15, as the section existed on June 30, 2011.
2. Upon the closure of a school that met the definition of isolated under section 15.1-27-15, as it existed on June 30, 2011, the superintendent of public instruction shall cease to provide to the district the transition payments established under subsection 1.

SECTION 25. TRANSPORTATION GRANTS - DISTRIBUTION.

1. During each year of the 2011-13 biennium, the superintendent of public instruction shall calculate the payment to which each school district is entitled based on the state transportation formula as it existed on June 30, 2001, except that the superintendent shall provide reimbursement at the rate of:
 - a. One dollar and three cents per mile for schoolbuses having a capacity of ten or more passengers;
 - b. Forty-six cents per mile for vehicles having a capacity of nine or fewer passengers;
 - c. Forty-six cents per mile, one way, provided:
 - (1) The student being transported resides more than two miles from the public school that the student attends;
 - (2) The student is transported by an adult member of the student's family;
 - (3) The student is transported in a vehicle furnished by the student's parents; and
 - (4) The student's transportation is paid for by the student's parents; and
 - d. Twenty-six cents per student for each one-way trip.
2. The superintendent of public instruction shall use the latest available student enrollment count in each school district in applying the provisions of subsection 1.
3. If any moneys provided for transportation payments in the grants transportation line item in the appropriation bill for the superintendent of public instruction, as approved by the sixty-second legislative assembly, remain after application of the formula provided for in this section, the superintendent of public instruction shall prorate the remaining amounts according to the percentage of the total transportation formula amount to which each school district is entitled.

4. This section does not authorize the reimbursement of any costs incurred in providing transportation for student attendance at extracurricular activities or events.

SECTION 26. FEDERAL EDUCATION JOBS FUND PROGRAM GRANTS - ALLOWABLE USES.

1. Federal education jobs fund program grants distributed to school districts may be used only for:
 - a. The improvement, renovation, repair, or modernization of school buildings and facilities, including deferred maintenance; weatherization; heating, ventilation, and cooling projects; asbestos removal and abatement; security improvements; and laboratory improvements provided that the projects meet the approval requirements of section 15.1-36-01;
 - b. Building additions, provided the additions do not exceed twenty-five percent of the square footage of the building to which they are to be attached and further provided that the additions meet the approval requirements of section 15.1-36-01;
 - c. Equipment, including technological equipment, career and technical education equipment, vehicles for instructional purposes, and vehicles for student transportation;
 - d. Textbooks, instructional materials, and library media materials;
 - e. Title I expenditures; and
 - f. Professional development for teachers and administrators.
2. Each school district expending federal education jobs fund program grants shall file a report with the superintendent of public instruction, at the time and in the manner directed by the superintendent. The report must include a description of all expenditures, obligations, or other commitments made as a result of receiving a federal education jobs fund program grant. The superintendent shall compile the information and present it to the legislative council.

SECTION 27. USE OF NEW MONEY - TEACHER COMPENSATION INCREASES - REPORTS TO THE LEGISLATIVE MANAGEMENT.

1. During the 2011-13 biennium, the board of each school district shall use an amount equal to at least seventy percent of all new money received by the district for per student payments to increase the compensation paid to teachers and to provide compensation to teachers who begin employment with the district on or after July 1, 2011.
2. For purposes of this section, the superintendent of public instruction shall calculate the amount of new money received by a district during the 2011-13 biennium by:
 - a. Determining the total amount of state dollars received by each district during the 2009-11 biennium as per student payments, provided that equity payments, transportation payments, contingency distributions, mill levy reduction payments, and technology support payments are not to be included in the total;
 - b. Determining the total amount of state dollars received by each district during the 2011-13 biennium as per student payments, provided that the following are not to be included in the total:
 - (1) Contingent distributions;

- (2) Cross-border attendance moneys;
 - (3) Deferred maintenance and physical plant improvements grants;
 - (4) Equity payments;
 - (5) Federal education jobs funds program moneys;
 - (6) Home-based education program monitoring moneys;
 - (7) Mill levy reduction payments;
 - (8) PowerSchool acquisition, implementation, and utilization moneys;
 - (9) Regional education association moneys and grants; and
 - (10) Transportation payments; and
- c. Subtracting the amount arrived at under subdivision a from the amount arrived at under subdivision b.
- 3. School districts providing educational services under a cooperative agreement approved by the superintendent of public instruction must, for purposes of this section, be treated as a single district.
 - 4.
 - a. This section does not apply to a school district if the board of the school district, after a public hearing at which public testimony and documentary evidence are accepted, determines in its discretion and by an affirmative vote of two-thirds of the members of the board that complying with subsection 1 would place the school district in the position of having insufficient fiscal resources to meet the school district's other obligations.
 - b. Within ten days of the vote required by subdivision a, the school board shall notify the superintendent of public instruction of its action and shall file a report detailing the grounds for its determination and action.
 - c. The superintendent of public instruction shall report all notices received under this subsection to the legislative management.

SECTION 28. REGIONAL EDUCATION ASSOCIATIONS - GRANTS. During the 2011-13 biennium, the superintendent of public instruction shall expend up to \$800,000 from the grants - state school aid line item in the appropriation bill for the superintendent of public instruction, as approved by the sixty-second legislative assembly, for the purpose of providing an annual grant to each eligible regional education association in order to assist each association with the cost of compensating a coordinator.

- 1. In order to receive a grant under this section, each regional education association must:
 - a. Enter a contract with an individual to serve as a coordinator, on a full-time or a part-time basis, for a duration of at least twelve months; and
 - b. Provide from other revenue sources at least thirty percent of the total compensation payable to the coordinator.
- 2. The maximum grant payable to a regional education association under this section during each year of the biennium is the lesser of \$50,000 or seventy percent of the total compensation payable to the coordinator.

SECTION 29. APPROPRIATION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$150,000, or so much of the sum as may be necessary, to the department of

commerce for the purpose of providing grants in the amount of \$1,200 on behalf of individuals seeking a child development associate credential, for the biennium beginning July 1, 2011, and ending June 30, 2013.

SECTION 30. APPROPRIATION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$460,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of providing payments to eligible school districts that offer alternative education programs to students in grades six through eight, for the biennium beginning July 1, 2011, and ending June 30, 2013. In order to determine the payment per student, the superintendent of public instruction shall multiply the number of full-time equivalent students in grades six through eight who are enrolled during the 2012-13 school year in an average of at least fifteen hours per week of alternative education programming by a weighting factor that may not exceed 0.20.

SECTION 31. APPROPRIATION - SCHOOL DISTRICT DEFERRED MAINTENANCE AND PHYSICAL PLANT IMPROVEMENT GRANTS.

1. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$7,000,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of awarding to eligible school districts deferred maintenance and physical plant improvement grants, in accordance with the provisions of this section, for the biennium beginning July 1, 2011, and ending June 30, 2013.
2. If the office of management and budget determines by April 30, 2012, that the June 30, 2012, ending balance of the state general fund will be more than \$30,000,000 in excess of the amount predicted by the office of management and budget at the conclusion of the 2011 legislative session, the superintendent of public instruction shall forward to each eligible school district:
 - a. Ten thousand dollars; plus
 - b. The school district's pro rata share of the remaining appropriation, calculated by using the latest available average daily membership of each school district.
3. If the general fund balance requirements of subsection 2 are not met and if the office of management and budget determines by April 30, 2013, that the June 30, 2013, ending balance of the state general fund will be more than \$30,000,000 in excess of the amount predicted by the office of management and budget at the conclusion of the 2011 legislative session, the superintendent of public instruction shall forward to each eligible school district:
 - a. Ten thousand dollars; plus
 - b. The school district's pro rata share of the remaining appropriation, calculated by using the latest available average daily membership of each school district.
4. Each school district accepting funds under this section shall apply those funds toward deferred maintenance and physical plant improvements and shall, by June 30, 2014:
 - a. Submit to the superintendent of public instruction documentation indicating the appropriate expenditure of the funds; or
 - b. Return the funds to the superintendent of public instruction for deposit in the general fund.
5. For purposes of this section, an "eligible school district" is a school district that:

- a. Has a general fund levy equal to at least one hundred fifty mills, before any reduction for property tax allocations under chapter 57-64;
- b. Is not precluded from receiving state aid by the provisions of section 15.1-27-35.3; and
- c. Provides an equal monetary match for any amount received under this section.

SECTION 32. CONTINGENT MONEY. If any money appropriated to the superintendent of public instruction for state aid payments to school districts remains after the superintendent complies with all statutory payment obligations imposed for the biennium beginning July 1, 2011, and ending June 30, 2013, the superintendent shall use the remaining moneys to provide additional per student payments on a prorated basis according to the latest available average daily membership of each school district.

SECTION 33. CONTINGENT TRANSFER BY BANK OF NORTH DAKOTA FOR SPECIAL EDUCATION. If during the biennium beginning July 1, 2011, and ending June 30, 2013, the superintendent of public instruction determines that, using all available sources, there are insufficient funds with which to fully reimburse school districts for the excess costs of serving the one percent of special education students statewide who require the greatest school district expenditures in order to be provided with special education and related services, the industrial commission shall transfer from the earnings and accumulated and undivided profits of the Bank of North Dakota the amount the superintendent of public instruction certifies is necessary to provide the statutorily required level of reimbursement. The superintendent of public instruction shall file for introduction legislation requesting that the sixty-third legislative assembly return any amount transferred under this section to the Bank of North Dakota.

SECTION 34. ALL-DAY KINDERGARTEN - IMPACT REPORT. Before December 31, 2011, and December 31, 2012, each school district that provided full-day kindergarten during the previous school year shall file a report with the superintendent of public instruction indicating the nature and extent of any measurable academic growth experienced by the students who were enrolled in the program.

SECTION 35. LEGISLATIVE MANAGEMENT STUDY - TEACHER COMPENSATION REFORM. During the 2011-12 interim, the legislative management shall consider studying ways to reform the manner in which teacher compensation is determined, with a view to recruiting, developing, and retaining a high-quality teaching workforce capable of significantly improving student performance. BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. REGIONAL AUTISM SPECTRUM DISORDER CENTERS OF ACHIEVEMENT PILOT PROGRAM - DEPARTMENT OF HUMAN SERVICES STUDY - REPORT TO THE LEGISLATIVE MANAGEMENT.

1. During the 2011-13 biennium, the department of human services shall establish and operate a regional autism spectrum disorder centers of achievement pilot program.
 - a. The pilot program must provide a matching grant to a qualified applicant that is a nonprofit intermediate care facility for the mentally retarded which is licensed by the department of human services.
 - b. A qualified applicant shall establish the availability of one dollar of nonstate, cash matching funds for each grant dollar awarded under this section. The source of the matching funds may not be a gift or grant, but must be funds of the applicant.
 - c. A qualified applicant shall submit a plan for the funding, development, and delivery of skilled services to individuals with autism spectrum disorder who reside within the applicant's service region. The plan must provide for the establishment of a regional autism spectrum disorder center of achievement in a city with a population of more than ten thousand.
 - d. As a condition of award of a grant under this program, a qualified applicant shall agree to collaborate with the department of human services in developing and implementing the plan as well as postaward monitoring by the department of human services.
2. During the 2011-13 biennium, the department of human services shall work with public and private stakeholders to study the feasibility of establishing a network of regional autism spectrum disorder centers of achievement. The study must include:

- a. Consideration of funding needs and sources for startup as well as ongoing financial sustainability of a network of regional autism spectrum disorder centers of achievement;
 - b. Evaluation of the unmet needs in the state related to the regional delivery of skilled services to individuals with autism spectrum disorder, consideration of the most effective and efficient delivery system for these skilled services, and evaluation of whether the skilled services provided by the qualified applicant under subsection 1 is part of a viable plan to increase availability of these services; and
 - c. Evaluation of the funding, development, and delivery of the skilled services provided by a qualified applicant under subsection 1, including recommendations regarding the feasibility and desirability of implementing the pilot program on a broader scale.
3. During the 2011-13 biennium, the department of human services shall provide regular status reports to and work in cooperation with the legislative management as the legislative management conducts the study provided for under section 2 of this Act.
 4. Before September 1, 2012, the department of human services shall report to the legislative management on the preliminary findings and recommendations of the regional autism spectrum disorder centers of achievement pilot program and study. During the 2013 legislative session, the department of human services shall introduce any legislation that may be necessary to implement the study recommendations.

SECTION 2. AUTISM STUDY - LEGISLATIVE MANAGEMENT. During the 2011-12 interim, the legislative management shall conduct a comprehensive study of the current system for the diagnosis of, treatment of, care for, and education of individuals with autism spectrum disorder and shall make recommendations regarding how this system can be improved to better meet the needs of individuals with autism spectrum disorder. The study must consider the recommendations of the autism spectrum disorder task force and must seek input from stakeholders in the private and public sectors, including families impacted by autism spectrum disorder, insurers, educators, treatment providers, early childhood service providers, caretakers, and nonprofit intermediate care facilities for the mentally retarded. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-third legislative assembly.

SECTION 3. APPROPRIATION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$600,000, or so much of the sum as may be necessary, to the department of human services for the purpose of implementing the regional autism spectrum disorder centers of achievement pilot program and study provided for under section 1 of this Act, for the biennium beginning July 1, 2011, and ending June 30, 2013."
